Lyrical Tales, by Mrs. Mary Robinson Mrs. Mary Darby Robinson, 1800 **Re-Visioning Romanticism** Carol Shiner Wilson, 2017-01-30 No detailed description available for Re Visioning Romanticism **The Works of Mary Robinson, Part I Vol 2** William D Brewer, Daniel Robinson, Sharon M Setzer, Orianne Smith, 2020-03-24 Regularly the subject of cartoonists and satirical novelists Mary Robinson achieved public notoriety as the mistress of the young Prince of Wales George IV Her association with figures such as William Godwin and Mary Wollstonecraft and comparisons with Charlotte Smith make her a serious figure for scholarly research **Peru and Peruvian Tales** Helen Maria Williams, 2014-12-08 Helen Maria Williams's epic poem *Peru* first published in 1784 movingly recounts the story of Francisco Pizarro's brutal conquest and exploitation of the Incas and their subsequent revolt against Spain Like William Wordsworth who revised *The Prelude* over the course of his life Williams revisited her epic several times within almost four decades transforming it with each revision It began as an ambitious poetic blueprint for revolution in terms of politics gender religion and genre By the time it appeared in 1823 under the title *Peruvian Tales* in her last poetry collection Williams's voice had become more moderate more restrained in her words her muse had become timid reflecting the cultural shift that had taken place in England since the poem's earliest publication This edition includes both versions of the poem along with extensive examples of Williams's literary sources other poetic works and the many and varied critical responses from contemporary reviewers The Works of Mary Robinson, Part I William D Brewer, 2022-08-12 Regularly the subject of cartoonists and satirical novelists Mary Robinson achieved public notoriety as the mistress of the young Prince of Wales George IV Her association with figures such as William Godwin and Mary Wollstonecraft and comparisons with Charlotte Smith make her a serious figure for scholarly research Mary Robinson and the Genesis of Romanticism Ashley Cross, 2016-08-19 First coming to prominence as an actress and scandalous celebrity Mary Robinson created an identity for herself as a Romantic poet and novelist in the 1790s Through a series of literary dialogues with established writers Robinson put herself at the center of Romantic literary culture as observer participant and creator Cross argues that Robinson's dialogues shaped the nature of Romantic writing both in content and form and influenced second generation Romantics These dialogues further establish the idea of Romantic discourse as essentially interactive and conversational not the work of original geniuses working in isolation and positions Robinson as a central player in its genesis *In the company of wolves* Sam George, Bill Hughes, 2020-02-05 This volume of essays presents innovative research from a variety of perspectives on the cultural significance of wolves children raised by wolves and werewolves as portrayed in different media and genres A Biocultural Approach to Literary Theory and Interpretation Nancy Easterlin, 2012-05-31 Combining cognitive and evolutionary research with traditional humanist methods Nancy Easterlin demonstrates how a biocultural perspective in theory and criticism opens up new possibilities for literary

interpretation Easterlin maintains that the practice of literary interpretation is still of central intellectual and social value Taking an open yet judicious approach she argues however that literary interpretation stands to gain dramatically from a fair minded and creative application of cognitive and evolutionary research This work does just that expounding a biocultural method that charts a middle course between overly reductive approaches to literature and traditionalists who see the sciences as a threat to the humanities Easterlin develops her biocultural method by comparing it to four major subfields within literary studies new historicism ecocriticism cognitive approaches and evolutionary approaches After a thorough review of each subfield she reconsiders them in light of relevant research in cognitive and evolutionary psychology and provides a textual analysis of literary works from the romantic era to the present including William Wordsworth s Simon Lee and the Lucy poems Mary Robinson s Old Barnard Samuel Taylor Coleridge s Dejection An Ode D H Lawrence s The Fox Jean Rhys s Wide Sargasso Sea and Raymond Carver s I Could See the Smallest Things A Biocultural Approach to Literary Theory and Interpretation offers a fresh and reasoned approach to literary studies that at once preserves the central importance that interpretation plays in the humanities and embraces the exciting developments of the cognitive sciences *Romantic Periodicals and Print Culture* Kim Wheatley,2004-11-23 Building on a revival of scholarly interest in the cultural effects of early 19th century periodicals the essays in this collection treat periodical writing as intrinsically worthy of attention not a mere backdrop to the emergence of British Romanticism but a site in which Romantic ideals were challenged modified and developed Contributors to the volume discuss a range of different periodicals from the elite Quarterly and Edinburgh Reviews through William Cobbett s populist weekly newspaper Two Penny Trash to the miscellaneous monthly magazines typified by Blackwood s While some contributors to the volume approach the phenomenon of Romanticism within periodical culture from a more materialist standpoint than others several elaborate upon recent intersections between Romantic studies and gender studies **Radical Wordsworth** Jonathan Bate,2020-04-14 On the 250th anniversary of Wordsworth s birth comes a highly imaginative and vivid portrait of a revolutionary poet who embodied the spirit of his age Published in time for the 250th anniversary of William Wordsworth s birth this is the biography of a great poetic genius a revolutionary who changed the world Wordsworth rejoiced in the French Revolution and played a central role in the cultural upheaval that we call the Romantic Revolution He and his fellow Romantics changed forever the way we think about childhood the sense of the self our connection to the natural environment and the purpose of poetry But his was also a revolutionary life in the old sense of the word insofar as his art was of memory the return of the past the circling back to childhood and youth This beautifully written biography is purposefully fragmentary momentary and selective opening up what Wordsworth called the hiding places of my power **The Works of Mary Robinson, Part I Vol 1** William D Brewer,Daniel Robinson,Sharon M Setzer,Orianne Smith,2020-03-23 Regularly the subject of cartoonists and satirical novelists Mary Robinson achieved public notoriety as the mistress of the young Prince of Wales George IV Her association with figures such as William Godwin and

