

in Lyndon Baines Johnson (1908-1973) was born in a farmhouse near Stonewall, Texas. His grandfather and father both served in the Texas legislature. An old story says that his grandfather, on the day the boy was born, declared, "He'll be a United States senator someday." The young Johnson attended high school in Johnson City, named for his family, and graduated at 15. After working on a road-building crew, he worked his way to California doing odd jobs as an elevator operator, a car washer, and a handyman in a café.

is Returning home, he went back to his road-building jobs, but by this time, he later said, "it became increasingly apparent to me that there was something in this idea of higher education." He worked his way

through Southwest State Teachers College and graduated in 1930. After teaching public speaking and debate in a Houston high school, he became secretary to Representative Richard M. Kleberg of Texas. This was Johnson's introduction to national politics.

is It was during this period that he met Claudia Taylor, who was usually called Lady Bird. It was a name given to her by her family's cook and one which she had tried to shake off. After a six-week whirlwind courtship, she and the young congressional secretary were married in November, 1934. Since her nickname gave her the same initials as her new husband, she was never called anything else, even in official biographies.

is In Washington, Lyndon Johnson came to the attention of President Roosevelt, who appointed him Texas director of the National Youth Administration. After two years in the job, Johnson resigned to run for Congress. He defeated nine other candidates in 1937 and served in the House of Representatives for 12 years. Three days after war was declared in 1941, he became the first member of Congress to enter active duty. Serving as a lieutenant-colonel in the Navy, he won the Silver Star for gallantry in action on a flight over enemy positions in New Guinea.

is In 1948 Johnson was elected to the Senate by a margin of 87 votes in a contest in which almost 500,000 ballots were cast. He jokingly referred to himself at the time as "Landslide Lyndon." But in 1954, running again for the same office, he was re-elected by an overwhelming majority. By 1952, at age 44, Johnson had become the youngest majority leader of the U.S. Senate in history.

is After campaigning against John F. Kennedy in 1960 for the Democratic presidential nomination, Johnson, to the surprise of his supporters, accepted the nomination for vice-president. In that office, he had a close working relationship with the President, who had a very different character and background than his. He was given a large share of the responsibilities for the space program and also for race relations in industry. Under his persuasion, nearly fifty major companies agreed to reject racial barriers in their personnel policies. The Vice-President also traveled throughout the world as the President's personal envoy to foreign heads of state.

Lyndon Baines Johnson A See And Read Biography:

Lyndon Johnson and the American Dream Doris Kearns Goodwin, 2015-08-04 With a new foreword The New York Times bestselling biography of President Lyndon Johnson from the Pulitzer Prize winning author of *Team of Rivals* Featuring a 2018 foreword by the Pulitzer Prize winning political historian that celebrates a reappraisal of Lyndon Johnson's legacy five decades after his presidency from the vantage point of our current profoundly altered political culture and climate Doris Kearns Goodwin's extraordinary and insightful biography draws from meticulous research in addition to the author's time spent working at the White House from 1967 to 1969 After Johnson's term ended Goodwin remained his confidante and assisted in the preparation of his memoir In *Lyndon Johnson and the American Dream* she traces the 36th president's life from childhood to his early days in politics and from his leadership of the Senate to his presidency analyzing his dramatic years in the White House including both his historic domestic triumphs and his failures in Vietnam Drawing on personal anecdotes and candid conversation with Johnson Goodwin paints a rich and complicated portrait of one of our nation's most compelling politicians in the most penetrating fascinating political biography I have ever read The New York Times *The Path to Power* Robert A. Caro, 2011-11-23 The *Years of Lyndon Johnson* is the political biography of our time No president no era of American politics has been so intensively and sharply examined at a time when so many prime witnesses to hitherto untold or misinterpreted facets of a life a career and a period of history could still be persuaded to speak The *Path to Power* Book One reveals in extraordinary detail the genesis of the almost superhuman drive energy and urge to power that set LBJ apart Chronicling the startling early emergence of Johnson's political genius it follows him from his Texas boyhood through the years of the Depression in the Texas hill Country to the triumph of his congressional debut in New Deal Washington to his heartbreaking defeat in his first race for the Senate and his attainment nonetheless of the national power for which he hungered We see in him from earliest childhood a fierce unquenchable necessity to be first to win to dominate coupled with a limitless capacity for hard unceasing labor in the service of his own ambition Caro shows us the big gangling awkward young Lyndon raised in one of the country's most desperately poor and isolated areas his education mediocre at best his pride stung by his father's slide into failure and financial ruin lunging for success moving inexorably toward that ultimate impossible goal that he sets for himself years before any friend or enemy suspects what it may be We watch him while still at college instinctively and ruthlessly creating the beginnings of the political machine that was to serve him for three decades We see him employing his extraordinary ability to mesmerize and manipulate powerful older men to mesmerize and sometimes almost enslave useful subordinates We see him carrying out before his thirtieth year his first great political inspiration tapping and becoming the political conduit for the money and influence of the new oil men and contractors who were to grow with him to immense power We follow close up the radical fluctuations of his relationships with the formidable Mr Sam Raybum who loved him like a son and whom he betrayed and with FDR himself And we follow the dramas of his emotional life

