Makebelieve Summer A Victorian Idyll:

Make-believe Summer Fred Cody,1980 Text written to accompany 33 drawings by a 19th century english artist describes the lives of a group of children and their summer on a farm by the seaside in Victorian England **Children's Literature** K. Lesnik-Oberstein,2004-08-31 Children s Literature New Approaches is a guide for graduate and upper level undergraduate students of children s literature It is structured through critics reading individual texts to bring out wider issues that are current in the field Includes chronology of key events and publications a selective guide to further reading and a list of Web based resources Proceedings of the British Academy British Academy,2007 Publishers' Trade List Annual, 1980 Bobbs-Merrill Educational Co,1980 **The Publishers Weekly** ,1980 **Books in Print** ,1982 *The Cumulative Book Index* ,1980 A world list of books in the English language **Library of Congress Catalogs** Library of Congress,1981 **National Union Catalog, 1980** ,1981 **National Union Catalog** ,1980 Includes entries for maps and atlases **Subject Catalog, 1980** Library of Congress,1980 Subject Catalog Library of Congress, *Weekly Record* ,1980 *Books in Print Supplement* ,1982 **Utopian England** Dennis Hardy,2012-12-06 England in the early part of the twentieth century was rich in utopian ventures diverse and intriguing in their scope and aims Two world wars an economic depression and the emergence of fascist states in Europe were all a spur to idealists to seek new limits to escape from the here and now and to create sanctuaries for new and better lives Dennis Hardy explores this fascinating history of utopian ideals the lives of those who pursued them and the utopian communities they created Some communities were fired by a long tradition of land movements others by thoughts of more humane ways of building towns In turn there were experiments devoted to the arts to the promotion of religious doctrine and to a variety of political causes And some were just places of the imagination Utopian England is about just one episode in the perennial search for perfection but what is revealed has lessons that extend well beyond a particular time and place So long as there are failings in society so long as rationality is not enough there will continue to be a place for thinking the impossible for going in search of utopia *The Poppy* Nicholas J. Saunders,2013-10-01 In the aftermath of the horrific trench warfare of the First World War the poppy sprouting across the killing fields of France and Belgium then immortalised in John McCrae s moving poem became a worldwide icon Yet the poppy has a longer history as the tell tale sign of human cultivation of the land of the ravages of war and of the desire to escape the earthly realm through inspired Romantic opium dreams or the grim reality of morphine drips This is a story spanning three thousand years from the ancient Egyptian fights over prized medicinal potions to the addicted veterans returning home from the American Civil War from the British political machinations during the Opium Wars with China to the struggle to end Afghanistan s tribal narcotics trade Through it all there stands the transformative poppy Nicholas J Saunders brings us the definitive history of this ever enduring but humble flower of the fields a story that is at turns tragic eye opening and most essentially life affirming a gift to us all **The Illustrated London News** ,1912 **The Nation** ,1906 *Arts*

Digest ,1988 Eleven Minutes Late Matthew Engel,2010-02-05 Britain gave railways to the world yet its own network is the dearest definitely and the worst probably in Western Europe Trains are deeply embedded in the national psyche and folklore yet it is considered uncool to care about them For Matthew Engel the railway system is the ultimate expression of Britishness It represents all the nation s ingenuity incompetence nostalgia corruption humour capacity for suffering and even sexual repression To uncover its mysteries Engel has travelled the system from Penzance to Thurso exploring its history and talking to people from politicians to platform staff Along the way Engel half John Betjeman half Victor Meldrew finds the most charmingly bizarre train in Britain the most beautiful branch line the rudest railwayman and after a quest lasting decades an Individual Pot of Strawberry Jam *Eleven Minutes Late* is both a polemic and a paeon and it is also very funny
