Parenting the Strong-Willed Child, Revised and Updated Edition: The Clinically Proven Five-Week Program for Parents of Two- to Six-Year-Olds Rex Forehand, Nicholas Long, 2002-03-15

The bestselling five week program to improving the disruptive child's behavior now updated and revised Based on more than 40 years of collective research parents and longtime child behavior experts Dr Rex Forehand and Dr Nicholas Long have devised a program to help you find positive and manageable solutions to your child's difficult behavior Now in a revised and updated edition Parenting the Strong Willed Child is a self guided program for managing disruptive young children based on a clinical treatment program This hands on guide provides you with a step by step five week program toward improving your child's behavior as well as the entire family's relationship Providing you with the necessary

tools for successfully managing the difficult child the book covers specific factors that cause or contribute to a child's disruptive behavior ways to develop a more positive atmosphere in your family and home actual reports by parents of difficult children strategies for managing specific behavior problems how to tell if your child might have ADHD and more The Parents' Guide to Psychological First Aid Gerald Koocher, Annette La Greca, 2010-11-01 Does your young daughter talk endlessly about invisible friends dragons in the basement and monsters in the closet Is your teenager about to start high school or being victimized by bullies Is your son mortally afraid of certain insects or of injections at the doctor's office Compiled by two seasoned clinical psychologists The Parents Guide to Psychological First Aid brings together articles by recognized experts who provide you with the information you need to help your child navigate the many trying problems that typically afflict young people Written in an engaging style this book offers sage advice on a raft of everyday problems that have psychological solutions The contributors cover such topics as body image and physical appearance cigarettes drugs and alcohol overeating and obesity dental visits the birth of a sibling and sibling rivalries temper tantrums fostering self esteem shyness and social anxiety and much more Each expert article provides an overview of the issues offers reassurance for minor problems and strategies for crisis management and discusses the red flags that indicate that professional help is needed In addition the book is organized into various categories to make it easier to find information For instance the Family Issues section includes articles on Blended Families Divorce and Traveling the Adolescent Issues section covers such topics as Dating and Driving and the Social Peer Issues section explores such subjects as Sportsmanship Homesickness and Making Friends An encyclopedic reference for parents concerned with maintaining the mental health of their children this indispensable volume will help you help your child to deal effectively with stress and pressure to cope with everyday challenges and to rebound from disappointments mistakes trauma and adversity *LEROY AND CHERYL'S ADVENTURE* WJW, 2013-08 Helping Children Understand Separation and Divorce It is essential that parents and caregivers of children understand the thoughts and feeling that children may have when their parents decide to separate or divorce This can be a very confusing time for children and they need to know that their basic needs will be met and their relationship with both parents will continue Take your child children questions and concerns seriously and listen to what they say During this transition sometime sibling may become closer argue or physically fight Some maybe become emotionally distant Keep in mind that all children are individually different no matter what their age Just as adults adjust differently children adjusts differently In addition realize that feeling of loss and anger is typical emotions These are helpful websites and children books for adults and anyone working with children Childcentereddivorce com Little Parachutes Children picture books about Divorce Separation Kidshealth org Making Divorce Easier on Your Child 50 Effective Ways to Help Children Adjust by Nicholas Long and Rex Forehand Dinosaurs Divorce A guide for changing families by Laurene Krasny Brown and Marc Brown Pre Teen Pressures Divorce by Debra Goldentyer **Assessment and Treatment of Childhood Problems** Carolyn

S. Schroeder, Julianne M. Smith-Boydston, 2017-06-29 This highly accessible work now thoroughly revised has shown thousands of students and clinicians how to assess and treat children's emotional and behavioral difficulties from a developmental perspective. The authors provide a sound understanding of typical development ages 2-12 and the risk and protective factors for psychopathology. Chapters on common psychological disorders and family stressors describe the nature of each problem, review evidence-based treatments, and offer step-by-step guidelines for intervention illustrated with helpful case examples. A comprehensive framework for assessing children and planning treatment is used throughout. Purchasers get access to a Web page where they can download and print the book's 24 reproducible forms and handouts in a convenient 8 1/2 x 11 size. New to This Edition: Chapters on developmental disabilities and trauma. Significantly revised to reflect advances in assessment, treatment, and developmental psychopathology research. Additional material on pharmacological treatments in each disorder-specific chapter. Sibling rivalry chapter expanded to include difficulties with peers. Updated for DSM-5.

Divorce Mediation Manual Stanley L. Bartelmie, 2011-04-04 Divorce Mediation Manual offers an important resource for anyone contemplating divorce. This manual is meant to positively assist and inform couples engaged in the process of divorce mediation, helping them navigate the process. Divorce mediation is about choosing what to do when a marriage is coming apart and decisions must be made about what's best for both parties. If there are children involved, the mediation process can become an important process to promote a healthy connection between the parents and the children. In mediation, the couple meets with a neutral third party, the mediator, with his or her help they work through the issues they need to resolve so they can end their marriage peacefully, respectfully, and inexpensively. The basic topics to resolve in mediation include the following: Division of assets and debts; Child custody and establishing a parenting plan; Child support; Spousal support or family support; Division of employee retirement benefits; Resolving reimbursement claims; Avoiding taxes and defining the tax basis of assets to be divided. Divorce Mediation Manual is an effective guide to making the right choices when considering a divorce or engaged in divorce mediation.

Doing Couple Therapy, First Edition Robert Taibbi, 2012-08-22 Wise, compassionate, and highly practical, this engaging text covers the entire process of therapeutic work with couples, from opening sessions and assessment through skills building, core issues, and termination. Students and novice couple therapists learn effective strategies for intervening with couples of any age who are struggling with acute crises or longstanding conflicts and power struggles. Rich with sensitive, detailed case material, the book features numerous exercises that help readers identify and develop their own strengths as practitioners. Self-care strategies and tips for getting the most out of supervision are provided. Special topics include how to address couple issues with only one partner and couple therapy applications for chronic mental health problems.

Break Up, Don't Break Down D. Ivan Young, 2010 Your relationship may be breaking up, but you will not be breaking down. If anything, you're correcting a mistake that was hurting four people: you and the person you're with, not to mention the two people who you were destined to meet.

Mood Prep 101 Carol

Landau,2020 Rates of depression are skyrocketing in young people between the ages of 12 and 20 Parents whose children are at increased risk for anxiety and depression find themselves especially concerned about how to help their kids achieve a safe healthy and fulfilling college experience Written with humor and compassion Mood Prep 101 A Parent s Guide to Preventing Depression and Anxiety in College Bound Teens answers the question most parents have What can we do when it comes to college bound teens who may be vulnerable to depression or anxiety **Divorce Doesn't Have to Be That Way**
