Maker Of Modern Japan The Life Of Shogun Tokugawa Ieyasu:

The Maker of Modern Japan A Sadler, 2014-04-16 Tokugawa Ieyasu founded a dynasty of rulers organized a system of government and set in train the re orientation of the religion of Japan so that he would take the premier place in it Calm capable and entirely fearless Ieyasu deliberately brought the opposition to a head and crushed in a decisive battle after which he made himself Shogun despite not being from the Minamoto clan He organized the Japanese legal and educational systems and encouraged trade with Europe playing off the Protestant powers of Holland and England against Catholic Spain and Portugal This book remains one of the few volumes on Tokugawa Ieyasu which draws on more material from Japanese sources than quotations from the European documents from his era and is therefore much more accurate and thorough in its examination of the life and legacy of one of the greatest Shoguns *The Maker of Modern Japan* Arthur Lindsay Sadler, 1980

Voices of Early Modern Japan Constantine N. Vaporis, Constantine Vaporis, 2020-11-26 In this newly revised and updated 2nd edition of *Voices of Early Modern Japan* Constantine Nomikos Vaporis offers an accessible collection of annotated historical documents of an extraordinary period in Japanese history ranging from the unification of warring states under Tokugawa Ieyasu in the early seventeenth century to the overthrow of the shogunate just after the opening of Japan by the West in the mid nineteenth century Through close examination of primary sources from The Great Peace this fascinating textbook offers fresh insights into the Tokugawa era its political institutions rigid class hierarchy artistic and material culture religious life and more demonstrating what historians can uncover from the words of ordinary people New features include An expanded section on religion morality and ethics A new selection of maps and visual documents Sources from government documents and household records to diaries and personal correspondence translated and examined in light of the latest scholarship Updated references for student projects and research assignments The first edition of *Voices of Early Modern Japan* was the winner of the 2013 Franklin R Buchanan Prize for Curricular Materials This fully revised textbook will prove a comprehensive resource for teachers and students of East Asian Studies history culture and anthropology **Voices of**

Early Modern Japan Constantine Nomikos Vaporis Ph.D., 2012-01-06 Based on fresh translations of historical documents this volume offers a revealing look at Japan during the time of the Tokugawa shoguns from 1600 1868 focusing on the day to day lives of both the rich and powerful and ordinary citizens *Voices of Early Modern Japan* Contemporary Accounts of Daily Life during the Age of the Shoguns spans an extraordinary period of Japanese history ranging from the unification of the warring states under Tokugawa Ieyasu in the early 17th century to the overthrow of the shogunate just prior to the mid 19th century opening of Japan by the West Through close examinations of sources from a time known as The Great Peace this fascinating volume offers fresh insights into the Tokugawa era its political institutions rigid class hierarchy artistic and material culture religious life and more Sources come from all levels of Japanese society everything from government documents and household records to personal correspondence and diaries all carefully translated and examined in light of

