Lukes Promise:

Luke's Promise Hiromi Kobayashi, Eileen Wilks, 2019-11-01 The West brothers beloved housekeeper Ada is terminally ill and they need money to pay for an experimental treatment But the terms of their inheritance stipulate that all three of them must be married in order to access the money So middle brother Luke asks his childhood friend Maggie to marry him Maggie always had a crush on Luke But she also knows he s a total playboy and has her doubts about his plan The solution They agree to get married with the intent of staying friends What could possibly go wrong **Luke's Promise** Eileen Wilks, 2011-02-21 A few minutes in the Love Me Tender Chapel and Maggie Stewart had toppled the giant of all bachelors sexy as sin Luke West But their marriage came with an expiration date on payment of Luke s colossal inheritance The honorable horseman promised to rein in his powerful wife craving for he d never compromise precious Maggie But his bride had vowed to push her husband to the brink of pounding desire then offer herself as satisfaction on one condition that their loving last not just one night but a lifetime **Luke's Rhetorical Compositions** Paul Elbert, 2022-07-19 Luke s Rhetorical Compositions offers new ideas in Lukan scholarship especially in regard to Aelius Theon s first century rhetoric manual Progymnasmata and inter textual Lukan Pauline biblical studies Two chapters deserve special mention the material in chapter 3 is a groundbreaking discussion of Acts 2 38 in which its Greek verb tense speaks to the subsequent reception of the gift of the Holy Spirit following salvation not coincident with salvation In Acts 2 38 it is Luke s intention to portray Peter as promising the gift of the Holy Spirit to hearers and to those beyond narrative time as a Pentecostal experience Chapter 9 discusses Luke s use of progymnasmatic examples in his descriptions of the salvation experience It also discusses Luke s clarification of Paul using narrative persuasion from Jesus tradition and history Also Luke s use of basic soteriological vocabulary provides clarity and plausibility His distinctive selection of examples from the Jesus tradition and his duplication of Paul s soteriological vocabulary is very helpful *The Character and Purpose of Luke's Christology* Douglas Buckwalter, 1996-08-28 Luke s christology is carefully designed Luke portrays the exalted Jesus as God s co equal by the kinds of things he does and says from heaven Through the Holy Spirit the divine name and personal manifestations Jesus behaves toward people in Luke Acts as does Yahweh in the Old Testament His power and knowledge are supreme Jesus sovereignly reigns over Israel the church the powers of darkness and the world Luke deepens this portrait by depicting Jesus as deity who by nature behaves as servant the earthly Jesus acted among his people as one who serves the exalted Jesus continues serving his people by strengthening and encouraging them in their witness of him to the world That the believers in Acts resemble the way Jesus behaved in the Gospel means that they too are now imaging some of his servant like character in their witness of him Luke's Jewish Eschatology Isaac W. Oliver, 2021 This book revisits the Jewish roots of Christianity More specifically this work investigates what Luke thought about the Jewish people and the end of time in light of ancient Jewish sources It is likely that Luke s views on these questions were not too different from the Judaism of Luke s time Luke

believed that Israel would experience political and national restoration when Jesus would return as the victorious messiah

