Luke The People Of God:

Luke and the People of God Jacob Jervell, 2002-01-15 In this book Jacob Jervell challenges two widely held theories about Luke that he was a representative of the institutional church and that his writing was directed primarily at Gentile readers. He also presents much valuable insight into the growing pains of the early church especially the relationship of the Jews to the Jewish Christians and the relationship of both these groups to the Gentiles. *Luke and the People of God* Jacob Jervell, 1972 *The Theology of the Acts of the Apostles* Jacob Jervell, 1996-05-16 Who are the people of God? Luke's purposes in the Acts of the Apostles are to identify the church to establish the legitimacy of its gospel and to demonstrate that God was an active force in history. He wanted to show that the communities of Jewish and Gentile Christians are the true heirs of God's promises to Israel. He gives the history of the early church from the last decades of the first century as the communities become separated from their Jewish origins and Paul plays the lead role. Acts offers an apologetic for the mixed mission of the church to Jews and Gentiles. Luke was an eyewitness to some of what he reports but his authorship and views have been questioned. This is a theological interpretation of the history of the church within history. Luke is an artist, a narrator rather than a systematic theologian but writes about the roles of God, Christ, and the Holy Spirit and of the church.

The People's New Testament Commentary M. Eugene Boring, Fred B. Craddock, 2010-01-25 M. Eugene Boring and Fred B. Craddock present this new one-volume commentary on the New Testament. Writing from the fundamental conviction that the New Testament is the people's book, Boring and Craddock examine the theological themes and messages of Scripture that speak to the life of discipleship. Their work clarifies matters of history, culture, geography, literature, and translation, enabling people to listen more carefully to the text. This unique commentary is the perfect resource for clergy and church school teachers who seek a reference tool midway between a study Bible and a multivolume commentary on the Bible. **Reading the Way, Paul, and "The Jews" in Acts within Judaism** Jason F. Moraff, 2024-01-25 Jason F. Moraff challenges the contention that Acts' sharp rhetoric and portrayal of the Jews reflects anti-Judaism and supersessionism. He argues that rather than constructing Christian identity in contrast to Judaism, Acts binds the Way, Paul, and the Jews together into a shared identity as Israel and that together they embark on a journey of repentance with common Jewishness, providing the foundation. Acts leverages Jewish kinship, language, cult, and custom to portray the Way, Paul, and the Jews as one family debating the direction of their ancestral tradition. Using a historically situated narrative approach, Moraff frames Acts' portrayal of the Way and Paul in relation to the Jewish people as participating in internecine conflict regarding the Jewish tradition in crisis after the destruction of the temple. By exploring ancient ethnicity, Jewish identity, and Lukan characterization, images of the Jews, the Way, and Paul, violence in Acts, and the theme of blindness in Luke's gospel, the Pauline writings, and Acts, Moraff stresses that Acts speaks from among my own nation, meaning the Jews, and makes it possible to understand Acts' critical characterization of the Jews within Second Temple Judaism. **NIV® Standard Lesson**

[Luke's Portrait of Gentiles Prior to Their Coming to Faith](#) Christoph W. Stenschke, 1999 Christoph W Stenschke examines Luke s portrait of the Gentiles state prior to their coming to Christian faith Following the history of research he commences with Luke s direct references to the Gentiles prior to faith and then draws conclusions concerning their state from the Gentile encounter with Jesus and Christian salvation This includes Luke s notes on the condition of Gentiles and on their appropriation of salvation Finally conclusions from Luke s portrayal of Gentile Christians are drawn With his approach Christoph W Stenschke challenges some previous contributions to Lukan anthropology He argues that the main study in the field J W Taeger *Der Mensch und sein Heil* does not sufficiently consider all the evidence By concentrating on the Gentiles in Luke Act including Samaritans and God fearers the author s thesis covers all the relevant material Contrary to Taeger who suggests that Gentiles do not need salvation as much as correction he discovers that Luke portrays Gentiles prior to faith in a condition requiring God s saving intervention Thorough correction has to accompany and follow this salvation Though allowing for distinct Lukan emphases this portrait is not essentially at odds with that of other NT authors These results further show that the Areopagus speech needs to and can be satisfactorily interpreted in its context and in conjunction with similar statements The author further argues that Luke s narrative sections and the characterization they present should no longer be neglected in favour of the speeches Luke s

portrayal of Gentiles prior to faith also bears on his understanding of sin and provides additional justification for the Gentile mission Christoph W Stenschke challenges proposals of Luke's alleged anti Judaism and provides some hitherto little noticed correctives *KJV Standard Lesson Commentary® 2022-2023* Standard Publishing,2022-06-07 For over twenty years Standard Lesson Commentary SLC has been the most popular and trusted annual Bible commentary in the world This nondenominational series provides 52 weeks of verse by verse commentary of Scripture drawing you closer every day to God and His Word With timely themes for your life Standard Lesson Commentary 2022 2023 will help you study the Bible like never before Key features include Printed Scripture Detailed lesson context Expert verse by verse commentary of the Bible text Pronunciation guide for difficult words Thoughtful discussion starters A review quiz for each quarter Available in the King James Version KJV and New International Version NIV Bible translations the SLC is based on the popular Uniform Series This series developed by scholars from numerous church fellowships outlines an in depth study of the Bible over a six year period The four main themes of the 2022 2023 study are God's Exceptional Choice Genesis Exodus Deuteronomy Judges 1 Samuel Ephesians From Darkness to Light 2 Chronicles Isaiah Joel Luke 1 Corinthians 2 Timothy James 1 Peter Jesus Calls Us Matthew Mark Luke John Acts The Righteous Reign of God Isaiah Ezekiel Zephaniah Zechariah Matthew Romans Galatians 1 Corinthians The SLC is perfect as the primary resource for an adult Sunday School class for personal study or as a supplemental resource for any curriculum that follows the ISSL Uniform Series Nearly two dozen ministers teachers and Christian education specialists contribute their expertise to SLC The Deluxe Edition features online and downloadable access for the Standard Lesson eCommentary through FaithLife's Logos Bible Software This includes the full text of the Standard Lesson Commentary both KJV and NIV editions as well as PowerPoint presentations Full text of the KJV Bible Full color visual resources Student activity reproducible pages Quarterly quiz More than a dozen additional helps and resources **A Theology of Luke and Acts** Darrell L.