the latest scholarship **The Tokugawa World** Gary P. Leupp, De-min Tao, 2021-09-20 With over 60 contributions The Tokugawa World presents the latest scholarship on early modern Japan from an international team of specialists in a volume that is unmatched in its breadth and scope In its early modern period under the Tokugawa shoguns Japan was a world apart For over two centuries the shogun's subjects were forbidden to travel abroad and few outsiders were admitted Yet in this period Japan evolved as a nascent capitalist society that could rapidly adjust to its incorporation into the world system after its forced opening in the 1850s The Tokugawa World demonstrates how Japan's early modern society took shape and evolved a world of low and high cultures comic books and Confucian academies soba restaurants and imperial music recitals rigid enforcement of social hierarchy yet also ongoing resistance to class oppression A world of outcasts puppeteers herbal doctors samurai officials businesswomen scientists scholars blind lutenists peasant rebels tea masters sumo wrestlers and wage workers Covering a variety of features of the Tokugawa world including the physical landscape economy art and literature religion and thought and education and science this volume is essential reading for all students and scholars of early modern Japan **Tokugawa Ieyasu, Shogun** Conrad D. Totman, 1983 Biography of one of Japan's most important leaders with descriptions of 17th century Japan *Japanese Architecture: A Short History* A. L. Sadler, 2011-04-11 This expert guide to Japanese architecture is of enormous historical importance to the understanding of Japanese design and culture Pioneering Japanologist A L Sadler's invaluable study of Japanese architecture first appeared in 1941 Considered a classic in its field unequaled in clarity and insight Japanese Architecture A Short History is a lucid and uncomplicated introduction to this important aspect of Japanese culture Beginning with the earliest evidence from prehistory and ending with the Edo period when Japan attained stature as a modern state Japanese Architecture is as relevant today as it was in 1941 The book includes an overview of Japanese domestic architecture as it evolved through successive periods of history and perfected the forms so widely admired in the West Of particular importance in this respect are the four concluding chapters in which the distinctive features of the Japanese house are presented in clear detail The architecture book also contains excellent illustrations which show details of planning and construction **Death was His Kōan** Winston Lee King, 1986 Biography and views of Shōsan 1579-1655 a samurai turned Zen Buddhist monk by a noted scholar **History of the Samurai** Jonathan Lopez-Vera, 2020-06-02 A History of the Samurai tells the complete story of Japan's legendary warrior class from beginning to end an epic tale of intrigue bloodshed and bravery that is central to an understanding of the Japanese character and of Japanese history It describes in detail the core Samurai philosophy of Bushido the way of the warrior a complex code of conduct embracing ideals of honor and loyalty that continues to govern the Japanese way of life today Historian Jonathan Lopez Vera offers a compelling look at these enigmatic warriors including The lives of famous Samurai Miyamoto Musashi Japan's greatest swordsman Tomoe Gozen the woman who became a Samurai Tokugawa Ieyasu the last Shogun and many more The tragic tale of the 47 Ronin who chose honor over their own lives and were forced to commit ritual suicide after

avenging their fallen master The philosophy of Bushido the Way of the Warrior the code of conduct that embraced the ideals of honor and loyalty and governed the Samurai way of living The decline of the Samurai and their transformation from rough battle hardened warriors to highly educated philosopher poets Illustrated with 125 archival prints and photos the nobility and grandeur of the Samurai is brilliantly showcased in this book Readers will enjoy immersing themselves in the Samurai world as historian Jonathan Lopez Vera traces the fascinating story of the rise and fall of these enigmatic warriors throughout Japanese history *Japanese History & Culture from Ancient to Modern Times* John W. Dower, 1986 **The**

Nature and Origins of Japanese Imperialism Donald Calman, 2013-02-01 This important book which many will regard as controversial argues convincingly that the Japanese imperialism of the first half of the Twentieth Century was not a temporary aberration The author looks at the detail of the great crisis of 1873 and shows that the prospect of economic gain through overseas expansion was the central issue of that year's political struggles He goes on to show that Japan had a long earlier history of aiming for economic expansion overseas and that Japan's Twentieth Century imperialism grew out of this In addition he argues convincingly that much of the writing about Japan has played down the true extent and nature of Japanese imperialism [The Opening of Japan, 1853-1855](#) William McOmie, 2021-11-15 Sub titled A comparative study of the American British Dutch and Russian naval expeditions to compel the Tokugawa shogunate to conclude treaties and open ports to their ships this highly informed and widely researched study provides for the first time a more complete picture of the competition and cooperation distrust and open hostility of the four protagonists involved in this joint Western enterprise In 1852 the news of the US government's plan to send a large naval expedition to Japan to demand the opening of its ports to American ships excited public interest and elicited differing responses among the European powers For Russia Japan was a neighbouring empire to whose ports it had itself long sought access now its jealousy aroused and its own strategic interests seemingly under threat Russia could not permit the United States to possibly exclude it from Japanese ports In the wake of the Opium war the Dutch king had urged the shogun to peacefully open its ports to the other Western powers now the king and his ministers feared that the US expedition would take an overly aggressive approach that might involve the Netherlands in a war with Japan Having previously opened Chinese ports to the West Britain was occupied there and willing to take a wait and see attitude temporarily conceding a leading role to the United States in Japan France had also previously made approaches to Japan and in case of a successful outcome would not lag far behind in sending its own warships to make arrangements with Japan Thus the stage was set for the race between America and Russia to open Closed Japan and the surrounding seas while the Netherlands worked quietly behind the scenes and Britain and France waited in the wings This volume documents in detail the plans and outcomes of each of the four powers negotiations with Japan lists the clauses of the resulting treaties and offers a comparative analysis of their merits and demerits at the same time it provides a fascinating commentary on the way business was done by the Japanese with each country and its representatives **Kyoto Visual**