Feasting on the Gospels--Luke, Volume 2 Cynthia A. Jarvis, E. Elizabeth Johnson, 2014-01-01 Feasting on the Gospels is a new series that follows up on the success of the Feasting of the Word series to provide another trusted preaching resource this time on the most preached on books in the Bible the four Gospels Inside cover **The Shape of Luke's Story** Robert C. Tannehill, 2005-11-01 Because of Luke's unique literary achievement in the Gospel of Luke and Acts these two works raise a variety of interesting and important issues for the exegete In this important collection of essays Tannehill demonstrates why he is has been in the forefront of Luke Acts research for more than three decades His nuanced approach to the intersection of literary theological and social features in the texts marks these as required reading for any interpreter of the gospels Contents Part I Theology Poetry Rhetoric 1 The Mission of Jesus according to Luke 4 16 30 2 The Magnificat as Poem 3 What Kind of King What Kind of Kingdom 4 The Lukan Discourse on Invitations 5 The Story of Zacchaeus as Rhetoric 6 Repentance in the Context of Lukan Soteriology Part II Luke and the Jews 7 Israel in Luke Acts A Tragic Story 8 The Story of Israel within the Lukan Narrative 9 Rejection by Jews and Turning to Gentiles The Pattern of Paul's Mission in Acts Part III Acts as Narrative 10 The Functions of Peter's Mission Speeches in the Narrative of Acts 11 The Composition of Acts 3 5 Narrative Development and Echo Effect 12 Paul outside the Christian Ghetto Intercultural Conflict and Cooperation in Acts 13 The Narrator's Strategy in the Scenes of Paul's Defense Part IV Hermeneutical Experiments 14 Should We Love Simon the Pharisee Reflections on the Pharisees in Luke 15 Freedom and Responsibility in Scripture Interpretation 16 Cornelius and Tabitha Encounter Luke's Jesus **Luke: Artist and Theologian** Robert J. Karris, 2009-03-04 The Bible is literature as well as a sacred text For this reason the application of contemporary methods of literary criticism to the study of Scripture can yield rich benefits Robert Karris examination of Luke's Passion account exemplifies this approach Karris argues that Luke reveals his theology through his artistry particularly in the themes he chooses to develop and the means by which he does so These themes provide Karris with an important insight into two questions Why in Luke's understanding was Jesus crucified and what was the significance of that death Faithfulness is one more important theme Karris discovers in Luke's Gospel Luke's Jesus portrays God as endlessly faithful forgiving and merciful even to those unfaithful to him Justice also surfaces as a clear theme in Luke Jesus associated with outcasts and preached justice toward victims of his day When the religious leaders of that time apposed this life style of justice Jesus assumed the role of the suffering righteous one The author concludes by examining Luke's interest in the eating habits of Jesus By no accident was Jesus slandered as a drunkard and glutton Hies practice of eating with the unrighteous asserted that the seats at God's banquet table were reserved for the outcasts and the sinners Karris's study shows that Luke saw the reason for Jesus's death to be rooted in the reason for his life His conclusions will have value for both the student of Scripture and the individual or group interested in the issues of justice and society **Luke: Jesus Christ, Savior for the Nations** Practical Christianity Foundation, 2020-08-08 Jesus Christ is a

light that will reveal salvation to the nations So wrote Luke the only Gentile writer found in the New Testament Scriptures Luke saw in Jesus Christ the fulfillment of Isaiah's prophecy Arise Shine Your light has come and the glory of the Lord has dawned Nations will come to your light and kings to the brightness of your dawn In clearly described themes Luke takes his readers on a journey of discovery finding in Jesus Christ not only the light for Israel but for people of all nations of the world The book you hold in your hands is no dry seminary text nor is it a feel good self help devotional There is a wealth of information here presented in a clear and accessible writing style that makes this commentary a great read for new believers and seasoned theologians alike Luke's Gospel is examined not in a vacuum but in the context of the totality of Scripture where frequent references to supporting verses serve as roadsigns assuring the reader that he is on the right road This commentary informs and delights

The Passion According to Luke Jerome H. Neyrey, 2007-05-01 Jerome Neyrey brings a remarkably enlightened approach to the Passion Narrative and to Luke's particular version of it The book begins where previous studies leave off for it goes beyond

traditional questions of source and historicity and treats the Lukan Passion Narrative from the standpoint of redaction criticism Neyrey offers a fresh literary analysis of the text along with significant thematic and theological insights into Luke's version of Jesus's Passion Five major episodes in the Passion Narrative are treated The Farewell Address at the Last Supper the Garden Jesus's Trials his Address to the Women and the Crucifixion Although rich in detail this book continually offers a unified view of the text readers are constantly offered overviews summaries of the data and interpretation of it The book breaks new ground in suggesting a distinctive Lukan soteriology of the cross and a corresponding Christology Study of the faith of the dying Jesus becomes a major clue for seeing Jesus as the New Adam in Luke Acts This book significantly advances our reading of Luke especially by the way Acts is brought to bear as an interpretive clue to Luke's whole project Luke Acts Contemporary interpretation of Luke demands study of the way Lukan structures and themes are continued and confirmed in Acts which holds true especially for the Passion Narrative Luke brings the story of Jesus into harmony with the story of his church

