**Women, and Philippi** Jason T. Lamoreaux, 2013-10-30 As one surveys the scholarship on the canonical letter to the Philippians one notices the lack of attention to women within many scholars' analyses To a certain extent this lack of attention exists because ancient texts often leave out information about women Using ritual studies archaeology and textual evidence this work brings life to the ritual lives of ancient Philippian women in their own cultural context The discipline of ritual studies provides new questions that shed more specific light on the lives of women in this fledgling Jesus group Therefore ritual studies brings clarity to early Philippian women's reception of the letter Furthermore this ritual background helps modern readers visualize a more diverse community of Jesus followers in Philippi and provides a clearer picture of the struggles this nascent Jesus community was experiencing *Checkered Scissors* Douglas Schwartz, 2013-09-21 Four lost souls find themselves stuck in unlikely places a young entrepreneur a swimming pool salesman a collector and a mad scientist Their lives intertwine in an adventure extending between worlds In order to find where they would rather be they search for the one thing that might take them there *The Checkered Scissors* 52 *More Crafts for the Christian Year*, 2008 Crafts *Just in Time!
