Ingraham, 2021-08-06 During the early part of 2019 our Sunday school lessons centered on the Old Testament prophets particularly the minor prophets It was a great challenge to understand their messages and the messages relevancy for our times It seemed as if there really were no significant differences in these books of prophecy as the minor prophets all seemed to be saying the same thing Of course there are differences in the messages and ministries of the minor prophets hence my attempt to show so My goal was to summarize the writings and ministries of the minor prophets and show their relevancy for today This I did through a series of sermons that were initially delivered in the Calvary Baptist Church during the winter of 2019 My goal was to make the teachings of the minor prophets understandable to every segment of our membership The approach was more inspirational than overly scholarly Each chapter of the book is provocatively titled and begins with a story or illustration that centers on that particular subject The intent was to reference something that the reader could relate to and see how the prophet addresses that matter Of course not every single detail of the prophet's message is included due to the constraints of time etc My hope is that the readers of this book will come to know God better and to have a relationship with him They will see that in spite of people's

imperfections our God is perfect and faithful toward us The minor prophets challenge us to live faithfully for God To the extent I have been able to evoke this kind of response from my readers I give all glory and honor to God *Preaching Values in the Bible* Ph. D. James E. Smith, 2011-05-14 A practical discussion of strategies for preaching from the major types of biblical literature The chapters are organized in three main divisions introductory expository and suggestive preaching units

Lukács,2023-10-30 In the 14th century hypotheses about a lying God deceived Christ and the changeability of the past circulated At the new University of Vienna three German masters attempted in their lectures on the Old Testament to counter them Their commentaries are the longest the most influential and perhaps even the most inspiring commentaries on the Bible written at Vienna This book offers a glimpse into their most unusual ideas apocalyptic expectations heretics toads and devils assessments of Amalric of Bena Moshe Taku and Petrarch and last but not least the search for an immovable truth that fills their pages *Thin Red Line, Volume 1* Kimberly Sowell,2015-01-12 Thin Red Line is a powerful four volume study that engages participants in tracing God s plan of redemption Using a chronological story approach participants have the framework to connect the thin red line through all Scripture Written as a 52 week study this transformational curriculum is broken down into four volumes that can be used individually or consecutively The question based format makes it a unique and easy to use tool for small groups Volume 1 covers Genesis up to the Book of Joshua Thin Red Line correlates well with Group Publishing s Route 52 so the entire family can study together each week *American Book Publishing Record Cumulative, 1950-1977* R.R. Bowker Company. Department of Bibliography,1978 Hidden Truth from Prophecy—Beyond 2012 Robert B. Scott,2012-10-26 The Harbingers warnings to America expose an important untold story the astounding truth about prophecy hidden from the Christian world This work is like a sequel unveiling the mysteries of prophecy The keys to the enigma that is Bible prophecy consist in knowing these rarely understood truths America is identified in the Bible and is a major player in prophecy The books of Job and Isaiah are the foundations of all Bible prophecy Aliens and giants are also mentioned in Gods Word and will play a major role in end time events Quote from the book This is more than a book that warns the world of what is about to happen It is also a book that offers a sure hope for the future While the winter solstice of 2012 will indeed begin the time of the greatest spiritual darkness the world has ever known its not the end Its not the end of the world its not even the end of this age *The Limitations of Theological Truth* Nigel Bush,2019-03-26 Theology is based on God s true and unchanging Word but does the Bible supply an unwavering foundation for spiritual certainties Perhaps surprisingly Brush contends that it does not because like science it is a human discipline and subject to our limitations of knowledge interpretation and objectivity In part one Brush unpacks this contention showing how Christians both past and present have arrived at conclusions that actually run counter to biblical teaching and how these interpretive viewpoints have changed over time In part two he makes the case that flawed theological positions have resulted in views that needlessly conflict with science and that these clashes can be resolved with more accurate formulations Brush even evaluates questions including the age of the earth the origin of life and the end of time Christians who wish to better understand the relationship between their faith and science will be encouraged by the great harmony that Brush sees between scientific findings and biblical teaching As he guides readers into an awareness of the inherent limitations of our knowledge believers can cultivate greater humility regarding these contested issues **The Truth vs. the Great Lie** Robert Bruce MacColla
