Morningside Heights Andrew S. Dolkart, 2001-03-15 Few aspects of American military history have been as vigorously debated as Harry Truman's decision to use atomic bombs against Japan In this carefully crafted volume Michael Kort describes the wartime circumstances and thinking that form the context for the decision to use these weapons surveys the major debates related to that decision and provides a comprehensive collection of key primary source documents that illuminate the behavior of the United States and Japan during the closing days of World War II Kort opens with a summary of the debate over Hiroshima as it has evolved since 1945 He then provides a historical overview of the events in question beginning with the decision and program to build the atomic bomb Detailing the sequence of events leading to Japan's surrender he revisits the decisive battles of the Pacific War and the motivations of American and Japanese leaders Finally Kort examines ten key issues in the discussion of Hiroshima and guides readers to relevant primary source documents scholarly books and articles

Singing in the Age of Anxiety Laura Tunbridge, 2018-07-11 In New York and London

during World War I the performance of lieder German art songs was roundly prohibited representing as they did the music and language of the enemy But as German musicians returned to the transatlantic circuit in the 1920s so too did the songs of Franz Schubert Hugo Wolf and Richard Strauss Lieder were encountered in a variety of venues and media at luxury hotels and on ocean liners in vaudeville productions and at Carnegie Hall and on gramophone recordings radio broadcasts and films Laura Tunbridge explores the renewed vitality of this refugee musical form between the world wars offering a fresh perspective on a period that was pervaded by anxieties of displacement Through richly varied case studies *Singing in the Age of Anxiety* traces how lieder were circulated presented and consumed in metropolitan contexts shedding new light on how music facilitated unlikely crossings of nationalist and internationalist ideologies during the interwar period

The Jewish Metropolis Daniel Soyer, 2021-05-04 *The Jewish Metropolis* New York City from the 17th to the 21st Century covers the entire sweep of the history of the largest Jewish community of all time It provides an introduction to many facets of that history including the ways in which waves of immigration shaped New York's Jewish community Jewish cultural production in English Yiddish Ladino and German New York's contribution to the development of American Judaism Jewish interaction with other ethnic and religious groups and Jewish participation in the politics and culture of the city as a whole Each chapter is written by an expert in the field and includes a bibliography for further reading *The Jewish Metropolis* captures the diversity of the Jewish experience in New York

Machine à Amuser Wim Van Den Bergh, 2024-04-09 A richly illustrated history of a single building the celebrated and yet enigmatic penthouse of the wealthy playboy Charles de Beistegui designed by Le Corbusier and Pierre Jeanneret in late 1920s Paris What does it take to build not only a house but a machine for amusement In *Machine Amuser* Wim van den Bergh chronicles the genesis of the famous penthouse of French born Mexican millionaire bachelor Charles de Beistegui The penthouse was planned and constructed by Le Corbusier Pierre Jeanneret and built on a rooftop site on the Champs lys es between 1929 1932 Retracing the evolution of this icon of modern architecture from the initial competition between Gabriel Guevrekian Andr Lurc at and Le Corbusier Pierre Jeanneret up to the executed version van den Bergh tells the story of a client's ambition to build a house devoted to entertaining on one of the most well heeled streets of Paris *Machine Amuser* also examines the cultural milieu of artists and patrons that surrounded Beistegui and which ultimately determined the apartment's conception and use including its rococo and surrealist inspired interior decor Drawing on a panoply of archival material van den Bergh narrates the tensions that arose between client and architects as each vied for creative control of the project As the book shows while Le Corbusier with his cousin Pierre Jeanneret remained the official architects of the penthouse its famed interior was ultimately designed by the client Charles de Beistegui An account of a single building beloved by architects and architectural historians *Machine Amuser* tells a story that has never been told before Van den Bergh redresses this lacuna in rich detail revealing the history of the Beistegui penthouse the evolution of the project and its eventual erasure from the roofscapes of Paris

