Miller, Robert W. Cherny, James L. Gormly, Douglas R. Egerton, Kelly A. Woestman, 2013-01-01 MAKING AMERICA A HISTORY OF THE UNITED STATES BRIEF 6E International Edition presents history as a dynamic process shaped by human expectations difficult choices and often the surprising consequences With this focus on history as a process MAKING AMERICA A HISTORY OF THE UNITED STATES BRIEF 6E International Edition encourages students to think historically and to develop into citizens who value the past The clear chronology straightforward narrative and strong thematic structure emphasize communication over intimidation and appeal to students of varied learning levels MAKING AMERICA A HISTORY OF THE UNITED STATES BRIEF 6E International Edition retains a hallmark feature of the MAKING AMERICA program pedagogical tools that allow students to master complex material and enable them to develop analytical skills Every chapter has chapter outlines chronologies focus questions and on page glossaries defining both key terms and general vocabulary to provide guidance

throughout the text the open inviting design allows students to access and use pedagogy to improve learning A wealth of images throughout provides a visual connection to the past with captions that help students analyze the subject of the painting photograph or artifact from a historical point of view Investigating America gets to the heart of learning history reading and analyzing primary sources A new feature In The Wider World introduces a global perspective for each chapter In addition a new map program provides clear visually engaging maps with globe insets to put the map in a global context for the student Available in the following split options MAKING AMERICA A HISTORY OF THE UNITED STATES BRIEF 6E International Edition Complete MAKING AMERICA A HISTORY OF THE UNITED STATES BRIEF 6E International Edition Volume 1 To 1877 and MAKING AMERICA A HISTORY OF THE UNITED STATES BRIEF 6E International Edition Volume 2 Since 1865 *Making America, Volume 2: Since 1865* Carol Berkin, Christopher L. Miller, Robert W. Cherny, James L. Gormly, Douglas R. Egerton, Kelly A. Woestman, 2013-01-01 MAKING AMERICA A HISTORY OF THE UNITED STATES VOLUME 2 SINCE 1865 BRIEF 6E International Edition presents history as a dynamic process shaped by human expectations difficult choices and often the surprising consequences With this focus on history as a process MAKING AMERICA A HISTORY OF THE UNITED STATES VOLUME 2 SINCE 1865 BRIEF 6E International Edition encourages you to think historically and to value the past With a clear chronology straightforward narrative and strong thematic structure MAKING AMERICA A HISTORY OF THE UNITED STATES VOLUME 2 SINCE 1865 BRIEF 6E International Edition is easy to read MAKING AMERICA A HISTORY OF THE UNITED STATES VOLUME 2 SINCE 1865 BRIEF 6E International Edition retains a hallmark feature of the MAKING AMERICA program tools that help you master complex material and develop analytical skills Every chapter has chapter outlines chronologies focus questions and on page glossaries defining both key terms and general vocabulary to provide guidance throughout the text and improve your learning A wealth of images throughout provides a visual connection to the past with captions that help you analyze the subject of the painting photograph or artifact from a historical point of view Investigating America gets to the heart of learning history reading and analyzing primary sources A new feature In The Wider World introduces a global perspective for each chapter In addition a new map program provides clear visually engaging maps with globe insets to put the map in a global context Available in the following split options MAKING AMERICA A HISTORY OF THE UNITED STATES BRIEF 6E International Edition Complete MAKING AMERICA A HISTORY OF THE UNITED STATES Volume 1 To 1877 BRIEF 6E International Edition and MAKING AMERICA A HISTORY OF THE UNITED STATES VOLUME 2 SINCE 1865 BRIEF 6E International Edition **The Many Panics of 1837** Jessica M. Lepler, 2013-09-16 In the spring of 1837 people panicked as financial and economic uncertainty spread within and between New York New Orleans and London Although the period of panic would dramatically influence political cultural and social history those who panicked sought to erase from history their experiences of one of America s worst early financial crises The Many Panics of 1837 reconstructs this period in order to make arguments about the national

boundaries of history the role of information in the economy the personal and local nature of national and international events the origins and dissemination of economic ideas and most importantly what actually happened in 1837 This riveting transatlantic cultural history based on archival research on two continents reveals how people transformed their experiences of financial crisis into the Panic of 1837 a single event that would serve as a turning point in American history and an early inspiration for business cycle theory To Make America Ida Altman, James Horn, 2023-04-28 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1991

