General George C. Kenney
**THE MACARTHUR
I KNOW**

When two men have joined forces in time of difficulty and defeat, and have together met danger, outlasted criticism, and pushed aside every human obstacle on the hard road back, they know each other. That adversity is the great revealer of character has never been more convincingly demonstrated than in this book, the intimate portrait of Douglas MacArthur by a man who shared defeat and victory with him from 1942 to 1945.

Today, when a raging dispute over MacArthur's dismissal consumes the nation, Americans want to know more about him than legend, propaganda, and journalistic sketches can satisfy.

To
Gen. Hugh Dwyer
With sincere regards
George C. Kenney

MacArthur's War Douglas Niles, Michael Dobson, 2008-07-01 Just as Fox on the Rhine and Fox at the Front showed readers an alternate Europe in which Hitler had been killed thereby radically changing the course of World War II Douglas Niles and Michael Dobson bring us the Battle of Midway with a very different outcome The Allies are wildly out maneuvered and sent home in disgrace Back in the States things are looking rather grim as the ultra secret Manhattan Project runs into snafus that greatly delay the final production of the atomic bomb President Roosevelt's approval ratings drop dramatically Congress is desperate and the country cries out for a hero That hero might just be Douglas MacArthur who vowed that he would return to his beloved Philippines He plans to do so with the backing of the entire US Armed Forces MacArthur's plan of action is simple take the war back to the Japanese island by bloody island until standing on the shores of Japan he can proclaim victory And possibly gain the leadership of the United States as well At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied **Know It All! Jack , MacArthur's Spies Peter Eisner,2018-05-01 MacArthur s Spies reads like Casablanca set in the Pacific filled with brave and daring characters caught up in the intrigue of war and the best part is that it s all true Tom Maier author of Masters of Sex A thrilling story of espionage daring and deception set in the exotic landscape of occupied Manila during World War II On January 2 1942 Japanese troops marched into Manila unopposed by U S forces Manila was a strategic port a romantic American outpost and a jewel of a city Tokyo saw its conquest of the Philippines as the key in its plan to control all of Asia including Australia Thousands of soldiers surrendered and were sent on the notorious eighty mile Bataan Death March But thousands of other Filipinos and Americans refused to surrender and hid in the Luzon hills above Bataan and Manila MacArthur s Spies is the story of three of them and how they successfully foiled the Japanese for more than two years sabotaging Japanese efforts and preparing the way for MacArthur s return From a jungle hideout Colonel John Boone an enlisted American soldier led an insurgent force of Filipino fighters who infiltrated Manila as workers and servants to stage demolitions and attacks Chick Parsons an American businessman polo player and expatriate in Manila was also a U S Navy intelligence officer He escaped in the guise of a Panamanian diplomat and returned as MacArthur s spymaster coordinating the guerrilla efforts with the planned Allied invasion And finally there was Claire Phillips an itinerant American torch singer with many names and almost as many husbands Her nightclub in Manila served as a cover for supplying food to Americans in the hills and to thousands of prisoners of war She and the men and women who worked with her gathered information from the collaborating Filipino businessmen the homesick English speaking Japanese officers and the spies who mingled in the crowd Readers of Alan Furst and Ben Macintyre and anyone who loves Casablanca will relish this true tale of heroism when it counted the most

The End of the World as You Know It Matthew L. Halsted,2024-02-07 Thinking about the end times isn t supposed to terrify you Christians rightly turn to the Bible to make sense of our times But so often we get the wrong answers because we ask the wrong questions In *The End of the World as You Know It* Matthew L Halsted challenges common end times assumptions and points us back to Scripture Each chapter reevaluates a popular question in light of the Bible s own concerns Will Christians be raptured What is the mark of the beast When we let Scripture direct our questions we get better and more hopeful answers The Bible was written for us but not to us We must bridge the gap between Scripture s ancient context and our own Reading end times texts in their ancient context helps us understand our present and future And when we do we find that God s word brings peace not fear and confusion

Trust Me, I Know What I'm Doing Bill Fawcett,2012-12-04 Hindsight hurts The British Parliament passes the Stamp Act having the American colonies pay for their own defense which instead starts a revolution In 1929 President Herbert Hoover decides to let the economy fix itself and the Great Depression gets greater Nixon tapes everything he says in the Oval Office believing it will all be of great historical value He turns out to be right when those same tapes cost him his presidency Charles the First cuts a deal with the Irish to fight Parliament that instead loses him public support and later his head Along with 100 Mistakes that Changed the World *Trust Me I Know What I m Doing* proves once again that when global leaders drop the ball the whole world shakes With a hundred more bombshell blunders from Pickett s Charge to the Lewinski scandal this compendium takes a fascinating look at some of history s greatest turns for the worse

How to Know the Will of God Wayne O'Donnell, 2020-12-22 This book is about how to know God's will through the scriptures and wisdom instead of by supposedly hearing God's voice All my books can be read online for free at <http://wayneodonnell.com> Freely you have received freely give Mt 10:8 This booklet is included in and comprises several sections in my book Paul's Decision Making in Acts Anti Charismatic Pro Jewish Commentary on Acts In 1980 Garry Friesen wrote Decision Making and the Will of God a book that debunked the traditional view that God leads by inward impressions into His perfect specific will But Bible teachers continue teach prayer is a two way conversation churches continue to question pastoral candidates about their call to the ministry and Christians continue to try to discern God's inner voice to make decisions Maybe it would help if we had more scholarly journal articles on the topic Grudem I categorized the articles published in three refereed evangelical journals for the last five years before 2000 Westminster Theological Journal Trinity Journal and the Journal of the Evangelical Theological Society Not counting book reviews there were 257 scholarly articles on all topics But regarding God's guidance in our daily lives Zero articles Yet some understanding of God's guidance affects every Christian every day of his or her life Either Garry Friesen is right on that topic or he's wrong We should expect to see many more scholars contributing articles and books supporting and developing their viewpoints Christians in the book of Acts made their decisions by the Word and Wisdom not by listening for inward impressions I would love to read an exposition of the Book of Acts that showed Paul the other apostles and their co-workers making most of their decisions by listening for inward impressions but it would require reading that doctrine into the text rather than expositing it out of the text Friesen In order to arrive at the conclusion of the traditional approach to decision making it is necessary to water down the biblical examples and spice up the biblical teaching Examples like in Acts are watered down to be less miraculous than they really are so we can think we're doing them too Biblical teaching like in the epistles must be spiced up to be more specific than it really is for example a promise to Israel to guide you continually Is 58:11 doesn't actually say anything about Christians being guided by inward impressions Paul made most of his decisions by the Word and Wisdom not by inward impressions and only rarely by direct revelation even though he was the apostle on the cutting edge of Jesus' mission to bring the gospel to the Gentiles Most of Paul's decisions in Acts can be explained 17 principles he followed New Pencil Points, 1929
