Goodridge, 2021-06-09 Is freedom achievable I believe it is This freedom is the freedom to live true to your self and includes 1 The freedom to live a life of greatness that is in alignment with your purpose 2 The freedom to profit prosper on your own terms doing what you love 3 The freedom to escape whatever restrictions and limitations you feel have been imposed on you 4 The freedom to love honestly and true to your self 5 The freedom to live a healthy life and actually age less than you do now

That's the simple idea. It may not be easy to achieve given how much of the society is geared towards keeping us poor, enslaved and unhealthy, but it is achievable. As a coach, I've discovered there are several conversations I repeatedly have with individuals who are at various stages of creating lives of freedom, so I've put them all into this one resource. Those conversations are: introduction, Something different is possible, 1. What is freedom? 2. Your purpose is where it all begins. 3. You CAN turn your passion into profit. 4. The trouble with capitalism. 5. The Tao of Shawshank. 6. The carrot conversation, and 7. The freedom to love true to your self. Over the course of these seven conversations, I'll share some ideas, proven strategies that serve as introductions to the books in the various life enhancement series in my catalog. This is my manifesto for what's achievable.
