Divine Apology Brett Miller,2002-05-30 While the defense of public image in political corporate and celebrity rhetoric has been widely studied religious image repair has been largely ignored Divine Apology considers the unique circumstances facing religious figures in need of restoring their reputations by examining a blend of historical and contemporary defenses offered by various figures and groups The author covers apologia as advanced by the Apostle Paul Justin Martyr Martin Luther Jimmy Swaggart evangelical opponents of the Jesus Seminar and conservative leaders of the Southern Baptist Convention He concludes that strategies used for religious image repair often differ significantly from those employed by politicians corporations and other public figures In this unique volume Miller demonstrates that religious groups and individuals are as motivated as anyone else to purify their public images The issues prompting defenses however are more likely to focus on epistemological conflicts and clashes of worldviews than on inappropriate behaviors As a consequence religious apologists are more likely to associate attacks against their beliefs as assaults against their characters This causes religious image

restoration discourse to manifest itself as more transcendent than defenses in traditional situations involving laypeople Miller posits that the presence of God and religious antecedents as salient audiences as well as other factors concerning audience and context work to shape a form of apology that is characteristically religious

An Uncompromising Gospel Wade Johnston, Wade R Johnston, 2017-01-05 Martin Luther with preached and written word unleashed the unconditional and uncompromising gospel of God's love for sinners in Jesus Christ crucified and risen He exposed both man's lost condition and Christ's unfathomable love with unrelenting persistence and unmistakable clarity Bound in sin only Christ could set the sinner free and Luther held Christ before his students hearers and readers That message marked and formed his students and coworkers and yet after his death bitter disputes broke out about some of the most central aspects of his theology Debates cut to the very heart of the Reformation and this while its future hung precariously in the balance An Uncompromising Gospel highlights Luther's key theological teachings details the controversies that broke out over them after his death and provides important lessons for our own day as Christians still struggle to grasp and hold forth the love of Christ for sinners dead in trespasses and sins As Lutheranism in specific and Christianity as a whole struggle to find and articulate their identity in challenging times yet once again An Uncompromising Gospel provides helpful reminders about what the chief task and message of the church are and ought to be as it presses forward in God's grace and with the good news of Christ Jesus

Martin Luther Lyndal Roper, 2017-03-14 From one of the best of the new Martin Luther biographers The New Yorker a portrait of the complicated founding father of the Protestant Reformation whose intellectual assault on Catholicism transformed Christianity and changed the course of world history Magnificent The Wall Street Journal Penetrating The New York Times Book Review Smart accessible authoritative Hilary Mantel On October 31 1517 so the story goes a shy monk named Martin Luther nailed a piece of paper to the door of the Castle Church in the university town of Wittenberg The ideas contained in these Ninety five Theses which boldly challenged the Catholic Church spread like wildfire Within two months they were known all over Germany So powerful were Martin Luther's broadsides against papal authority that they polarized a continent and tore apart the very foundation of Western Christendom Luther's ideas inspired upheavals whose consequences we live with today But who was the man behind the Ninety five Theses Lyndal Roper's magisterial new biography goes beyond Luther's theology to investigate the inner life of the religious reformer who has been called the last medieval man and the first modern one Here is a full blooded portrait of a revolutionary thinker who was at his core deeply flawed and full

of contradictions Luther was a brilliant writer whose biblical translations had a lasting impact on the German language Yet he was also a strident fundamentalist whose scathing rhetorical attacks threatened to alienate those he might persuade He had a colorful even impish personality and when he left the monastery to get married to spite the Devil he explained he wooed and wed an ex nun But he had an ugly side too When German peasants rose up against the nobility Luther urged the aristocracy to slaughter them He was a ferocious anti Semite and a virulent misogynist even as he argued for liberated human sexuality within marriage A distinguished historian of early modern Europe Lyndal Roper looks deep inside the heart of this singularly complex figure The force of Luther s personality she argues had enormous historical effects both good and ill By bringing us closer than ever to the man himself she opens up a new vision of the Reformation and the world it created and draws a fully three dimensional portrait of its founder *Luthers Protest* John A Braun,2016-07-01 Why did Martin Luther leave the Catholic Church Martin Luther s actions were certainly not as loud or brazen as the bullhorns and picket lines of present day protesters Yet what began with mere parchment and nails on a church door in Germany turned into one of the most important protests in world history Luther s Protest examines why Martin Luther left the Catholic Church his role in sparking the Lutheran Reformation his theological impact on the movement and his continued efforts to return the church at large to the Word of God In addition this book will show you Martin Luther s lasting influence on the Christian faith over the past 500 years **The Text of the Bible** David S. New,2013-04-26 For 2000 years the Bible has provided evidence and witness for the beliefs of three major world religions Some consider the Bible dangerous while others have died for it but the response to the Bible is always passionate This book relates the story of such passions from the Roman Empire to the present It is a story primarily about individuals the drama of their lives woven into the tapestry of their times barbarian invasions Black Death Waldensian heresy the pageantry of medieval romance the debauchery of the medieval Vatican the spirit of the Renaissance the tradition of monk and scholar All of these historical currents influenced the text now corrupted and distorted and existing in a confusing number of versions This book tells how today s Bible came to be what it is and provides an understanding of the richness of its text **Renaissance and Reformation** William R. Estep,1986-02-04 Readable and informative this major text in Reformation history is a detailed exploration of the many facets of the Reformation especially its relationship to the Renaissance Estep pays particular attention to key individuals of the period including Wycliffe Huss Erasmus Luther Zwingli and Calvin Illustrated with maps and pictures **Humanism, Universities, and Jesuit Education in Late Renaissance Italy** Paul F. Grendler,2022-05-02 This book contains twenty essays on Italian Renaissance humanism universities and Jesuit education by one of its most distinguished living historians Paul F Grendler The first section of the book opens with defining Renaissance humanism followed by explorations of biblical humanism and humanistic education in Venice It concludes with essays on two pioneering historians of humanism Georg Voigt and Paul Oskar Kristeller The middle section discusses Italian universities the sports played by university students a famous law professor and the controversy

over the immortality of the soul The last section analyzes Jesuit education the culture of the Jesuit teacher the philosophy curriculum attitudes toward Erasmus and Juan Luis Vives and the education of a cardinal This volume collects Paul Grendler's most recent research published and unpublished offering to the reader a broad fresco on a complex and crucial age in the history of education

Martin Luther's Two Ways of Viewing Life and the Educational Foundation of a Lutheran Ethos

Leonard S. Smith, 2011-01-01 Like Leonard Smith's larger study *Religion and the Rise of History* this essay *Martin Luther's Two Ways of Viewing Life* asserts that Luther's well known at the same time simul or paradoxical way of viewing life does not capture Luther's thought as a whole because it does not represent his deeply incarnational and dynamic mystical and holistic particularizing and historical way of viewing life based on the power of the Word and the Spirit of God either in his own life or in human history Smith contends 1 that the best way to capture Luther's second basic way of thinking and of viewing life is through the connected prepositions connected especially for Lutherans in with and under 2 that this second basic way was based primarily on the Gospel of John and its great Prologue which shows how God is acting creating and redeeming and how Jesus is the Word become flesh and 3 that understanding both of Luther's ways of viewing life is helpful for understanding Lutheran education and a Lutheran ethos since the sixteenth century Since this brief essay is written primarily for a general audience it can easily be used as a text or supplementary reading for a class seminary or group discussion
