## **Ma And Pa Kettle Back On The Farm:**

Ma and Pa Kettle Have a Baby Jack Henley, 1951      *Movie Westerns* John Howard Reid, 2005-12 No less than 150 classic western movies are surveyed ranging from super productions like *The Big Country* *Destry Rides Again* *The Mark of Zorro* *Red River* *The Searchers* *The Spoilers* and *Unconquered* to the output of such popular B western film stars as Gene Autry Roy Rogers Randolph Scott William Boyd Johnny Mack Brown Tim Holt and Wayne Morris Plus a big tip of the sombrero to Charles Starrett and John Wayne      **Marjorie Main** Michelle Vogel, 2015-06-08 She was a slum mother witty housekeeper nosy neighbor meddling maid town gossip and most memorably Ma Kettle Marjorie Main is best remembered for her portrayal of the farm mother of 15 children and wife of shiftless Pa Kettle The characters were introduced in the 1945 film *The Egg and I* and were such a hit that eight films followed At an age when most actresses careers are waning Main's star was just beginning to rise In real life Main was as down to earth as characters she played Her attire on the set and around her house were the same a simple cotton house dress or jeans She preferred riding the bus because she enjoyed interacting with regular people the inspiration for her characters This book chronicles Main's childhood on an Indiana farm and the inspirations that led her to the stage After a distinguished theater career and minor film roles at age 50 she was offered a long term contract with premier studio MGM Details of her acting career and personal life covered here include her marriage to a scholarly widower 26 years her senior and her work with actor Percy Kilbride who was the antithesis of his character the slothful Pa Kettle A detailed filmography includes cast and credit lists and trivia about each of Main's 85 films      *Keep Watching the Skies!* Bill Warren, 2017-01-12 Bill Warren's *Keep Watching the Skies* was originally published in two volumes in 1982 and 1986 It was then greatly expanded in what we called the 21st Century Edition with new entries on several films and revisions and expansions of the commentary on every film In addition to a detailed plot synopsis full cast and credit listings and an overview of the critical reception of each film Warren delivers richly informative assessments of the films and a wealth of insights and anecdotes about their making The book contains 273 photographs many rare 35 in color has seven useful appendices and concludes with an enormous index This book is also available in hardcover format ISBN 978 0 7864 4230 0      **Ain't That a Knee-Slapper** Tim Hollis, 2010-07-27 There was a time when rural comedians drew most of their humor from tales of farmers daughters hogs hens and hill country high jinks Lum and Abner and Ma and Pa Kettle might not have toured happily under the Redneck marquee but they were its precursors In *Ain't That a Knee Slapper Rural Comedy in the Twentieth Century* author Tim Hollis traces the evolution of this classic American form of humor in the mass media beginning with the golden age of radio when such comedians as Bob Burns Judy Canova and Lum and Abner kept listeners laughing The book then moves into the motion pictures of the 1930s 1940s and 1950s when the established radio stars enjoyed second careers on the silver screen and were joined by live action renditions of the comic strip characters Li'l Abner and Snuffy Smith along with the much loved Ma and Pa Kettle series of films Hollis explores such rural sitcoms as *The Real*

McCoys in the late 1950s and from the 1960s The Andy Griffith Show The Beverly Hillbillies Green Acres Hee Haw and many others Along the way readers are taken on side trips into the world of animated cartoons and television commercials that succeeded through a distinctly rural sense of fun While rural comedy fell out of vogue and networks sacked shows in the early 1970s the emergence of such hits as The Dukes of Hazzard brought the genre whooping back to the mainstream Hollis concludes with a brief look at the current state of rural humor which manifests itself in a more suburban redneck brand of standup comedy

**Jud.Us, Too** Michael N. Raskin, 2005-07-20 Jud Userle a poor potato farmers son from northern Maine became the hapless victim of a war in which he never really participated Three decades of his life had been taken from him and in that time it is ironic that the only real freedom he experienced was a prisoner in northern Vietnam His eventual return to the United States lead only to greater confusion accusations and extreme medical intervention Twenty five years after all that strife he was a simple slave of the land lacking true human contact with the world until another seemingly negative event made a one hundred and eighty degree turn and brought him back to the land of the living But with this also came the question Why did all this happen in the first place There had to be some plot behind it all and it became the focus of his next few months to uncover just what it was or who it was that had chosen to make his life hell Luckily this time he would not be alone in that search But even those who allied with him were an unusual assortment from differing arenas of public affairs