the intensities and complications of his relationships with his family his contemporaries his girls his wooing and winning of the shy Lady Bird his secret love affair over many years with the mistress of one of his most ardent and generous supporters Johnson driving his people to the point of exhausted tears equally merciless with himself Johnson bullying cajoling lying yet inspiring an amazing loyalty Johnson maneuvering to dethrone the unassailable old Jack Garner then Vice President of the United States as the New Deal's connection in Texas and seize the power himself Johnson raging Johnson hugging Johnson bringing light and indeed life to the worn Hill Country farmers and their old at thirty wives via the district's first electric lines We see him at once unscrupulous admirable treacherous devoted And we see the country that bred him the harshness and nauseating loneliness of the rural life the tragic panorama of the Depression the sudden glow of hope at the dawn of the Age of Roosevelt And always in the foreground on the move LBJ Here is Lyndon Johnson his Texas his Washington his America in a book that brings us as close as we have ever been to a true perception of political genius and the American political process

Freeman,David L. Smith,2019-10-14 The essays in this volume seek to analyze biographical films as representations of historical individuals and the times in which they lived To do this contributors examine the context in which certain biographical films were made including the state of knowledge about their subjects at that moment and what these films reveal about the values and purposes of those who created them This is an original approach to biographical as opposed to historical films and one that has so far played little part in the growing literature on historical films The films discussed here date from the 1920s to the 2010s and deal with males and females in periods ranging from the Middle Ages to the end of the twentieth century In the process the book discusses how biographical films reflect changing attitudes towards issues such as race gender and sexuality and examines the influence of these films on popular perceptions of the past The introduction analyses the nature of biographical films as a genre it compares and contrasts the nature of biography on film with written biographies and considers their relationship with the discipline of history As the first collection of essays on this popular but understudied genre this book will be of interest to historians as well as those in film and cultural studies **The Real**

Making of the President W. J. Rorabaugh,2009-03-05 When John Kennedy won the presidency in 1960 he also won the right to put his own spin on the victory whether as an underdog s heroic triumph or a liberal crusader s overcoming special interests Now W J Rorabaugh cuts through the mythology of this famous election to explain the nuts and bolts operations of the campaign and offer a corrective to Theodore White s flawed classic The Making of the President War hero champion of labor and Pulitzer Prize winning author JFK was long on charisma Despite a less than liberal record he assumed the image of liberal hero thanks to White and other journalists who were shamelessly manipulated by the Kennedy campaign Rorabaugh instead paints JFK as the ideological twin of Nixon and his equal as a bare knuckled politician showing that Kennedy s hard won razor thin victory was attributable less to charisma than to an enormous amount of money an effective campaign organization and television image making The 1960 election Rorabaugh argues reflects the transition from the dominance of

old style boss and convention politics to the growing significance of primaries race and especially TV without which Kennedy would have been neither nominated nor elected He recounts how JFK cultivated delegates to the 1960 Democratic convention quietly wooed the still important party bosses and used a large personal organization polls and TV advertising to win primaries JFK s master stroke however was choosing as a running mate Lyndon Johnson whose campaigning in the South carried enough southern states to win the election On the other side Rorabaugh draws on Nixon s often ignored files to take a close look at his dysfunctional campaign which reflected the oddities of a dark and brooding candidate trapped into defending the Eisenhower administration Yet the widely detested Nixon won almost as many votes as the charismatic Kennedy even though Democrats outnumbered Republicans by three to two This leads Rorabaugh to reexamine the darker side of the election the Republicans charges of vote fraud in Illinois and Texas the use of money to prod or intimidate manipulation of the media and the bulldozing of opponents White and others helped shape persisting impressions of both candidates influencing the way Nixon conducted subsequent campaigns and the Democrats nurtured the Kennedy legacy The Real Making of the President gives us a more sobering look at all of that fundamentally reshaping our understanding of one of the nation s most memorable elections Encyclopedia of the Kennedys Joseph M. Siracusa, 2012-09-07 An expansive reference that overviews John F Kennedy s presidency covering the people places and events that comprised the political landscape of the Kennedy era The Kennedy family has played a leading role in the annals of American politics for over 100 years no greater than when John F Kennedy JFK became the 35th president of the United States The celebrity surrounding the circumstances of his presidency particularly his sudden assassination made JFK the object of many enduring myths that he might have been one of the country s greatest leaders had he lived that he would have kept the United States out of Vietnam and that he was a martyr to right wing assassins Encyclopedia of the Kennedys The People and Events That Shaped America is a three volume reference set that provides an in depth look at JFK s presidency including his foreign and domestic policies political allies and enemies and major events and speeches This A Z encyclopedia also contains entries on the events of the 1960s that changed our nation forever such as JFK s assassination and the Warren Commission report the space program and the My Lai Massacre as well as the individuals who defined the time such as writers Norman Mailer and James Baldwin folk musicians Bob Dylan and Joan Baez and activists Cesar Chavez and Martin Luther King Jr Appendices provide a substantial archive of primary documents and identify officeholders during JFK s presidency while an annotated bibliography supplies sources for additional research *National Arts and Humanities Foundations* United States.
