Story or Die Lisa Cron, 2021-03-02 A practical heartfelt manual for anyone who needs to change minds and actions Lisa Cron shares the art of practical empathy with leaders who care enough to make a difference Seth Godin author of *The Practice* A step by step guide to using the brain s hardwired need for story to achieve any goal from the author of *Wired for Story* Whether you re pitching a product saving the planet or convincing your kids not to text and drive story isn t just one way to persuade It s the way It s built into the architecture of the brain and has been since early humans

gathered around the camp fire trying to figure out how to outsmart the lion next door In Story or Die story coach Lisa Cron sets out to decode the power of story first by examining how the brain processes information translates it into narrative and then guards it as if your life depends on it Armed with that insight she focuses on how to find your real target audience and then pinpoint their hidden resistance Finally she takes you step by step through the creation of your own story one that allows your audience to overcome their resistance and take up your call to action not because you told them to but because they want to That is the power of story Use it wisely Polish Your Academic Writing Helen Coleman,2019-10-07 Struggling to find your academic voice Polish Your Academic Writing gives you the advice and skills you need to write appropriately and impactfully and get the best grades in your assignments Effectively make your point and answer the assigned question Build a solid and logical writing structure Perfect your paragraphs and make your sentences flow Super Quick Skills provides the essential building blocks you need to succeed at university fast Packed with practical positive advice on core academic and life skills you ll discover focused tips and strategies to use straight away Whether it s writing great essays understanding referencing or managing your wellbeing find out how to build good habits and progress your skills throughout your studies Learn core skills quickly Apply them right away and see results Succeed in your studies and in life Super Quick Skills gives you the foundations you need to confidently navigate the ups and downs of university life **Innovating** Luis Perez-Breva,2018-08-28 Discover the MIT developed doer s approach to innovation with this guide that reveals you don t need an earth shattering idea to create a standout product service or business just a hunch that you can scale up to impact Innovation is the subject of countless books and courses but there s very little out there about how you actually innovate Innovation and entrepreneurship are not one and the same although aspiring innovators often think of them that way They are told to get an idea and a team and to build a show and tell for potential investors In Innovating Luis Perez Breva describes another approach a doer s approach developed over a decade at MIT and internationally in workshops classes and companies He shows that innovating doesn t require an earth shattering idea all it takes is a hunch Anyone can do it By prototyping a problem and learning by being wrong innovating can be scaled up to make an impact As Perez Breva demonstrates nothing is new at the outset of what we only later celebrate as innovation In Innovating the process illustrated by unique and dynamic artwork is shown to be empirical experimental nonlinear and incremental You give your hunch the structure of a problem Anything can be a part Your innovating accrues other people s knowledge and skills Perez Breva describes how to create a kit for innovating and outlines questions that will help you think in new ways Finally he shows how to systematize what you ve learned to advocate communicate scale up manage innovating continuously and document you need a notebook to converse with yourself he advises Everyone interested in innovating also needs to read this book I Hate Writing J. M. Bohannon,2005 I Hate Writing may be the only page turner textbook out there J M Bohannon gives her readers invaluable writing advice using an uplifting modern voice tinged with humor She takes her readers through the

stages of writing a paper giving detailed advice on how to find topics turn ideas into words and organize those words into coherent paragraphs with seamless transitions She shows her readers how to revise their own work and through her Critical Q s teaches them to become critical readers She also explains how to find outside sources and how to include those sources in a paper Too many students approach writing at the university level as a scientist approaches a volatile experiment with protective suit goggles gloves and forceps They struggle to write without contaminating that writing with anything resembling personality Don t let that student be you Your unique voice should blast through your writing letting everyone know there s a person behind your words Communication Approach in English Through the Internet Amzat K.