Culture in the Early Edo and Meiji Periods Morgan Pitelka, Alice Y. Tseng, 2016-05-20 The city of Kyoto has undergone radical shifts in its significance as a political and cultural center as a hub of the national bureaucracy as a symbolic and religious center and as a site for the production and display of art However the field of Japanese history and culture lacks a book that considers Kyoto on its own terms as a historic city with a changing identity Examining cultural production in the city of Kyoto in two periods of political transition this book promises to be a major step forward in advancing our knowledge of Kyoto's history and culture Its chapters focus on two periods in Kyoto's history in which the old capital was politically marginalized the early Edo period when the center of power shifted from the old imperial capital to the new warriors capital of Edo and the Meiji period when the imperial court itself was moved to the new modern center of Tokyo The contributors argue that in both periods the response of Kyoto elites emperors courtiers tea masters municipal leaders monks and merchants was artistic production and cultural revival As an artistic cultural and historical study of Japan's most important historic city this book will be invaluable to students and scholars of Japanese history Asian history the Edo and Meiji periods art history visual culture and cultural history

The 100 Worst Military Disasters in History John T. Kuehn, 2020-01-16 The 100 Worst Military Disasters in History is a fascinating collection that educators students and historians will all find useful in helping them understand the causes and consequences of the most infamous military failures in history The dynamics of military disaster are equally if not more important as understanding how to achieve success on the battlefield This comprehensive book covers the complete gamut of human history as it tells the compelling stories of the worst military debacles of all time It covers battles campaigns and wars starting with the ancient Persians and Greeks and finishing with the U S conflicts in Afghanistan and Iraq Not limited to land warfare however the book also includes a number of the most disastrous naval engagements and campaigns in world history This title opens with a detailed introduction illuminating the role military strategy and politics played in some of the worst battlefield failures throughout history The entries are augmented with several engaging sidebars related to various military disasters This eclectic collection includes coverage of many lesser known military disasters such as the Taiping Rebellion during which 20 times more Chinese died than the number of people killed in the American Civil War

The Philosophy of Qi Ekiken Kaibara, 2007 Kaibara Ekken 1630-1714 was a prominent Japanese Neo Confucian scholar whose philosophical treatise The Record of Great Doubts is one of the central discourses in East Asia on the importance of qi or the vital force that courses through all life Available for the first time in English this book emphasizes the role of the monism of qi in achieving a life of engagement Ekken believes that moral self cultivation must take place within the dynamic forces of nature and amid the rigorous demands of society and that the vitalism of qi provides the philosophical grounding for this vibrant interaction

Emperor and Aristocracy in Japan, 1467-1680 Lee Butler, 2020-03-23 An institution in decline possessing little power in an age dominated by warriors Or a still potent symbol of social and political legitimacy Emperor and Aristocracy in Japan traces the fate of the imperial Japanese

court from its lowest point during the turbulent century long sengoku when the old society built upon the strength and influence of the court the priesthood and a narrow warrior elite was shaken to its foundations to the Tokugawa era when court culture displayed renewed vitality and tea gatherings flower arranging and architecture flourished In determining how the court managed to persist and survive Butler looks into contemporary documents diaries and letters to reveal the court s internal politics and protocols hierarchies finances and ceremonial observances Emperor and courtiers adjusted to the prominence of the warrior elite even as they held on to the ideological advantages bestowed by birth tradition and culture To this historical precedent the new wielders of power paid dutiful homage ever mindful that ranks and titles as well as the political blessing of the emperor were advantageous marks of distinction

