Lyndon Johnson And The American Dream:

Lyndon Johnson and the American Dream Doris Kearns Goodwin, 2015-08-04 With a new foreword The New York Times bestselling biography of President Lyndon Johnson from the Pulitzer Prize winning author of *Team of Rivals* Featuring a 2018 foreword by the Pulitzer Prize winning political historian that celebrates a reappraisal of Lyndon Johnson's legacy five decades after his presidency from the vantage point of our current profoundly altered political culture and climate Doris Kearns Goodwin's extraordinary and insightful biography draws from meticulous research in addition to the author's time spent working at the White House from 1967 to 1969 After Johnson's term ended Goodwin remained his confidante and assisted in the preparation of his memoir In *Lyndon Johnson and the American Dream* she traces the 36th president's life from childhood to his early days in politics and from his leadership of the Senate to his presidency analyzing his dramatic years in the White House including both his historic domestic triumphs and his failures in Vietnam Drawing on personal anecdotes and candid conversation with Johnson Goodwin paints a rich and complicated portrait of one of our nation's most compelling politicians in the most penetrating fascinating political biography I have ever read The New York Times

Lyndon Johnson and the American Dream Doris Kearns Goodwin, 1976 The thirty sixth President's conversations with the author provide the basis for a study of his background his personal outlook and behavior his political career and the political system that fostered his rise **Lyndon Johnson and the American Dream** Doris Kearns Goodwin, 1987 Lyndon Johnson and the American Dream Doris Kearns Goodwin, 1977 The thirty sixth president's conversations with the author provide the basis for a study of his background his personal outlook and behavior his political career and the political system that fostered his rise Lyndon Johnson and the American Dream Doris Kearns, Doris Kearns Goodwin, 1976 Lyndon Johnson & the American Dream Doris Kearns, 1976 Summary of Doris Kearns Goodwin's Lyndon Johnson and the American Dream Everest Media, 2022-04-29T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 Lyndon Johnson's mother Rebekah was a dreamy young girl who had spent her afternoons reading poetry under the shade of the big trees in the gardens of their house She projected herself as a moral example to her son 2 Sam Johnson's mother Rebekah had the same experience as Lyndon's mother She was a cultured woman who lost her father when she was young and she married a small time farmer and trader She had to adjust to a completely different life 3 Johnson's mother Rebekah was extremely discontent with her life with Sam Johnson She felt alone and miserable and she constantly fought with him over how the household was managed 4 The Baines family code was very strict about sobriety and it was a guarantee of reliability and industry Sobriety was a promise of morality and economic success When Rebekah saw her husband drink she saw how badly it affected him and she cried a lot *Congressional Giants* J. Michael Martinez, 2020-05-26 The Congress of the United States operates in the shadow of the American presidency which can make the legislative branch appear less important than the executive in our constitutional system of government And yet Congress is a co equal branch of

government deriving its powers from Article I of the United States Constitution Love it or hate it the institution is a source of incredible power It behooves all Americans to learn more about Congress Although a single slender volume cannot provide information on all there is to know about Congress it can begin the journey In Congressional Giants political scientist J Michael Martinez explores the careers and achievements of 14 influential leaders of Congress men who either held formal positions within the chambers of Congress such as speaker of the House of Representatives or Senate majority leader or who served on important committees to determine how they shaped the course of American history

Planet Neptune and the Modern Us Presidents: Franklin Roosevelt to Barack Obama Suzanne Angioli, 2016-04-05 While studying the astrological birth charts of all the US presidents I discovered that those of the thirteen modern US presidents from Franklin Roosevelt to Barack Obama all had the natal Sun the planet most associated with ones basic identity making an aspect certain designated degrees between two planets to their natal Neptune This was surprising since I would have thought that politicians particularly those aspiring to the presidency would have an overwhelming emphasis on the Sun Mars aspect but not on the Sun Neptune aspect What I discovered in my research was that good politicians are not warriors Sun Mars per se who use the techniques of warfare to muscle their way through adversity Rather they are good actors Sun Neptune who are essentially chameleons Sun Neptune operating in the foggy Neptune realm of subtlety Neptune and seduction using their sensitivity Neptune and charm Neptune to serve their intuitive Neptune sides to try to achieve their goals It became apparent that a good politician is excellent at assuming different roles in order to fit a given political situation and move his agenda forward The Sun in aspect to Neptune is not unusual but there is no aggregate population that has 100 percent of its members with this aspect like the modern presidents I was intrigued with this occurrence and thus set out to research their individual biographies to see just how this aspect played out in their lives After all it seemed to be almost a prerequisite for being elected to the modern Oval Office

