Majority Finds Its Past Placing Women In History:

The Majority Finds Its Past Gerda Lerner, 1981 Lauded for its contribution to the theory and conceptualization of the field of women's history and for its sensitivity to the differences of class ethnicity race and culture among women *The Majority Finds Its Past* became a classic volume in women's history after its original publication in 1979 This edition includes a foreword by Linda K Kerber introducing a new generation of readers to Gerda Lerner's body of work and highlighting the importance of the essays in this collection to the development of the field that Lerner helped establish *Why History Matters* Gerda Lerner, 1998-02-26 All human beings are practicing historians writes Gerda Lerner We live our lives we tell our stories It is as natural as breathing It is as important as breathing too History shapes our self definition and our relationship to community it locates us in time and place and helps to give meaning to our lives History can be the vital thread that holds a nation together as demonstrated most strikingly in the case of Jewish history Conversely for women who have lived in a world in which they apparently had no history its absence can be devastating In *Why History Matters* Lerner brings together her thinking and research of the last sixteen years combining personal reminiscences with innovative theory that illuminate the importance of history and the vital role women have played in it *Why History Matters* contains some of the most significant thinking and writing on history that Lerner has done in her entire career a summation of her life and work The chapters are divided into three sections each widely different from the others each revelatory of Lerner as a woman and a feminist We read first of Lerner's coming to consciousness as a Jewish woman There are moving accounts of her early life as a refugee in America her return to Austria fifty years after fleeing the Nazis to discover a nation remarkable both for the absence of Jews and for the anti-Semitism just below the surface her slow assimilation into American life and her decision to be a historian If the first section is personal the second focuses on more professional concerns Included here is a fascinating essay on nonviolent resistance tracing the idea from the Quakers such as Mary Dyer to abolitionists such as Theodore Dwight Weld the most mobbed man in America to Thoreau's essay *Civil Disobedience* then across the sea to Tolstoy and Gandhi before finally returning to America during the civil rights movement of the 1950s There are insightful essays on American Values and on the tremendous advances women have made in the twentieth century as well as Lerner's presidential address to the Organization of American Historians which outlines the contributions of women to the field of history and the growing importance of women as a subject of history The highlight of the final section of the book is Lerner's bold and innovative look at the issues of class and race as they relate to women an essay that distills her thinking on these difficult subjects and offers a coherent conceptual framework that will prove of lasting interest to historians and intellectuals A major figure in women's studies and long term activist for women's issues a founding member of NOW and a past president of the Organization of American Historians Gerda Lerner is a pioneer in the field of Women's History and one of its leading practitioners *Why History Matters* is the summation of the work and thinking of this distinguished historian *The SAGE Handbook of*

Historical Theory Nancy Partner, Sarah Foot, 2012-12-18 The SAGE Handbook of Historical Theory introduces the foundations of modern historical theory and the applications of theory to a full range of sub fields of historical research bringing the reader as up to date as possible with continuing debates and current developments The book is divided into three key parts covering Part I Foundations The Theoretical Grounds for Knowledge of the Past Part II Applications Theory Intensive Areas in History Part III Coda Post Postmodernism Directions and Interrogations This important handbook brings together in one volume discussions of modernity empiricism deconstruction narrative and postmodernity in the continuing evolution of the historical discipline into our post postmodern era Chapters are written by leading academics from around the world and cover a wide array of specialized areas of the discipline including social history intellectual history gender memory psychoanalysis and cultural history The influence of major thinkers such as Jacques Derrida Michel Foucault and Hayden White is fully examined This handbook is an essential resource for practising historians and students of history and will appeal to scholars in related disciplines in the social sciences and humanities who seek a closer understanding of the theoretical foundations of history

U.S. History As Women's History Linda K. Kerber, Alice Kessler-Harris, Kathryn Kish Sklar, 2000-11-09 This outstanding collection of fifteen original essays represents innovative work by some of the most influential scholars in the field of women's history Covering a broad sweep of history from colonial to contemporary times and ranging over the fields of legal social political and cultural history this book according to its editors intrudes into regions of the American historical narrative from which women have been excluded or in which gender relations were not thought to play a part The book is dedicated to pioneering women's historian Gerda Lerner whose work inspired so many of the contributors and it includes a bibliography of her works The contributors include Linda K Kerber on women and the obligations of citizenship Kathryn Kish Sklar on two political cultures in the Progressive Era Linda Gordon on women maternalism and welfare in the twentieth century Alice Kessler Harris on the Social Security Amendments of 1939 Nancy F Cott on marriage and the public order in the late nineteenth century Nell Irvin Painter on soul murder as a legacy of slavery Judith Walzer Leavitt on Typhoid Mary and early twentieth century public health Estelle B Freedman on women's institutions and the career of Miriam Van Waters William H Chafe on how the personal translates into the political in the

