## **Make It Real:**

*Make It Real* Frank Mercadante, 2004 Every Catholic teen will be evangelized in the coming year That is a fact The question is this Who will evangelize our teens and to what will they be converted Ironically most evangelization is being done not by the Church but by contemporary American culture A variety of voices are vying for the attention and allegiance of our youth Many of those voices often electronically piped into our unsuspecting households proclaim relevantly creatively and persuasively a message contrary to our Catholic faith Yet the Church possesses a message that addresses the most significant hunger of every teen s heart We have exactly what young people are searching for We struggle however in constructing an environment that teens find attractive and we often fail to proclaim the Gospel in a creative and culturally relevant manner *Make It Real* A Practical Resource for Teen Friendly Evangelization is all about building evangelistic ministry that not only is worth teens time but also addresses the issues that are real in their lives This book provides fresh clear and test driven principles for building an effective and teen friendly ministry for evangelistic outreach The fully designed sessions help the busy youth worker implement dynamic and spiritually powerful evangelistic gatherings *Make It Real* Nomvuzo Ndeleman, 2014-01-14 *Make It Real* by Vuzo Adeleke What could possibly go wrong in a house presided over by a doting father and a loving mother In *Make It Real* by Vuzo Adeleke we can see the kind of stigma people pay for after going through childhood scarred for life by physical mental and sexual torture from the people relied upon to look after them Despite being blessed by an almost perfect set of parents the author describes the silent horror of living in a house with a vicious nanny and a perverted Christian minister No wonder then that it took a momentous development in her life before she could regain the trust and the mind to gain the life befitting her own outlook *Make It Real* shows us what could go wrong in a typical upwardly mobile aspiring family and the latent effects of sinister people upon what could be our own children About the Author Vuzo Adeleke was born and raised in Durban South Africa She studied education and graduated with Primary Teacher s degree and pursued further diploma in Education Specializing in School Library and Media Science She is currently employed as a primary school teacher head of department in the foundation phase She lives in her hometown of Durban *Make It Real* Dmytro Ivanov, If there nothing was you back what dream would you chase For a young snail named John Scotland traveling is the impossible aspiration that he decides to make a reality After leaving the only town he d ever known John meets a variety of colorful characters along his path to New York City who inspire and teach him some of life s most important lessons through their own unique experiences Inspired by a real life adventure the story of John Scotland will take you on a journey that will open your mind and free your spirit to achieve your biggest dreams **Girls of Grace** *Make it Real* Point Of Grace, 2008-06-20 The Girls of Grace conferences have inspired thousands of young women across the globe Now *Make It Real* based on the 2005 2006 Girls of Grace conference theme inspires each and every girl to see herself through God s eyes and be the person He wants her to be Point of Grace is Shelley Denise Leigh and Heather