Empty Mansions Bill Dedman, Paul Clark Newell,

Jr., 2013-09-10 1 NEW YORK TIMES BESTSELLER NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Janet Maslin The New York Times St Louis Post Dispatch When Pulitzer Prize winning journalist Bill Dedman noticed in 2009 a grand home for sale unoccupied for nearly sixty years he stumbled through a surprising portal into American history Empty Mansions is a rich mystery of wealth and loss connecting the Gilded Age opulence of the nineteenth century with a twenty first century battle over a 300 million inheritance At its heart is a reclusive heiress named Huguette Clark a woman so secretive that at the time of her death at age 104 no new photograph of her had been seen in decades Though she owned palatial homes in California New York and Connecticut why had she lived for twenty years in a simple hospital room despite being in excellent health Why were her valuables being sold off Was she in control of her fortune or controlled by those managing her money Dedman has collaborated with Huguette Clark's cousin Paul Clark Newell Jr one of the few relatives to have frequent conversations with her Dedman and Newell tell a fairy tale in reverse the bright talented daughter born into a family of extreme wealth and privilege who secrets herself away from the outside world Huguette was the daughter of self made copper industrialist W A Clark nearly as rich as Rockefeller in his day a controversial senator railroad builder and founder of Las Vegas She grew up in the largest house in New York City a remarkable dwelling with 121 rooms for a family of four She owned paintings by Degas and Renoir a world renowned Stradivarius violin a vast collection of antique dolls But wanting more than treasures she devoted her wealth to buying gifts for friends and strangers alike to quietly pursuing her own work as an artist and to guarding the privacy she valued above all else The Clark family story spans nearly all of American history in three generations from a log cabin in Pennsylvania to mining camps in the Montana gold rush from backdoor politics in Washington to a distress call from an elegant Fifth Avenue apartment The same Huguette who was touched by the terror attacks of 9 11 held a ticket nine decades earlier for a first class stateroom on the second voyage of the Titanic Empty Mansions reveals a complex portrait of the mysterious Huguette and her intimate circle We meet her extravagant father her publicity shy mother her star crossed sister her French boyfriend her nurse who received more than 30 million in gifts and the relatives fighting to inherit Huguette's copper fortune Richly illustrated with more than seventy photographs Empty Mansions is an enthralling story of an eccentric of the highest order a last jewel of the Gilded Age who lived life on her own terms

Home on the Horizon Sally Bayley, 2010 In this study of space and place Sally Bayley examines the meaning of home in American literature and culture Moving from the nineteenth century homestead of Emily Dickinson to the present day reality of Bob Dylan Bayley investigates the relationship of the domestic frontier to the wide open spaces of the American outdoors In contemporary America she argues the experience of home is increasingly isolated leading to unsettling moments of domestic fallout At the centre of the book is the exposed and often shifting domain of the domestic threshold Emily Dickinson's doorstep Edward Hopper's doors and windows and Harper Lee's front porch Bayley tracks these historically fragile territories through contemporary literature and film including Cormac McCarthy's No Country For Old Men Lars Von

Trier's Dogville and Andrew Dominik's The Assassination of Jesse James By The Coward Robert Ford works that explore local domestic territories as emblems of nation The culturally potent sites of the American home the hearth porch backyard front lawn bathroom and basement are positioned in relation to the more contested sites of the American motel and hotel The New York Chronology James Trager,2010-09-07 For a city like no other comes a book like no other The New York Chronology tells the epic story of how a remote trading outpost and fishing village grew into the world's capital as we know it today In tens of thousands of chronological entries James Trager marches year by year through both the defining and incidental moments in the city's history from the arrival of Florentine navigator Giovanni da Verrazano in 1524 to the sad closing of Ratner's Delicatessen on the Lower East Side after 97 years of serving blintzes kasha latkes and matzoh brei With impeccable scholarship humor and an astonishing level of detail Trager's information packed entries straddle 32 separate categories that define this great metropolis Turn to any year and you'll get a vivid sense of what life was like for New Yorkers at that time the political and financial developments that shaped their lives the books magazines and newspapers they read the restaurants nightclubs shows and sporting events that entertained them the fitful progress of their neighborhoods schools hospitals public works transportation systems and so much more Of course New Yorkers themselves hold center stage and The New York Chronology is loaded with eye opening and colorful stories about its famous infamous and long forgotten inhabitants From society events and publicity stunts to scandals and murders here are scores of offbeat tidbits that you simply won't find in a more conventional history Handsomely illustrated with more than 130 photographs and drawings it is an entertaining and essential book for New York lovers a homage as grand as the city itself **Lesbianism, Cinema, Space** Lee Wallace,2011-01-13 In this cutting edge volume Wallace identifies a unique trend in post Production Code films that deal with lesbian content stories of lesbianism invariably engage with an apartment setting a spatial motif not typically associated with lesbian history or cultural representation Through the formal analysis of five lesbian apartment films Wallace demonstrates how the standard repertoire of visual techniques and spatial devices the elements of mise en scene favoured locations and sets classical systems of editing and the implied story world itself are used to scaffold female sexual visibility With its sustained focus on the filmic syntax surrounding lesbian representation on screen in the post Production Code era the book comprises an original contribution to queer film studies In addition Wallace also deploys its discussion of lesbianism and cinematic space to critique a number of tendencies in contemporary social theory particularly the theoretical identification of public sex cultures as the basis for a queer counterpublic sphere **Pervasive Games** Markus Montola,Jaakko Stenros,Annika Waern,2009-06-12 Games are no longer confined to card tables and computer screens Emmy award winning games like The Fallen Alternate Reality Game based on the ABC show or The Lost Experience based on the CBS hit show are pervasive games in that they blur traditional boundaries of game play This book gives game designers the tools they need to create cutting edge pervasive games *Historic Manhattan Apartment Houses* Andrew Alpern,1996 With

