Political Writings Jean-François Lyotard, 1993

Hegel and the History of Political Philosophy Gary Browning, 1999-02-26 This book relates Hegel to preceding and succeeding political philosophers The Hegelian notion of the interdependence of political philosophy and its history is demonstrated by the links established between Hegel and his predecessors and successors Hegel's political theory is illuminated by essays showing its critical assimilation of Plato and Hobbes and by studies reviewing subsequent critiques of its standpoint by Stirner Marx and Collingwood The relevance of Hegel to contemporary political philosophy is highlighted in essays which compare Hegel to Lyotard and Rawls

Margins of Political Discourse Fred Reinhard Dallmayr, 1989-01-01 Margins of political discourse are those border zones where paradigms intersect and where issues of order and disorder meaning and

non meaning must be continually renegotiated Our age is marked by multiple dislocations by political as well as philosophical paradigm shifts Politically a Europe centered world order has given way to a decentered arena of global power struggles Philosophically traditional metaphysics itself a European legacy is making room for diverse modes of anti foundationalism In this situation philosophy and political theory are bound to be decentered themselves occupying a peculiar border zone in which traditional boundaries are blurred without being erased This is the locus of Dallmayr s book Located at the intersection of Continental and Anglo American thought as well as at the border of philosophy and politics Margins of Political Discourse explores the zone between polis and cosmopolis between modernity and postmodernity between reason and contingency between immanence and transcendence **Wittgenstein and Political Theory** Christopher C

Robinson,2011-03-24 This book newly available in paperback relates Wittgenstein s philosophy to a range of problems and trends in contemporary political theory Comparative Political Culture in the Age of Globalization Hwa Yol

Jung,2002-01-01 With its specific focus on Asia this anthology constitutes an excursion into the realm of transversality or the state of postethnicity which the book argues has come to characterize the global culture of our times Hwa Yol Jung brings together prominent contemporary thinkers including Thich Nhat Hanh Edward Said and Judith Butler to address this fundamental and important aspect of comparative political theory The book is divided into three parts Part One demythologizes Eurocentrism deconstructing the privilege of modern Europe as the world s cultural scientific religious and moral capital Part Two traces the rise of Asian thought and the process of East West cultural hybridization while Part Three introduces the concept of the global citizen Jung s anthology reveals a postmodern multiculturalism whose new philosophical matrix transgresses the existing cultural and intellectual typology to offer new understanding of today s pluralistic world
