Casablanca's Conscience Robert Weldon Whalen, 2024-02-06 A new look at a beloved classic film that explores the philosophical dynamics of Casablanca Celebrating its eightieth anniversary this year Casablanca remains one of the world's most enduringly favorite movies It won three Academy Awards for Best Picture Best Director and Best Adapted Screenplay It is still commonly quoted We'll always have Paris and Here's looking at you kid And who can forget You must remember this a kiss is just a kiss Yet no one expected much to come of this little film certainly not its blockbuster stars or even the studio producing it So how did this hastily cranked out 1940s film despite its many limitations become one of the greatest films ever made How is it that year after year decade after decade it continues to appear in the lists of the greatest movies ever produced And why do audiences still weep when Rick and Ilsa part The answer according to Casablanca's Conscience is to paraphrase Rick It's true Much has already been written about the film and the career defining performances of Bogart and Bergman Casablanca is an epic tale of love betrayal and sacrifice set against the backdrop of World War II Yet decades later it continues to capture the imagination of filmgoers In Casablanca's Conscience author Robert Weldon Whalen explains why it still resonates so deeply Applying a new lens to an old classic Whalen focuses on the film's timeless themes Exile Purgatory Irony Love Resistance and Memory He then engages the fictional characters Rick Ilsa and the others against the philosophical and theological discourse of their real contemporaries Hannah Arendt Dietrich Bonhoeffer and Albert Camus The relationships between fictional and historical persons illuminate both the film's era as well as perennial human concerns Both the film and the work of the philosophers explore dimensions of the human experience which while extreme are familiar to everyone It's the themes that resonate with the viewer that have sustained it as an evergreen classic all these years

A Hard Fought Ship John A Rodgaard, 2024-06-30 Here is the exhaustive and exhilarating story of HMS *Venomous* one of sixty seven V W destroyers built at the end of the Great War that were to play a key role in the struggle to keep the sea lanes open in the Atlantic Home Waters and the Mediterranean during the following war Her story was perhaps the most memorable of all her class When war broke out she was to find herself in the front line as the German blitzkrieg swept across Europe in 1940 and the V Ws made high speed dashes across the Channel to bring troops and civilians back from Calais Boulogne and Dunkirk and prepared for the expected invasion Later that year she and her sister ships escorted the Atlantic convoys which supplied our Russian allies with the weapons to halt the German advance She returned to the Mediterranean and took part in Operation Pedestal to save Malta and as the allies prepared for the landings in North Africa she was ordered to escort the destroyer depot ship HMS *Hecla* to the invasion beaches When *Hecla* was torpedoed off the coast off Morocco *Venomous* fought the attacking U boat and rescued 500 survivors She escorted convoys along the coast of North Africa including the first through convoy from Gibraltar to Alexandria and she joined the invasion force to Sicily during Operation Husky In October 1943 she returned to Britain for a major refit at Falmouth when she was converted to an air target ship for training Barracuda torpedo bombers based at Douglas Isle of Man and then after being transferred to the east coast she was nearly lost in a hurricane before being sent to Kristiansand to accept the surrender of German naval forces *Venomous* and her sister ships were all scrapped after the War but her extraordinary career during which she fought without cessation is brought to life in this rousing and beautifully told ship biography a fitting memorial to the V Ws and the men who served in them I would rate this as being in the same class as *The Cruel Sea* for a picture of small ship life in World War Two

The Naval Review A portrayal of life on a wartime destroyer with a depth and insight that is possible unequalled by any previously published work *Warship Annual* This book is outstanding for its detailed insight into the life on not just a single destroyer but by extension life at sea aboard and Royal Navy destroyer *The Northern Mariner* *A Hard Fought Ship* is a vivid portrait of a fighting vessel and the men who operated her *Warships International Fleet Review* Highly recommended to both naval historians and the general public *Mariner s Mirror* It is an exemplary ship biography where a detailed narrative of the destroyer s exploits are brought to life by a wealth of first hand accounts *Navy News* This book is a detailed and thrilling

The (Almost) Complete Hitchhiker in Time Shawn M. Tomlinson,2015-11-07 The Hitchhiker in Time columns were the single most popular things ever written by Shawn

M Tomlinson which honestly doesn't say all that much. All together they appeared in fewer than 10 newspapers between 1988 and 2001. Well, multiple copies of those newspapers, of course. The highest circulation was approximately 40,000, so not exactly Bob Greene levels. Still, Tomlinson had a following with these columns, and to a great extent they hold up well today. Either that or Tomlinson would like to think so. Many of these columns appeared in chapbooks over the years, but this is the first full collection of them to be in print.

Lady Tempts a Rogue Collette Cameron, 2023-02-14. What happens when a runaway rogue and a fearless spinster make an impossible bargain? A rake's flight. Devin Everingham is notorious for two things: his devil-may-care charm and his steadfast refusal to marry. But when his formidable mother issues an ultimatum: find a wife or lose his inheritance, Devin does what any self-respecting rogue would do: he vanishes. Crossing continents to escape the altar, he plans to return only when the scandal has cooled. What he doesn't plan for is the captivating woman who barrels into his life, bringing chaos, complications, and temptation. A spinster's plight. Trinity Ablethorne has given up on the fantasies of romance and grand passion. A confirmed spinster with a taste for adventure, she's more at home trekking foreign lands than curtsying in drawing rooms. But when a string of misfortunes leaves her stranded in a dangerous, plague-stricken country, she's left with one impossible option: a marriage of convenience to the infuriatingly handsome rake who seems as wary of love as she is. A union forged in desperation. What begins as a convenient solution spirals into something neither of them can control. With every stolen glance, every searing kiss, Devin and Trinity edge closer to surrendering their hearts. But old secrets and hidden dangers threaten to tear them apart before they can even begin. Can a rogue with no intention of settling down and a woman who's vowed to remain untethered find the courage to risk everything for a love they never sought?
