The Mystery of Mary Stuart Andrew Lang, 1901-01-01 Mr Carlyle not unjustly described the tragedy of Mary Stuart as but a personal incident in the true national History of Scotland He asked for other and more essential things than these revelations of high life Yet he himself wrote in great detail the story of the Diamond Necklace of Marie Antoinette The diamonds of the French the silver Casket of the Scottish Queen with all that turned on them are of real historical interest for these trifles brought to the surface the characters and principles of men living in an age of religious revolution Wells were sunk as it were deep into human personality and the inner characteristics of the age leaped upwards into the light For this reason the *Mystery of Mary Stuart* must always fascinate moreover curiosity has never ceased to be aroused by this problem of Mary's guilt or innocence Hume said a hundred and fifty years ago that the Scottish Jacobite who believed in the Queen's innocence was beyond the reach of reason or argument Yet from America Russia France and Germany we receive works in which the guilt of Mary is denied and the arguments of Hume Robertson Laing Mignet and Froude are contested Every inch of the ground has been inspected as if by detectives on the scene of a recent murder and one might suppose that the Higher

Criticism had uttered its last baseless conjecture and that every syllable of the fatal Casket Letters the only external and documentary testimony to Mary's guilt must have been weighed tested and analysed But this as we shall see is hardly the fact There are points as yet unseized by Germans Mary was never tried by a Court of Justice during her lifetime Her cause has been in process of trial ever since Each newly discovered manuscript like the fragmentary biography by her secretary Nau and the Declaration of the Earl of Morton and the newly translated dispatches of the Spanish ambassadors edited by Major Martin Hume 1894 has brought fresh light and has modified the tactics of the attack and defence As Herr Cardauns remarks at the close of his *Der Sturz der Maria Stuart* we cannot expect finality and our verdicts or hypotheses may be changed by the emergence of some hitherto unknown piece of evidence Already we have seen too many ingenious theories overthrown From the defence of Mary by Goodall 1754 to the triumphant certainties of Chalmers 1818 to the arguments of MM Philippson and Sepp of Mr Hosack and of Sir John Skelton 1880 1895 increasing knowledge of facts new emergence of old MSS have on the whole weakened the position of the defence Mr Henderson's book *The Casket Letters and Mary Stuart* First Edition 1889 is the last word on the matter in this country Mr Henderson was the first to publish in full Morton's sworn Declaration as to the discovery inspection and safe keeping of the fatal Casket and its contents Sir John Skelton's reply told chiefly against minor points of criticism and pal ography The present volume is not a Defence of Mary's innocence My object is to show how the whole problem is affected by the discovery of the Lennox Papers which admit us behind the scenes and enable us to see how Mary's prosecutors especially the Earl of Lennox the father of her murdered husband got up their case The result of criticism of these papers is certainly to reinforce Mr Hosack's argument that there once existed a forged version of the long and monstrous letter to Bothwell from Glasgow generally known as Letter II In this book as originally written I had myself concluded that Letter II as it stands bears evidence of garbling The same is the opinion of Dr Bresslau who accepts the other Casket Papers as genuine The internal chronology of Letter II is certainly quite impossible and in this I detected unskilled dove tailing of genuine and forged elements But I thought it advisable to rewrite the first half of the Letter in modern English as if it were my own composition and while doing this I discovered the simple and ordinary kind of accident which may explain the dislocation of the chronology and remove the evidence to unskilled dove tailing and garbling In the same spirit of rather reluctant conscientiousness I worked out the scheme of dates which makes the Letter capable of being fitted into the actual series of events Thus I am led though with diffidence to infer that though a forged version of Letter II probably once existed the Letter may be at least in part a genuine composition by the Queen The fact however does not absolutely compel belief and unless new manuscripts are discovered may always be doubted by admirers of Mary

**A Short Treatise on the Virgin Mary** Rene Laurentin, 2022-08-26 As a peritus at Vatican II and by the end of his life arguably the world's leading Mariologist Ren Laurentin has earned the privilege of republication of a work of considerable value for any theologian who aims for comprehensiveness of Catholic theological perspective historically and systematically Laurentin's orthodox yet highly original treatment displays his command of all of the relevant biblical patristic medieval and modern texts up to and including the entire proceedings of the Second Vatican Council as well as the whole range of related historical and theological scholarship His proposal to pursue Mariological speculation along two tracks first from above following the course of doctrinal development from biblical revelation to the VCI era and second from below considering Mary's own life walking in her footsteps as it were from before the Annunciation to the Parousia provides a clear accessible structure for the work yielding rich theological and spiritual fruit Not only are all the major Marian doctrines and their developments handled with the greatest sensitivity from the Virgin birth to the modern promulgations of Immaculate Conception and Assumption but Laurentin's approach in his second part opens the way to a human psychological treatment of motherhood still solidly bolstered by traditional Christian anthropology Regarding Mary's status as Mother of God Laurentin's discussion of the Theotokos exhibits his deep ecumenical commitments as much as his specific attention to Mary's soteriological role as a sticking point for Protestantism One of the most striking qualities of the work is Laurentin's deft integration of his evident scholastic formation into an overarching vision thoroughly at ease with the phenomenological personalist and existential currents in which he also inevitably swam throughout his education and professional scholarly

occupation As a result the work can be read and appreciated instinctively as it were as much by the eclectic contemporary theologian influenced by the likes of Heidegger et al as by the Thomist *Mary in the Middle Ages* Luigi
