The Etiquette of Engagement and Marriage G. R. M. Devereux, 2022-07-31 G R M Devereux s The

Etiquette of Engagement and Marriage presents an insightful exploration of the customs and formalities that characterize the transitional journey from courtship to marriage. Written with both eloquence and analytical depth, the work delves into the evolving practices of engagement and matrimonial rituals. It meticulously describes the myriad social expectations, ceremonies, and arrangements that define this significant life event. Within the literary context, Devereux's treatise stands as a definitive guide, reflecting the mores and conventions of its time, and it offers both historical and sociological insights into the institution of marriage. As a republished piece by DigiCat Publishing, the book affirms its continued relevance and enduring significance in the canon of societal commentaries, adapted for contemporary accessibility while preserving its original gravity and intent. G. R. M. Devereux, in penning this comprehensive guide, pulls from a reservoir of experience and observation, tapping into the zeitgeist of the era's social fabric. Likely informed by a combination of personal encounters and a deep understanding of cultural norms, Devereux provides a window into the intricate choreography of love, commitment, and societal approval. The author serves not only as a chronicler of these practices but also as an instructor, guiding readers through the labyrinthine codes of conduct that were essential for a successful transition from betrothal to wedlock in his time. The *Etiquette of Engagement and Marriage* is recommended for readers interested in the history of social customs, researchers of matrimonial traditions, and anyone questing for a deeper appreciation of the ceremonial tapestry that weaves together the past and present in the narrative of human unions. Devereux's work is more than a historical document; it is a meticulous testament to the timeless and evolving nature of love, courtship, and marriage, offering both edification and delight to those who seek to understand the threads that bind us through the ages.

Man of the Year Lisa Plumley, 2011-05-01

Man Of The Year is romantic comedy at its best, and no one serves it up any better than Ms. Plumley. Patricia White Under The Covers Book Reviews

Wanted Fiance Only one woman wants to see the Southwest's most eligible bachelor married. His wedding obsessed mother fed up with the endless parade of potential fiancés, Brodie Richardson realizes there's a foolproof way to half his Mom's matchmaking. Sure, a fake engagement is pretty drastic, and his would-be bride is hardly his type. But Brodie soon suspects that there's more to Paige Mulvaney than meets the eye. When she answers an ad to interview at SupraTech, brainy Paige assumes it's for a job. The next thing she knows, she's temporarily betrothed to the sought-after CEO. The easy part: feigning starry-eyed passion for sexy Brodie Richardson whenever they're in public. The hard part: Pretending she isn't crazy about him in private. A darling romantic comedy that will surely delight you. Lisa Plumley certainly can think up some wacky, funny, sexy stories that have lots of zing. Suzanne Who'd Love A Month Long Engagement To A Hunk Just Like Brodie Coleburn The Belles and Beaux of Romance An exquisite and touchingly tender love story. *Man Of The Year* will have you hooked from the first page. Rules of Engagement: The Will to Live vs. the Will to Survive Lorenzo D. Leonard, 2019-01-29 Tribalism isn't new to the human experience In fact it's been around as long as humankind However lately the will to survive has grown with intensity and has given rise to a distorted sense of self importance and self indulgence Self interest has come to divide people and destroy a vital sense of community and civility that bonds a society Author Lorenzo D Leonard has studied this phenomenon and introduces an alternative way of life the will to live The education development and practice of commendable character exposes a person's innate qualities of good Leonard proclaims how the attainment of personal credibility and relevance becomes less of an external focus and more of an internal fulfillment through the process of character development However this is only the case when an individual can put aside the will to survive and embrace the will to live Tribalism becomes less of a concern when the qualities of transparency accountability integrity and community are adopted The Rules of Engagement The Will to Live vs The Will to Survive is a deep dive into the very ideas that transition people into being more humane with one another Within this literary body of work readers will recognize the signs of a life lived authentically as well as the limitations that come with a distorted sense of power and superiority
