Guardian Angel From Heaven So Bright
Watching beside me to lead me aright
Fold thy wings round me O guard me with love
Softly sing songs to me Of heav'n above

Chorus

Beautiful angel My guardian so mild
Tenderly guide me For I am thy Child
Beautiful angel My guardian so mild
Tenderly guide me For I am thy Child

Angel so holy Whom God sends to me
Sinful and lowly My guardian to be
Wilt thou not cherish The child of thy care?
Let me not perish My trust is thy pray'r

Oh may I never forget thou art near
Keep thou me ever in love and in fear
Waking and sleeping In labor and rest
In thy sweet keeping My life shall be blest

African Americans and the Bible Vincent L. Wimbush, 2012-09-01 Perhaps no other group of people has been as much formed by biblical texts and tropes as African Americans From literature and the arts to popular culture and everyday life the Bible courses through black society and culture like blood through veins Despite the enormous recent interest in African American religion relatively little attention has been paid to the diversity of ways in which African Americans have utilized the Bible *African Americans and the Bible* is the fruit of a four year collaborative research project directed by Vincent L Wimbush and funded by the Lilly Endowment It brings together scholars and experts sixty eight in all from a wide range of academic and artistic fields and disciplines including ethnography cultural history and biblical studies as well as art music film dance drama and literature The focus is on the interaction between the people known as African Americans and that complex of visions rhetorics and ideologies known as the Bible As such the book is less about the meanings of the Bible than about the Bible and meanings less about the worlds of the Bible than about how worlds and the Bible interact in short about how a text constructs a people and a people constructs a text It is about a particular sociocultural formation but also about the dynamics that obtain in the interrelation between any group of people and sacred texts in general Thus *African Americans and the Bible* provides an exemplum of sociocultural formation and a critical lens through which the process of sociocultural formation can be viewed The Mirror of Death Kristof K. P. Vanhoutte, 2024-04-01 How porous is the border

between life and death How do the dead influence the living and in what way What can Heaven Hell Purgatory and the two Limbos tell us of our contemporary world today In *The Mirror of Death* Kristof K P Vanhoutte explores the hermeneutical potential of the regions in the hereafter After an exciting voyage through the emergence of the afterlife and of the constancy of death s presence in the history of humanity Vanhoutte shows through the study of the nature and genealogy of the various realms in the beyond how an invigoratingly new and critical perspective of a wide variety of contemporary phenomena is unveiled when reading them through the interpretative lens of these regions where the dead dwell Modern politics our fellow human beings the times of our lives the capitalistic economic system medicalization wokism and living in crisis will never look the same

Heaven's Lessons Steve Sjogren, 2013-02-18 If you d asked me who God is on December 9 the year of my accident I would have been able to give you a fairly cohesive but theoretical answer A day later all of that changed A simple surgery went horribly wrong Steve Sjogren died on the operating table He encountered a heavenly world where he felt infinite peace And then he had to come back back to a physical reality filled with pain and disability and an endless line of tests The drama of dying suddenly paled in comparison to the trauma of living Sjogren could not face this new existence with his same old comfortable understanding of

God I had minimized God Sjogren says Somehow over time he had become fairly predictable like he could be outlined fully grasped and contained in a neat set of mere ideas Now I saw that he apparently wasn't all that impressed with my cool little notebooks One day in heaven followed by hundreds in agony forged a deeper and stronger faith than Sjogren could have crafted on his own In Heaven's Lessons Sjogren shares his experiences and the life changing ways they have affected his perspective on success suffering and the mysteries of God Watch the trailer here <http://www.youtube.com/watch?v=5l4jugXqiBU>
