Lullaby Of The Virgin Of Guadalupe:

Lullaby of the Virgin of Guadalupe Kelly Stuart,2008-06-01 Come and listen to the beautiful tale of long ago and far away when Senor Juan Diego heard the voice of the Virgin of Guadalupe and bravely carried her mysterious image and message of love to the whole world Includes words and music for the Lullaby for the Little Ones written by Author Kelly Stuart *A Russian Lullaby* Deldon Anne McNeely,2012-06-21 2012 I fell in love with Russia from afar when I was a child Fate brought me to live there from 1977 to 1980 and I continued a dysfunctional love affair with her culture When I first wrote this memoir twenty years later in 2000 it was an expression of hope Hope had seen me through those three years in the Soviet Union and I wanted to record that for whoever needed to hear it In 2000 the USSR as we knew it had collapsed and the Russian and Ukrainian citizens that I had known were facing the task of founding a democratic society for the first time in their histories Now a dozen years later the task is still ongoing and the news out of Russia is that voices from the people are being heard as never before The older generation that I had met in the 70s had seen their hopes for a benevolent communism dashed The bright young adults of that time conditioned to serve the state are having to ask questions and make decisions about their leadership that were never possible before So much has changed So little has changed My little memoir seems timely again another small voice from the street

Havard, Ricardo Miguel-Alfonso, 2021-09-30 The relationship between the United States and Spain evolved rapidly over the course of the nineteenth century culminating in hostility during the Spanish American War. However scholarship on literary connections between the two nations has been limited aside from a few studies of the small coterie of Hispanists typically conceived as the canon in this area. This volume collects essays that push the study of transatlantic connections between U S and Spanish literatures in new directions. The contributors represent an interdisciplinary group including scholars of national literatures national histories and comparative literature. Their works explore previously understudied authors as well as understudied works by better known authors. They use these new archives to present canonical works in new lights. Moreover they explore organic entanglements between the literary traditions and how those traditions interface with Latinx literary history. Children's Book Review Index Gary C.