The American Paradox Patrick J. Gallo, 1999

The American Vice Presidency Jules Witcover, 2014-10-07 The American Vice Presidency is an all inclusive examination of the vice presidency throughout American history Acclaimed political journalist and author Jules Witcover chronicles each of the 47 vice presidents including their personal biographies and their achievements or lack thereof during their vice presidential tenures He explores how the roles and responsibilities were first subject to the whims of the presidents under whom they served but came in time to be expanded by enlightened chief executives and the initiatives of the vice presidents themselves Constitutionally assigned only to preside over the Senate as they stand by to fill a presidential vacancy early vice presidents were left to languish in irrelevance and ineffectiveness only in recent decades have vice presidents received or taken more power In particular Walter Mondale Al Gore Dick Cheney and Joe Biden have undertaken greater and more significant responsibilities Witcover reports the political maneuvering and manipulation that transformed the vice presidency from mere consolation prize to de facto assistant presidency The American Vice Presidency an insightful revealing look at this oft

dismissed office is a must have for lovers of behind the scenes political history *Kill Switch: The Rise of the Modern Senate and the Crippling of American Democracy* Adam Jentleson, 2021-01-12 With a new epilogue on filibuster battles under the Biden administration THE CASE FOR ENDING THE FILIBUSTER A truly excellent book blistering and persuasive Ezra Klein New York Times An insider's account of how politicians representing a radical white minority of Americans have used the world's greatest deliberative body to hijack our democracy Our democracy is under assault from homegrown authoritarians with most observers blaming Donald Trump and the Republican Party that submitted to him Yet as Adam Jentleson shows the problem not only goes back to the nineteenth century but is less about the presidency than it is about our nation's most venerated institution the United States Senate A revelatory history of minority rule in America as expressed through the Senate filibuster *Kill Switch* shows that white conservatives have long relied on the filibuster which is not featured in the Constitution and which as Jentleson demonstrates the Framers would have opposed to shut down attempts to create a multiracial democracy Featuring a new epilogue on filibuster battles under the Biden administration *Kill Switch* will remain an essential warning about the costs of empowering this nation's right wing minority Jentleson understands the inner workings of the institution down to the most granular details showing precisely how arcane procedural rules can be leveraged to dramatic effect Jennifer Szalai New York Times Careful and thorough and exacting Michael Tomasky New York Review of Books An excellent surprising new book Benjamin Wallace Wells The New Yorker Accidental Presidents Jared Cohen, 2020-01-28 This New York Times bestselling deep dive into the terms of eight former presidents is chock full of political hijinks and d j vu Vanity Fair and provides a fascinating look at the men who came to the office without being elected to it showing how each affected the nation and world The strength and prestige of the American presidency has waxed and waned since George Washington Eight men have succeeded to the presidency when the incumbent died in office In one way or another they vastly changed our history Only Theodore Roosevelt would have been elected in his own right Only TR Truman Coolidge and LBJ were re-elected John Tyler succeeded William Henry Harrison who died 30 days into his term He was kicked out of his party and became the first president threatened with impeachment Millard Fillmore succeeded esteemed General Zachary Taylor He immediately sacked the entire cabinet and delayed an inevitable Civil War by standing with Henry Clay's compromise of 1850 Andrew Johnson who succeeded our greatest president sided with remnants of the Confederacy in Reconstruction Chester Arthur the embodiment of the spoils system was so reviled as James Garfield's successor that he had to defend himself against plotting Garfield's assassination but he reformed the civil service Theodore Roosevelt broke up the trusts Calvin Coolidge silently cooled down the Harding scandals and preserved the White House for the Republican Herbert Hoover and the Great Depression Harry Truman surprised everybody when he succeeded the great FDR and proved an able and accomplished president Lyndon B Johnson was named to deliver Texas electorally He led the nation forward on Civil Rights but failed on Vietnam *Accidental Presidents* shows that history unfolds in death as well as in

life The Wall Street Journal and adds immeasurably to our understanding of the power and limits of the American presidency in critical times **Lyndon B. Johnson** Charles Peters, 2010-06-08 The towering figure who sought to transform America into a Great Society but whose ambitions and presidency collapsed in the tragedy of the Vietnam War Few figures in American history are as compelling and complex as Lyndon Baines Johnson who established himself as the master of the U S Senate in the 1950s and succeeded John F Kennedy in the White House after Kennedy s assassination on November 22 1963 Charles Peters a keen observer of Washington politics for more than five decades tells the story of Johnson s presidency as the tale of an immensely talented politician driven by ambition and desire As part of the Kennedy Johnson administration from 1961 to 1968 Peters knew key players including Johnson s aides giving him inside knowledge of the legislative wizardry that led to historic triumphs like the Voting Rights Act and the personal insecurities that led to the tragedy of Vietnam Peters s experiences have given him unique insight into the poisonous rivalry between Johnson and Robert F Kennedy showing how their misunderstanding of each other exacerbated Johnson s self doubt and led him into the morass of Vietnam which crippled his presidency and finally drove this larger than life man from the office that was his lifelong ambition **Lyndon**