Roth,1995 Recent trends in the humanities and social sciences have forced on academia what many might call a crisis of history Conventional assumptions about coherence and meaning in history are being challenged by questions concerning the relevance of history and attempts to refigure its content and mode of representation The publication of History and appears at a critical moment in our efforts to understand the importance of history as it relates to a wide range of scholarly disciplines History and brings together some of its most thoughtful scholars to better understand not only how our disciplines are connected to professional historiography but how our attempts to understand cultures are connected to our pasts *The Dismissal of Miss Ruth Brown* Louise S. Robbins,2022-11 In 1950 Ruth W Brown librarian at the Bartlesville Oklahoma Public Library was summarily dismissed from her job after thirty years of exemplary service ostensibly because she had circulated subversive materials In truth however Brown was fired because she had become active in promoting racial equality and had helped form a group affiliated with the Congress of Racial Equality Louise S Robbins tells the story of the political social economic and cultural threads that became interwoven in a particular time and place creating a strong web of opposition This combination of forces ensnared Ruth Brown and her colleagues for the most part women and African Americans who championed the cause of racial equality This episode in a small Oklahoma town almost a half century ago is more than a disturbing local event It exemplifies the McCarthy era foregrounding those who labored for racial justice sometimes at great cost before the civil rights movement In addition it reveals a masking of concerns that led even Brown s allies to obscure the cause of racial integration for which she fought Relevant today Ruth Brown s story helps us understand the matrix of personal community state and national forces that can lead to censorship intolerance and the suppression of individual rights *Writing Women's History* Karen M. Offen,Ruth Roach Pierson,Jane Rendall,1991-08-23 Five essays address such themes as the relationship between feminist history and women s history the use of the concept of experience the development of the history of gender demographic history and women s history and the importance of post structuralism to women s history Doing Women's History in Public Heather Huyck,2020-04-05 A complete guide to interpreting women s history Women s history is everywhere not only in historic house museums named for women but also in homes named for famous men museums of every conceivable kind forts and battlefields even ships mines and in buckets Women s history while present at every museum and historic site remains less

fully interpreted in spite of decades of vibrant and expansive scholarship *Doing Women's History in Public: A Handbook for Interpretation at Museums and Historic Sites* connects that scholarship with the tangible resources and the sensuality that form museums and historic sites: the objects, architecture and landscapes in ways that encourage visitor fascination and understanding and center interpretation on the women active in them. With numerous examples that focus on all women and girls, it appropriately includes everyone for women intersect with every other human group. This book provides arguments, sources, written, oral and visual, and tools for finding women's history, preserving it and interpreting it with the public. It uses the framework of Significance, importance, Knowledge Base, research in primary, secondary and tertiary sources and Tangible Resources: the preserved physical embodiment of history in objects, architecture and landscapes. Discusses traditional and technology assisted interpretation and provides Tools to implement *Doing Women's History in Public*. Using a hospitality model, museums and historic sites are the locales where we assemble, learn from each other and take our insights into a more gender shared future.

Writing Women's History Since the Renaissance Mary Spongberg, 2017-03-08 The complaint of Catherine Morland in Jane Austen's *Northanger Abbey* that history has hardly any women at all is not an uncommon one. Yet there is evidence to suggest that women have engaged in historical writing since ancient times. This study traces the history of women's historical writing, reclaiming the lives of individual women historians, recovering women's historical writings from the past and focusing on how gender has shaped the genre of history. Mary Spongberg brings together for the first time an extensive survey of the progress of women's historical writing from the Renaissance to the present, demonstrating the continuities between women's historical writings in the past and the development of a distinctly woman-centred historiography. *Writing Women's History since the Renaissance* also examines the relationship between women's history and the development of feminist consciousness, suggesting that the study of history has alerted women to their unequal status and enabled them to use history to achieve women's rights. Whether feminist or anti-feminist, women who have had their historical writings published have served as role models for women seeking a voice in the public sphere and have been instrumental in encouraging the growth of a feminist discourse.

Feminisms Maggie Humm, 2014-06-11 This major textbook for women's studies provides an excellent and wide-ranging introduction to feminist ideas and perspectives on issues such as the family, sexuality, work, education, patriarchy, race, language, culture and representation. It brings together over seventy key excerpts.

Graphic History Richard Iadonisi, 2012-11-30 When it comes to recounting history, issues arise as to whose stories are told and how reliable is the telling. This collection of fourteen essays explores the unique ways in which graphic novels can aid us in addressing those issues while shedding new light on a variety of texts, including those by canonical North American and European writers: Art Spiegelman's *Maus*, In the Shadow of No Towers, Alan Moore's *From Hell*, The League of Extraordinary Gentlemen, Frank Miller's *The Dark Knight Returns*, Chris Ware's *Jimmy Corrigan*, Chester Brown's *Louis Riel* and Harvey Pekar. Recognizing the global appeal of graphic novels, this collection also provides a fresh look at

history seen through the eyes of canonical non Western writers Marjane Starapi Persepolis and Yoshihiro Tatsumi A Drifting Life and the highly vexed relationship of the West and the Middle East The array of contributors from the fields of art literature history and cultural studies is matched by the array of theoretical perspectives and by the depth and breadth of subjects ranging from the sixteenth century voyages of Sebastian Cabot to Jack the Ripper from the Chicago World s Columbian Exposition of 1893 to lynching in the early twentieth century American South and from post war Japan to the fall of the Shah in Iran
