Make Love Your Aim:

Make Love Your Aim Eugenia Price, 2021-04-27 Everyone today is an expert on love is Dr Allan Fromme's cryptic reflection on our current mood With a sense of human adventure Eugenia Price suggests in *Make Love Your Aim* that anyone can be an expert on love if he will dare to discover for himself the love God offers We have so sentimentalized our concept of love that it bears no resemblance to the original Miss Price writes We have taken the word of romantic novels and motion pictures and TV and perfume and men above the Word of God The Bible declares that God is love How closely does your concept of love resemble the love of God We tend to judge the quality of love according to the way it makes the loved one feel But to judge love by feeling is our big error and the point at which we turn aside from God's original concept *Make Love Your Aim* is a companion piece to the author's last book *The Wider Place* which was described by some readers as a controversial challenge to try the inner freedom God grants to anyone who want it enough to assume the responsibilities that come with it Freedom and love are two sides of the same coin And we can only understand them enough to practice them if we know the way God defines them How does He do this In Jesus Christ the final yet continuing revelation of God's true intentions toward all of us Those who are familiar with Eugenia Price's books will recognize this as a recurring theme *Make Love Your Aim* develops it with imagination and versatility Jesus said If the Son shall make you free you shall be free indeed But He was offering to wave no magic wand over our heads so that we could do as we pleased He also said This is my commandment That you love one another as I have loved you His is the love of the Cross without self defense without self pity and totally free

The Coming Revival Derek Prince, 2019-04-02 7 Steps to Revival Years ago the Lord spoke these words to international Bible teacher Derek Prince author of the acclaimed book *Shaping History Through Prayer and Fasting* There shall be a great revival in the United States and Great Britain Derek believed God was going to send a tremendous revival But He wasn't going to send it to the nations He was going to send revival to the church in the nations Then that revival would impact the world with the gospel of Jesus Christ before His return This prophetic word about revival has yet to be fulfilled which means the years to come hold great excitement for the church The renewal God wants to bring to the United States and Great Britain indeed to the whole earth may lie just ahead of us Each of us has a pivotal role in this upcoming revival How should we prepare ourselves to be used by the Lord in the revolutionary times to come The fact is how soon we see this revival will depend on how soon we are ready Derek Prince knew there would be many contributing factors to the worldwide revival God intends to bring In this riveting book he focuses on seven elements that are essential to the process Learn these vital elements and how you can prepare yourself to help bring about *The Coming Revival* ushering in the fullness of the kingdom and the culmination of the age

1-2 Corinthians Gerald L. Bray, Thomas C. Oden, 2006-10-05 In Paul's letters to the Corinthian church the pastoral issues of a first century Christian community stand out in bold relief This ACCS volume highlights the wisdom of Paul's epistles to the Corinthian church as interpreted by early church fathers such as

Chrysostom Didymus the Blind Theodore of Mopsuestia Origen and Ambrosiaster **Lord, Renew Your Wonders** Damian Stayne, 2017-09-01 At the beginning of the Second Vatican Council Blessed Pope John XXIII offered a prayer asking the Holy Spirit to Renew your wonders in our time as though for a new Pentecost The rediscovery of the charismatic gifts by ordinary Catholics throughout the world was an answer to that prayer Damian Stayne who is known internationally for his healing ministry shows readers how the spiritual gifts of prophecy healing and deliverance were used by Jesus the early Church and the saints and why we need them operating in the Church today He provides not only amazing stories of God's presence and work in our time but also a host of practical instructions on how to grow in these gifts This book is both inspiring and a challenge to Catholics to be open to the gifts of the Spirit in order to bring others to Christ **Women and Missions** Lucia P. Towne, 1934 Doing What Comes Spiritually John M. Drescher, 2007-11-01 How do we know if we have the Holy Spirit in our lives Are spiritual gifts a sure sign of the Spirit No Gifts can be counterfeited Love joy peace patience kindness goodness faithfulness meekness and self control this is the fruit whose growth in our lives indicates the Spirit's presence Doing What Comes Spiritually is a revised and updated edition of John Drescher's popular study of the Holy Spirit Ten printings of the first edition were issued from 1974 through 1991 under the title Spirit Fruit and received wide affirmation The Heart Is a Little to the Left William Sloane Coffin, 2012-01-01 An abundance of wisdom in an economy of words by an activist preacher

Married Saints and Blesseds Ferdinand Holbock, 2017-06-21 Countless saints have been priests or religious living out lives of penance and sacrifice for the good of the Church But many Catholics don't realize that married couples are called to holiness as well Fr Holbock's tells the inspiring stories of over 200 married saints and blesseds from the Virgin Mary and St Joseph to Margaret of Scotland King Louis of France Thomas More and modern examples like Gianna Molla and Louis and Zlie Martin parents of St Therese of Lisieux The example of these holy men and women is essential to living a truly Catholic married life Important Church documents and scripture passages are also included to further guide and enlighten the reader Many illustrations *Living Well and Dying Faithfully* John Swinton, Richard Payne, 2009-11-10 Living Well and Dying Faithfully explores how Christian practices love prayer lament compassion and so on can contribute to the process of dying well Working on the premise that one dies the way one lives the book is unique in its constructive dialogue between theology and medicine as offering two complementary modes of care **The More Excellent Way**, 2006-10 This book investigates why unlike in the early centuries the ethical behavior of Christians today is so little different from that of non Christians It does this by first reviewing the teachings of Jesus about how Christians are to live and the positive response of early Christians to these teachings The major portion of the book then documents how the rise of asceticism and the proliferation of church law came to eclipse Jesus teachings of serving others through unselfish love It reviews how Chrysostom Augustine Luther and others tried to return the church to the New Testament way of life The book reaches two conclusions Christians today prefer to live by only avoiding the gross evils forbidden by the Ten Commandments rather than by Jesus all inclusive