Johnson Confronts the World Warren I. Cohen, Nancy Bernkopf Tucker, 1994 A comprehensive review of the foreign policy of the Lyndon Johnson era demonstrates U S concern not only with the Soviet Union Europe and nuclear weapons issues but the overwhelming preoccupation with Vietnam that shaped policy throughout the world **Guns or Butter : The**

Presidency of Lyndon Johnson Los Angeles (Emeritus) Irving Bernstein Professor of Political Science University of California, 1996-01-11 The presidency of Lyndon Johnson was a pivotal moment in twentieth century American history From the decisive social programs of the Great Society to the triumph of the Civil and Voting Rights Acts to the catastrophe of the Vietnam War and domestic unrest it was an era of dramatic accomplishment and wrenching tragedy In Guns or Butter renowned historian Irving Bernstein brings those five climactic years of the sixties vividly to life from the moment Lee Harvey Oswald aimed a rifle from the window of the Texas School Depository to the tense ballot counting that put Richard Nixon in the White House in 1968 Bernstein s book is a narrative masterpiece filled with sharply drawn character sketches and swiftly moving accounts of events that range from deals cut in the Senate cloakroom to police charging after protesters on the streets of Selma to Vietcong commandos bursting into the American embassy in Saigon We see Johnson ordering aides Bill Moyers and Richard Goodwin to strip and join him for a skinny dip in the White House pool where they formulate the Great Society And we see a tired distracted president pacing in his bathrobe around a table model of the besieged Khe Sanh garrison examining aerial photographs and casualty reports Equally important Bernstein offers a deft assessment of Johnson s successes and failures from his legislative programs to his futile pursuit of the war in Vietnam to his failure to boost Hubert Humphrey s presidential campaign in 1968 The author not only retells the maneuvering that brought the president s plans into law he also analyzes and explains their impact from the Voting Rights Act to Medicare The Great Society Bernstein

concludes was a triumph but Johnson's attempt to have both guns and butter to pursue massive domestic initiatives together with a bitter undeclared war led to runaway inflation that ultimately undermined his presidency. From the dark moments after Kennedy's assassination in 1963 to the heady days of legislative victories of 1965 to the bloody crescendo of riots, assassinations and military battles in 1968, Johnson's administration was a defining moment in modern American history. In *Guns or Butter*, Irving Bernstein brilliantly captures both the events and the meaning of those momentous years. Aside from its historical value, this book has major current significance. The legislative program Newt Gingrich and his Republican colleagues introduced in 1995 was designed to repeal the Great Society. Before doing so, members of Congress and the interested public should understand Lyndon Johnson's vision and the legislation that was enacted during the sixties. *Guns or Butter* provides that critical information.

Lyndon Johnson Remembered Thomas W. Cowger, Sherwin Markman, 2003. In *Lyndon Johnson Remembered: An Intimate Portrait of a Presidency*, Thomas W. Cowger and Sherwin J. Markman bring together essays by Johnson administration insiders reflecting on his personality, domestic agenda and legacy.

President Lyndon Johnson and Soviet Communism John Dumbrell, 2024-06-04. This major new study fills a significant gap in the academic literature on the Cold War by considering President Lyndon Johnson's policy towards the Soviet Union. The author examines the attitudes of Johnson and his leading advisers toward the Soviet leadership, taking into account the effects of Moscow's growing splits with Beijing, the impact on US-Soviet relations of nuclear issues, the Vietnam War and clashes over Cuba, the Middle East and Eastern Europe. The author's research is based on detailed scrutiny of archives in Britain and the United States as well as recently published document collections. His study also examines the President's personal leadership qualities, his mistakes in Vietnam and his success as a peacemaker with Moscow. The book constitutes a major contribution to literature on President Johnson's foreign policy beyond Vietnam. The book will be of interest to students of the Cold War, the Johnson Presidency and of US foreign relations.

The Foreign Policies of Lyndon Johnson H. W. Brands, 1999. *The Foreign Policies of Lyndon Johnson* *Lbj's Texas White House* Hal Rothman, 2001. It is a story of the relationship between power and place in American culture.

BOOK JACKET

The Top Books of the Year Lyndon Johnson And The American Dream The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Lyndon Johnson And The American Dream : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Lyndon Johnson And The American Dream : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