more than 50 illustrations including many rare views this book features New York City's greatest treasures from the early decades of the 20th century Many are famous for the controversies they inspired Many more are well known for the celebrities who have called them home

High Life Matthew Gordon Lasner, 2012-01-01 The first comprehensive architectural and cultural history of condominium and cooperative housing in twentieth century America Today one in five homeowners in American cities and suburbs lives in a multifamily home rather than a single family house As the American dream evolves precipitated by rising real estate prices and a renewed interest in urban living many predict that condos will become the predominant form of housing in the twenty first century In this unprecedented study Matthew Gordon Lasner explores the history of co owned multifamily housing in the United States from New York City's first co op in 1881 to contemporary condominium and townhouse complexes coast to coast Lasner explains the complicated social economic and political factors that have increased demand for this way of living situating the trend within the larger housing market and broad shifts in residential architecture and family life He contrasts the prevalence and popularity of condos townhouses and other privately governed communities with their ambiguous economic legal and social standing as well as their striking absence from urban and architectural history

Janet & Jackie Jan Pottker, 2024-07-02 An intimate look at the complex and absorbing relationship between two extraordinary women Jay Mulvaney author of Kennedy Weddings A Family Album Despite hundreds of books and thousands of articles on Jackie Kennedy surprisingly little is known about her mother's role in her life and achievements Often dismissed as a social climber who faded into the woodwork after she divorced Jackie's father the dashing disreputable Black Jack Bouvier and married the rich Hugh D Auchincloss Janet not only played a pivotal part in Jackie's own wedding to John F Kennedy but often served as a stand in for Jackie during the White House years and helped her cope with John and Caroline after JFK's assassination The only book to explore this fascinating mother daughter relationship Janet Jackie is filled with stories that shed new light on the personal life of an American icon A rich and nuanced portrait Publishers Weekly Pottker divulges startling vignettes Washington Post

Heaven on the Hudson Stephanie Azzarone, 2022-09-27 Winner Victorian Society in America Book Award A colorful tale of a singular New York City neighborhood and the personalities who make it special To outsiders or East Siders Riverside Park and Riverside Drive may not have the star status of Fifth Avenue or Central Park West But at the city's westernmost edge there is a quiet and beauty like nowhere else in all of New York There are miles of mansions and monuments acres of flora and a breadth of wildlife ranging from Peregrine falcons to goats It's where the Gershwins and Babe Ruth once lived William Randolph Hearst ensconced his paramour and Amy Schumer owns a penthouse Told in the uniquely personal voice of a longtime resident Heaven on the Hudson is the only New York City book that features the history architecture and personalities of this often overlooked neighborhood from the eighteenth century through the present day Combining an extensively researched history of the area and its people with an engaging one on one guide to its sights author Stephanie Azzarone sheds new light on the

initial development of Riverside Park and Riverside Drive the challenges encountered from massive boulders to maniacs and the reasons why Riverside Drive never became the new Fifth Avenue that promoters anticipated From grand country seats to squatter settlements to multi million dollar residences the book follows the neighborhood s roller coaster highs and lows over time Readers will discover a trove of architectural and recreational highlights and hidden gems including the Drive s only freestanding privately owned villa a tomb that s not a tomb and a sweet memorial to an eighteenth century child Azzarone also tells the stories behind Riverside s notable and forgotten residents including celebrities murderers a nineteenth century female MD who launched the country s first anti noise campaign and an Irish merchant who caused a scandal by living with an Indian princess While much has been written about Central Park little has focused exclusively on Riverside Drive and Riverside Park until now Heaven on the Hudson is dedicated to sharing this West Side neighborhood s most special secrets the ones that without fail bring both pleasure and peace in a city of more than 8 million Homes in the Sky Caroline Butler-Bowdon, Charles Pickett, 2007 Produced to coincide with the exhibition Homes in the Sky held at the Museum of Sydney from 12 May to 26 August 2007 T p verso
