The Power Of True Belief In A Time Of Crisis** Eric Metaxas,2012-12-24 America's Bonhoeffer moment is here There is a difference between real faith in God and mere religion There is a kind of religion that is lifeless and is the bitter enemy of true faith Think of Dietrich Bonhoeffer's prophetic attempts to waken the sleeping German church often unwitting allies of Hitler and the Third Reich Or of William Wilberforce's heroic efforts to rouse his complacent Christian countrymen to stand against the monstrous evil of the slave trade Bonhoeffer and Wilberforce stood against the evil of their times an evil often repackaged in religious sounding language Eric Metaxas's electrifying message delivered before the president and dozens of national leaders at the Sixtieth Annual National Prayer Breakfast calls readers to follow in the steps of Wilberforce and Bonhoeffer men who lived their faith and swam against the mainstream instead of drifting along with it Metaxas makes it clear that phony religiosity offends God himself and that real prayer is only possible with a living faith in a living God And that kind of faith can transform the world No pressure **Everything You Always Wanted to Know about God** Eric Metaxas,2010-10 We all have questions about Jesus but very few of us get the answers we're looking for if the answers even exist Do they Where in heaven's name do you go to find out New York Times bestselling author Eric Metaxas understands how hard it can be to get hard truths and that's why he is writing this hilarious entertaining guide to the most i **Screen Time** Lisa Guernsey,2012-03-20 As a mother Lisa Guernsey wondered about the influence of television on her two young daughters As a reporter she resolved to find out What she first encountered was tired advice sensationalized research claims and a rather draconian mandate from the American Academy of Pediatrics no TV at all before the age of two But like many parents she wanted straight answers and realistic advice so she kept digging she visited infant perception labs and child

development centers around the country She interviewed scores of parents psychologists cognitive scientists and media researchers as well as programming executives at Noggin Disney Nickelodeon Sesame Workshop and PBS Much of what she found flies in the face of conventional wisdom and led her to conclude that new parents will be best served by focusing on about educational media She examines how play and language development are affected by background and foreground television and how to choose videos that are age appropriate She explains how to avoid the hype of brain stimulation and focus instead on social relationships and the building blocks of language and literacy Along the way Guernsey highlights independent research on shows ranging from Dora the Explorer to Dragon Tales and distills some surprising new findings in the field of child development IInto the Minds of Babes [God Made You Special / VeggieTales](#) Eric Metaxas,2011-09-13 Bob s red and round and he bounces cause he has no feet Madame Blueberry lives in a tree What makes her special She s as blue as can be What about those French Peas They speak with zee accent Tots will discover that it s okay to be different because God made you special and he loves you very much Through fun rhymes and humor and some help from those lovable Veggies little ones will realize that God makes everyone special *The Politically Incorrect Jesus* Joe Battaglia,2015-01-30 Jesus He is admired and ridiculed embraced and rejected If you want to provoke controversy and emotional discussion just mention His name Jesus was inclusive when He welcomed all the weary and burdened to come to Him and experience the love of His Father But He was not open minded when it came to the truth He stated that He was the truth And this flies in the face of current politically correct thought In Politically Incorrect Jesus Joe Battaglia exposes the intellectual dishonesty of political correctness and presents Jesus as the model for embracing a counter cultural faith which empowers us to be salt and light Be bold and stand firm in your faith when the culture demands you stand down