[Echoes of Scripture in Luke-Acts](#) Kenneth D. Litwak, 2005-03-07 Litwak challenges previous studies of the use of the Old Testament in Luke Acts as inadequate In contrast to previous studies that consider only quotations or obvious allusions he examines intertextual echoes of the Old Testament at strategic points in Luke Acts as well as quotations and allusions and echoed traditions Thus this study's database is larger Previous studies generally argue that Luke's use of the Scriptures is in the service of christology This leads to the exclusion of scriptural citations such as those of the temptation Luke 4 1-13 which have different emphases Litwak views ecclesiology as the overall purpose behind Luke's use of the Old Testament but he does not skip or avoid intertextual references that may lie outside an ecclesiological function Whilst other studies contend that Luke uses the Old Testament according to a promise fulfillment proof form prophecy hermeneutic Litwak argues that this fails to account for many of the intertextual references Other studies often subsume all of Luke's use of the Scriptures of Israel under one theme such as the New Exodus but this study does not require that every intertextual echo maps to a specific theme Rather the many intertextual references in strategic texts at the beginning middle and end of Luke Acts and Luke's use of the texts are allowed to dictate the themes to which they relate JSNTS 282

Gospel Perspectives, Volume 4 David Wenham, 2003-07-08 Gospel Perspectives is the fruit of the Gospels Research Project of Tyndale House Cambridge This six volume collection

published between the years of 1981 and 1986 presents top evangelical scholarship on Gospels Contributors include William Craig Richard Bauckham Murray Harris Peter Davids Robert Stein F F Bruce Leon Morris and D A Carson Luke, Judaism, and the Scholars Joseph B. Tyson, 1999 This survey of the history of critical scholarship on the Gospel of Luke and the Acts of the Apostles draws particular attention to the interpretation of Luke's treatment of Jews and Judaism It notes that the Holocaust was a major turning point in the history of New Testament scholarship **Gospel Difficulties Due to a Displaced Section of S. Luke** John Joseph Halcombe, 1888 Gospel difficulties, or, The displaced section of s. Luke [an harmony of the Gospels] by J.J. Halcombe John Joseph Halcombe, 1886 **Studies in the Gospel of Luke** Adelbert Denaux, 2010 This volume offers a collection of Lukan studies by Adelbert Denaux whose preferred field of studies has been the Gospel of Luke for many years The thirteen papers collected in this volume have been delivered in different languages and on different occasions The papers deal with several aspects of Luke's Gospel structure Old Testament influence theology and christology Luke and Q language and style and individual passages Adelbert Denaux 1938 Professor emeritus New Testament at the K U Leuven is actually Dean of the Tilburg School of Theology the Netherlands 2007 *Straight to the Heart of Luke* Phil Moore, 2017-04-21 Luke is excited As the only non Jewish writer in the New Testament he can hardly believe that God became a human not just for Jewish boys like Peter and Paul but for Gentiles just like him His excitement about the Gospel is contagious as he tells us wide eyed All of this happened for you too Want to explore Luke but feel like you don't have the time *Straight to the Heart of Luke* is a concise and bite size approach to Bible study giving you nuggets of information that you can think about throughout the day Bible study for busy people Luke was so unlike the other New Testament writers that many of his contemporaries believed he wasn't qualified to write Scripture at all But to understand the message of his gospel we need to grasp who he was Luke was the only New Testament writer who was not a Jew The apostle Paul defends him by stating explicitly that his gospel was as much Holy Scripture as the Old Testament Luke was an outsider to the Jewish faith that God inspired to compile an account of the life of Jesus in order to show people all around the world that what Jesus said and did him said and did for us all The astonishing message of Luke's gospel is that what happened to Jesus happened for you Phil Moore helps us to understand and see God's wisdom in choosing Luke as a writer He shows that Luke assures us that this isn't someone else's story he came for you We can say yes to Jesus discovering that he can use you And that all this is possible because he made a way for you