Mary Wollstonecraft and comparisons with Charlotte Smith make her a serious figure for scholarly research *The Oxford Handbook of William Wordsworth* Richard Gravil, Daniel Robinson, 2015-01-22 The Oxford Handbook of William Wordsworth deploys its forty seven original essays to present a stimulating account of Wordsworth's life and achievement and to map new directions in criticism In addition to twenty two essays wholly on Wordsworth's poetry other essays return to the poetry while exploring other dimensions of the life and work of the major Romantic poet The result is a dialogic exploration of many major texts and problems in Wordsworth scholarship This uniquely comprehensive handbook is structured so as to present in turn Wordsworth's life career and networks aspects of the major lyrical and narrative poetry components of The Recluse his poetical inheritance and his transformation of poetics the variety of intellectual influences upon his work from classical republican thought to modern science his shaping of modern culture in such fields as gender landscape psychology ethics politics religion and ecology and his 19th and 20th century reception most importantly by poets but also in modern criticism and scholarship *Wordsworth's Poetic Collections, Supplementary Writing and Parodic Reception* Brian R Bates, 2015-10-06 Wordsworth's process of revision his organization of poetic volumes and his supplementary writings are often seen as distinct from his poetic composition Bates asserts that an analysis of these supplementary writings and paratexts are necessary to a full understanding of Wordsworth's poetry **Women, Nationalism, and the Romantic Stage** Betsy Bolton, 2001-04-19 This 2001 book examines how Romantic women performers and playwrights used theatrical conventions to intervene in politics **Vagrant Figures** Sal Nicolazzo, 2021-01-05 How vagrancy as legal and imaginative category shaped the role of policing in colonialism racial formation and resource distribution In this innovative book demonstrating the important role of eighteenth century literary treatments of policing and vagrancy Nicolazzo offers a prehistory of police legitimacy in a period that predates the establishment of the modern police force She argues that narrative textual and rhetorical practices shaped not only police and legal activity of the period but also public conceptions of police power Her extensive research delves into law and literature on both sides of the Atlantic tracking the centrality of vagrancy in establishing police power as a form of sovereignty crucial to settler colonialism slavery and racial capitalism The first book in several generations to address policing and vagrancy in the eighteenth century and the first in the field to center race and empire in its account of literary vagrancy Nicolazzo's work is a significant contribution to the field of eighteenth century literary and cultural studies **The Poetry of Mary Robinson** D. Robinson, 2011-03-28 Once celebrated as the English Sappho Mary Robinson was a major figure in British Romanticism This volume offers comprehensive study of Robinson's achievement as a poet a professional writer a formative influence on the Romantic movement and a participant in the literary political and social scene of the late 1700s Poetic Form and Romantic Provocation Carmen Faye Mathes, 2022-06-28 Critics have long understood the development of Romantic aesthetics as a turning point in the history of literary theory a turn that is responsible for theories of mind and body that continue to inform our understandings of

subjectivity and embodiment today Yet the question of what aesthetic experience can do grates against the fact that much Romantic writing represents subjects as not actually in charge of the feelings they feel the dreams they dream or the actions they take In response to this dilemma Poetic Form and Romantic Provocation argues that being moved contrary to one's will is itself an aesthetic phenomenon explored by Romantic poets whose experiments with poetic form and genre provoke unanticipated feelings through verse By analyzing how Romantic poets intervene affectively and aesthetically in readerly expectations of form and genre Mathes shows how provocations disrupt and invite disturb and compel interrupting or suspending or retreating in ways that ask readers to orient themselves materially and socially in relation to literary experiences that are at once virtual and embodied Examining the formal tactics of Charlotte Smith William Wordsworth Samuel Taylor Coleridge John Keats and Percy Bysshe Shelley alongside their reactions to historical events such as Toussaint Louverture's revolt and the Peterloo Massacre Mathes reveals that an aesthetics of radical openness is central to the development of literary theory and criticism in Romantic Britain
