Fairies Ty Hulse, Many of the fairies and spirits mentioned within this book come from regions where information on the fairies isn t readily available in English elsewhere A few of these include Mari El In the heart of an ancient forest which was so vast and isolated it allowed the people within to remain the last pagans in Europe For the people of this land never converted to Islam or Christianity and so to this day they still value the spirits of the forest Their woodlands are filled with a dizzying array of spirits from bathhouse spirits that appear as shooting stars to spirits which always run and move backwards Brittany One of the last remaining Celtic kingdoms where many traditional Celtic ideas survived Yet despite how popular Celtic beliefs are there isn t a lot of information or stories on these fairies available in English Northern Italy and Austria Wedged high in the mountains the tiny villages that dot this land were often the slowest to change retaining ideas about the spirit world from a past long forgotten to most of us Not so long ago there were still some people who would answer the shamans call sending their soul out at night to join the kindly spirits in a battle against the darkness Other people s will include the Komi Irish English Scottish Welsh German the Scandinavian Countries the Selkup the Yakut and many many more Indeed there will be well over a thousand different fairies in this book most of which you ll likely never have heard of