The Bells of Old Tokyo Anna

Sherman,2024-05-01 An elegant and absorbing tour of Tokyo its past and its people from a profoundly evocative writer The Wall Street Journal Longlisted for the Royal Society of Literature s Ondaatje Prize From 1632 until 1854 Japan s rulers restricted contact with foreign countries a near isolation that fostered a remarkable and unique culture that endures to this day In hypnotic prose and sensual detail Anna Sherman describes searching for the great bells by which the inhabitants of Edo later called Tokyo kept the hours in the shoguns city An exploration of Tokyo becomes a meditation not just on time but on history memory and impermanence Through Sherman s journeys around the city and her friendship with the owner of a small exquisite cafe who elevates the making and drinking of coffee to an art form The Bells of Old Tokyo follows haunting voices through the labyrinth that is the Japanese capital An old woman remembers escaping from the American firebombs of World War II A scientist builds the most accurate clock in the world a clock that will not lose a second in five billion years The head of the Tokugawa shogunal house reflects on the destruction of his grandfathers city A lost thing is lost To chase it leads to darkness The Bells of Old Tokyo is a meditative exploration of time and change Tokyo s past although often physically erased by fires or constant demolition and construction in a nation that prizes change and modernization is movingly excavated and evoked in this unusual book The Wall Street Journal A spiritual memoir which weaves between personal storytelling and oral and mythical histories of the old neighborhoods of Tokyo The bells were not always easy to find but Sherman was determined and she successfully brings into focus their elusive stories which point to an appealing past in a city that has moved rapidly into the future Kirkus Reviews An elegant series of musings a beautifully written evocation of a place and a philosophical inquiry into the nature of time itself Shelf Awareness starred review A beautiful debut of creative nonfiction Library Journal starred review A special book a masterpiece The Spectator UK

The Postwar Developments of Japanese Studies in the United States Helen Hardacre,1998 This volume of twelve essays with useful bibliographies in the fields of history art religion literature anthropology political science and law documents the history of United States scholarship on Japan since 1945

The Postwar Development of Japanese Studies in the United States Helen

Hardacre,2023-07-17 The present volume documents the postwar history of United States scholarship on Japan A careful

selection of North American scholars under the general editorship of Helen Hardacre Reischauer Institute Professor of Japanese Religions and Society at Harvard University shows that a range of factors have directed Japanese studies in the United States since 1945 Among these factors are social and political change in Japan and the United States shifts in dominant scholarly concerns about Japan and changing evaluations of area studies The work consists of twelve essays in a wide variety of fields history art religion literature anthropology political science and law Each essay chronicles postwar scholarship in its particular discipline and provides a useful bibliography to serve further reference The general aim of the volume is to put current debates in historical perspective and to help assess the field s achievements It identifies areas requiring more work and charts directions for the future

Events That Formed the Modern World Frank W.

Thackeray, John E. Findling, 2012-05-31 This comprehensive five volume set contains readable essays that describe and interpret the most important global events since the European Renaissance some accompanied by related document excerpts and primary source materials What were the effects of the Age of Exploration on today s ethnic groups and social structure How did the development of moveable type pave the way for Facebook and Twitter Why is the Reformation so critical for understanding today s religious controversies This set will help readers answer these questions by exploring the most significant historical events of the modern world This five volume set covers times from the Renaissance to the present Each volume focuses on a specific historic period and examines 12 events within those time frames that changed the world Each entry provides an introduction that lays out factual material in a chronological manner an in depth essay interpreting the event s significance and an annotated bibliography of the most important current works on the topic Select entries are followed by primary sources pertaining to the event under consideration such as diary entries Targeted to both general readers as well as entry level university students this book also directly supports high school and undergraduate curricula allowing students to identify and contextualize events in order to think critically about their causes aftermath and legacy