New Commandment of loving one another as he loved us They are also willing to offer God the piety of churchly activity but what God also asks a life of goodness serving one s fellowman they feel is just asking too much Sourcebook of the World's Religions Joel Beversluis,2011-02-08 Now in its third edition this is the most comprehensive work available on the rich variety of paths available to today s spiritual seekers More than an academic reference it explores how religions can collaborate to help the world Essays exploring the realm of building an interfaith community add to the book s detailed portraits of the major religious traditions The Sourcebook also contains essays on spiritual practices as diverse as theosophy wicca and indigenous religions This revised edition of the Sourcebook offers an unparalleled look at where spirituality is headed in the coming millennium

I Believe in the Holy Spirit Michael Green,2023-09-28 How do we understand the Holy Spirit Though countless Christians through the ages have confessed I believe in the Holy Spirit the Spirit has often remained an elusive figure relegated to the fringes of many Christians faith Yet the charismatic movement made the Holy Spirit the focus of heated controversy In this second edition of his widely popular book Michael Green explains the biblically rooted doctrine of the Holy Spirit He also discusses baptism and the gifts of the Spirit and addresses the dynamic ongoing work of the Spirit today Enriched by Green s extensive pastoral and personal experience I Believe in the Holy Spirit remains one of the most readable and balanced books on the third person of the Trinity

Love on Separate Grounds Christiana T. Moronfolu,2018-08-24 This book is about a lady with brilliant academic achievements and is in search of true love Her first love was almost a success but for a compromise she wasn't willing to make In her further search for love she is met with betrayal and she believed the only way out is to revenge She then went on a mission to love for many reasons In her pursuit of love she stretched her bounds to

attain exceptional heights but the passion for revenge was so invigorating that she was left with one choice to love or to hate Can she afford to walk away from it all and allow her intoxication to let her successfully execute her revenge **Living Water** Ronald E. Ramsey, 2007-05-17 For centuries Christians have gathered to hear messages of forgiveness and redemption hope and abundant life They have come from far and near to drink from the waters of everlasting life Living Water is a collection of sermons conceived to reveal the love of God poured out in Jesus Christ as the true living water These sermons address those particular ideas and beliefs necessary to sustain faith in the rough and tumble world of 21st Century living Preached first at St John s Episcopal Church Arlington MA they originate out of the author s concerns as pastor and prophet for the spiritual well being of a particular people in a particular place Nevertheless the themes contained in each sermon are universal having relevance for all spiritual seekers throughout the world and across denominational and interfaith boundaries Ronald Ramsey shows how the gift of faith animated by the grace of God can transform and enliven the human soul Living Water is a treasure of pastoral insights and unique biblical perspectives which explores the challenges of human living and offers hope for spiritual seekers and prophetic light for the spiritual journey Author Website www.newdirectionsfuture.com **Reclaiming Love** Ajith Fernando, 2013-04-02 In 1 Corinthians 13 Paul places love at the very center of what it means to embrace life in Christ All other spiritual gifts are worth nothing in comparison But the love explained in those verses is nothing short of radical Fernando s pastoral work in the midst of the cultural and ethnic tensions of Sri Lanka often brought up a very real and honest question Can the biblical teaching about love actually be practiced The answer he discovered is a resounding yes The radical love of God is not only real but it is the key to experiencing joy in the pain and suffering of this world Believers must look to the Scriptures for God s teaching on the true nature of love its divine origins and its power for those who trust in Christ This book offers reflections on the Bible s consistent teaching on love and shares real life experiences of learning to love in difficult situations **Sit on Our Hands, or Stand on Our Feet?** Roger Philip Abbott, 2013-01-07 The aim of Sit on Our Hands or Stand on Our Feet is not to present a theology that explains disasters In fact there is no such theology Nor is this work primarily for those who are responded to it is not part of the theological grab bag that Christian responders carry with them to use for the benefit of casualties It is more a part of the Christian s engaged practical theological apprenticeship prior to and during a response This book represents the role of the practical theologian who empowers the church community s legitimation and contribution in disaster response and who encourages individual Christians whose calling into particularly relevant professions whose natural skills and or professional training could find them placed in a major incident responding status paid or voluntary doing their work as unto the Lord It is a serious must read for any Christians who have hearts heavy with compassion but who are not sure what to do or why when disaster strikes **Costly Love** John H. Armstrong, 2018-06-30 John Armstrong knows from personal experience how easy it is to put too much emphasis on correct teaching in our experience of church and how easily we lose sight of the love on

which Christ built his church when we do so In *Costly Love* Armstrong acknowledges the importance of doctrine and theological discussion in the church but he urges Christians to focus first on whether we are following Jesus new commandment to love as he loved Our actions of love will begin to bring us closer to unity with one another and with God

Credo William Sloane Coffin, 2004-12-31 William Sloane Coffin challenged the nation with his passionate calls for social justice In this best seller Coffin gives a powerful record of his remarkable public life offering his inspiring words on issues ranging from charity and justice to politics and the meaning of faith The Commands of the Apostles Michael Phillips, 2017-10-22 The author of *The Commands of Jesus* presents a companion volume exploring 120 commands from the New Testament s epistles and apostolic writings Most studies of the epistles of the New Testament emphasize theology In *The Commands of the Apostles* noted devotional author Michael Phillips instead puts the focus of the practical commands of the Apostolic writers and how we might follow them in our daily lives Considering the important command found in Hebrews 6 1 2 Let us go on to maturity Phillips suggests that spiritual maturity requires nothing more or less than attaining Christlikeness through obedience to commands He therefore asks readers to put elementary doctrines aside and focus instead on the commands we as Christians are called upon to obey
