*The German Patient* Jennifer M. Kapczynski, 2010-02-11 The *German Patient* takes an original look at fascist constructions of health and illness arguing that the idea of a healthy national body propagated by the Nazis as justification for the brutal elimination of various unwanted populations continued to shape post 1945 discussions about the state of national culture Through an examination of literature film and popular media of the era Jennifer M Kapczynski demonstrates the ways in which postwar German thinkers inverted the illness metaphor portraying fascism as a national malady and the nation as a body struggling to recover Yet in working to heal the German

wounds of war and restore national vigor through the excising of sick elements artists and writers often betrayed a troubling affinity for the very biopolitical rhetoric they were struggling against Through its exploration of the discourse of collective illness *The German Patient* tells a larger story about ideological continuities in pre and post 1945 German culture Jennifer M Kapczynski is Assistant Professor of Germanic Languages and Literatures at Washington University in St Louis She is the coeditor of the anthology *A New History of German Cinema* Cover art *From The Murderers Are Among Us* 1946 Reprinted courtesy of the Deutsche Kinemathek A highly evocative work of meticulous scholarship Kapczynski s deftly argued *German Patient* advances the current revaluation of Germany s postwar reconstruction in wholly original and even exciting ways its insights into discussions of collective sickness and health resonate well beyond postwar Germany Jaimey Fischer University of California Davis *The German Patient* provides an important historical backdrop and a richly specific cultural context for thinking about German guilt and responsibility after Hitler An eminently readable and engaging text Johannes von Moltke University of Michigan This is a polished eloquently written and highly informative study speaking to the most pressing debates in contemporary Germany *The German Patient* will be essential reading for anyone interested in mass death genocide and memory Paul Lerner University of Southern California      **Short People** Joshua Furst, 2007-12-18 James Michener Fellowship winner Joshua Furst s widely acclaimed debut collection explores the perils and paradoxes of childhood in ten harrowing moving and surprising stories offering a rare and unsentimental depiction of the lives of American youth In *The Age of Exploration* two boys experience the world so differently Billy through science Jason with fantastical powers of imagination that they sense their lives will stray irrevocably away from each other In *Red Lobster* which won the Nelson Algren Award a gaggle of children try to please the father who has rounded them up from their various homes to take them to a fateful dinner And in the collection s climactic story *Failure to Thrive* a maternity ward nurse takes compassion too far Emotionally astute brilliantly written these stories mark the arrival of a powerful new voice in American literature
