Looking Good Margaret A. Lowe, 2003-06-12 Edward Clarke warned in his widely read *Sex in Education* 1873 but she could not do all this and retain uninjured health and a future secure from neuralgia uterine disease hysteria and other derangements of the nervous system For half a century ideas such as Dr Clarke's framed the debate over a woman's place in higher education almost exclusively in terms of her body and her health *Battles for Belonging* Sandra Sánchez-López, 2024-03-06 *Battles for Belonging* Women Journalists Political Culture and the Paradoxes of Inclusion in Colombia 1943 1970 examines women journalists who conceived of their publications as political interventions in mid twentieth century Colombia These journalists committed to shaping justice and opportunity for women in society through writing while battling within the publishing realm to also transform and professionalize the practice of journalism in their own terms By analyzing the contentious narratives of gender and class these women crafted as well as their conflicting efforts to maintain their stature in the printing and public worlds it reveals the ongoing negotiations involved within their disputes over inclusion and democracy in a country still finding its way to equality peace and stability between the 1940s and 1960s This book challenges oversimplified portrayals of struggles for power that either glorify or vilify these historical processes by erasing the complexity of the political and social actors involved in them It stresses the importance of women but not to the expense of a balanced critique of their historical reality actions and endeavors This is a history of paradoxical political manifestations and a redefinition of power struggles as multidirectional intersectional non monolithic historical processes from the viewpoint of women **History of Universities** Mordechai Feingold, 2005-05 Volume XX 1 of *History of Universities* contains the customary mix of learned articles book reviews conference reports and bibliographical information which makes this publication such an indispensable tool for the historian of higher education Its contributions range widely geographically chronologically and in subject matter The volume is as always a lively combination of original research and invaluable reference material *Educating the Empire* Sarah Steinbock-Pratt, 2019-05-02 Examines the contested process of colonial education in the Philippines in the aftermath of the Spanish American War *Rosie and Mrs. America* Catherine Gourley, 2008-01-01 Examines how popular culture during the Great Depression and later during the Second World War influenced the lives of women **Queens of Academe** Karen W. Tice, 2012-04-17 Higher education is an unlikely venue for showcasing ideals of femininity yet campus beauty pageants have increased in popularity in a cultural marketplace conjoining personal empowerment with beauty and style Karen Tice examines the desires and racial and political agendas that propel students onto collegiate catwalks **Nineteenth-Century American Women Writers and Theologies of the Afterlife** Jennifer McFarlane-Harris, Emily Hamilton-Honey, 2021-07-12 This collection analyzes the theme of the afterlife as it animated nineteenth century American women's theology making and appeals for social justice Authors like Harriet Beecher Stowe Elizabeth Stuart Phelps Martha Finley Jarena Lee Maria Stewart Zilpha Elaw Rebecca Cox Jackson Catharine

Maria Sedgwick Elizabeth Palmer Peabody Belinda Marden Pratt and others wrote to have a voice in the moral debates that were consuming churches and national politics These texts are expressions of the lives and dynamic minds of women who developed sophisticated systematic spiritual and textual approaches to the divine to their denominations or religious traditions and to the mainstream culture around them Women do not simply live out theologies authored by men Rather Nineteenth Century American Women Writers and Theologies of the Afterlife A Step Closer to Heaven is grounded in the radical notion that the theological principles crafted by women and derived from women s experiences intellectual habits and organizational capabilities are foundational to American literature itself **Here She Is** Hilary Levey Friedman,2020-08-25

A fresh exploration of American feminist history told through the lens of the beauty pageant world Many predicted that pageants would disappear by the 21st century Yet they are thriving America s most enduring contest Miss America celebrates its 100th anniversary in 2020 Why do they persist In Here She Is Hilary Levey Friedman reveals the surprising ways pageants have been an empowering feminist tradition She traces the role of pageants in many of the feminist movement s signature achievements including bringing women into the public sphere helping them become leaders in business and politics providing increased educational opportunities and giving them a voice in the age of MeToo Using her unique perspective as a NOW state president daughter to Miss America 1970 sometimes pageant judge and scholar Friedman explores how pageants became so deeply embedded in American life from their origins as a P T Barnum spectacle at the birth of the suffrage movement through Miss Universe s bathing beauties to the talent and achievement based competitions of today She looks at how pageantry has morphed into culture everywhere from The Bachelor and RuPaul s Drag Race to cheer and specialized contests like those for children Indigenous women and contestants with disabilities Friedman also acknowledges the damaging and unrealistic expectations pageants place on women in society and discusses the controversies including Miss America s ableist and racist history Trump s ownership of the Miss Universe Organization and the death of child pageant winner JonBen t Ramsey Presenting a more complex narrative than what s been previously portrayed Here She Is shows that as American women continue to evolve so too will beauty pageants **Shaping Visions in U.S.-American Magazines** Annabel Friedrichs,2024-09-07 *Turning the Pages of American Girlhood* Emily Hamilton-Honey,2013-02-26
