Naked Masks Luigi Pirandello, 1957-09-01 This special one volume edition features five great plays by one of the most celebrated and fascinating dramatists of the twentieth century. Pirandello awarded the Nobel Prize in 1934 was the playwright par excellence of the conflict between illusion and reality. His modern and sensationally original plays dramatize with force and eloquence the isolation of the individual from society and from himself. The editor Eric Bentley is an international theater authority. In addition to the Introduction and the biographical and bibliographical material in the Appendices Mr Bentley has prepared for this volume the first English translations of the play *Liol* and Pirandello's important Preface to *Six Characters in Search of an Author*. Included Plays: *Liol*, *It Is So If You Think So*, *Henry IV*, *Six Characters in Search of an Author*, *Each in His Own Way*.

The Rules Of The Game Luigi Pirandello, 1993-06 A drama of desire and jealousy this scintillating play brings the concept of revenge tragedy intriguingly into the twentieth century. The eternal triangle as played out by Leone, Guido and Silia has a chillingly unexpected ending. The play was performed to great acclaim with Richard Griffiths playing Leone at the Almeida Theatre in 1992.

Luigi Pirandello in the Theatre Susan Bassnett, Jennifer Lorch, 2014-03-18 First Published in 1993 *Contemporary Theatre Studies* is a book series of special interest to everyone involved in theatre. This collection of documents is the first attempt in English to bring together a body of material on Luigi Pirandello as multi-faceted man of the theatre. Because relatively few of his works have been easily available to English language readers he is thought of most frequently as a playwright, the author of *Six Characters in Search of an Author* and *Henry IV* in particular and his contribution to theatre both in theory and in practice has tended to be overlooked. Emphasising his role as a director the book traces the rise and fall of his own theatre company, the Teatro d'Arte where he struggled to instil new practices and comments on Pirandello's attempts during the years of Fascism to give Italy a national theatre in a European context.

Six Characters in Search of an Author Luigi Pirandello, 2015-07-13 Luigi Pirandello 28 June 1867 10 December 1936 was an Italian dramatist, novelist, poet and short story writer. He was awarded the 1934 Nobel Prize in Literature for his bold and brilliant renovation of the drama and the stage. Pirandello's works include novels, hundreds of short stories and about 40 plays. Pirandello's tragic farces are often seen as forerunners of the Theatre of the Absurd. *Six Characters in Search of an Author* 1921 is a stage comedy which laid the foundation for the Theater of the Absurd. A group of actors are preparing to rehearse for a Pirandello play. While starting the rehearsal they are interrupted by the arrival of six characters. The leader of the characters, the father, informs the manager that they are looking for an author. He explains that the author who created them did not finish their story and that they therefore are unrealized characters who have not been fully brought to life. The manager tries to throw them out of the theater but becomes more intrigued when they start to describe their story.