Berkin Making America Vol 1 5th Ed + United States History Atlas 2nd Ed ANONIMO, Houghton Mifflin Company, 2007-10-01 History of the United States of America, Under the Constitution: 1783-1801. Rule of Federalism James Schouler, 1894 **The United States Catalog**, 1924 **The Pentagon's Battle for the American Mind** Lori L. Bogle, 2004-10-12 The U S military has historically believed itself to be the institution best suited to develop the character spiritual values and patriotism of American youth In *Strategy for Survival* Lori Bogle investigates how the armed forces assigned itself the role of guardian and interpreter of national values and why it sought to create ideologically sound Americans capable of defeating communism and assuring the victory of democracy at home and abroad Bogle shows that a tendency by some in the armed forces to diffuse their view of America's civil religion among the general population predated tension with the Soviet Union Bogle traces this trend from the Progressive Era through the early Cold War when the Truman and Eisenhower administrations took seriously the battle of ideologies of that era and formulated plans that promised not only to meet the armed forces manpower needs but also to prepare the American public morally and spiritually for confrontation with the evils of communism Both Truman's plan for Universal Military Training and Eisenhower's psychological warfare programs promoted an evangelical democracy and sought to inculcate a secular civil military religion in the general public During the early 1960s joint military civilian anticommunist conferences organized by the authority of the Department of Defense were exploited by ultra conservative civilians advancing their own political and religious agendas Bogle's analysis suggests that cooperation among evangelicals the military and government was considered both necessary and normal The Boy Scouts pushed a narrow vision of American democracy and Joe McCarthy's chauvinism was less an aberration than a particularly noxious manifestation of a widespread attitude To combat communism American society and its armed forces embraced brainwashing narrow moral education that attacked everyone and everything not consonant with their view of the world and how it ought to be ordered Exposure of this alliance ultimately dissolved it However the cult of toughness and the blinkered view of reality that characterized the armed forces and American society during the Cold War are still valued by many and are thus still worthy of consideration Founding Myths Ray Raphael, 2014-07-04 The tenth

anniversary edition of the book that showed why we must move past historical nonsense so that a truer more democratic national record can emerge School Library Journal Originally published to universal acclaim award winning historian Ray Raphael's *Founding Myths* has since established itself as a landmark of historical myth busting With Raphael's trademark wit and flair *Founding Myths* exposed the errors and inventions in America's most cherished tales from Paul Revere's famous ride to Patrick Henry's Liberty or Death speech For the thousands who have been captivated by Raphael's eye opening accounts history has never been the same In this revised tenth anniversary edition Raphael revisits the original myths and further explores their evolution over time uncovering new stories and peeling back new layers of misinformation This new edition also examines the highly politicized debates over America's past as well as how our approach to history in school reinforces rather than corrects historical mistakes A book that explores the truth behind the stories of the making of our nation National Public Radio this revised edition of *Founding Myths* will be a welcome resource for anyone seeking to separate historical fact from fiction *Making America* Luther S. Luedtke,1992 In this richly interdisciplinary work twenty eight of the nation's leading critics and scholars offer a comprehensive exploration of American society and culture Each outstanding in his or her own field the contributors address America from a diversity of perspectives *Trump and the Protestant Reaction to Make America Great Again* Matthew Rowley,2020-11-01 This book explores how polarised interpretations of America's past influence the present and vice versa A focus on competing Protestant reactions to President Trump's Make America Great Again slogan evidences a fundamental divide over how America should remember historical racism sexism and exploitation Additionally these Protestants disagree over how the past influences present injustice and equality The 2020 killing of George Floyd forced these rival histories into the open Rowley proposes that recovering a complex view of the past confessing the bad and embracing the good might help Americans have a shared memory that can bridge polarisation and work to secure justice and equality An accessible and timely book this is essential reading for those concerned with the vexed relationship of religion and politics in the United States including students and scholars in the fields of Protestantism history political science religious studies and sociology *Making America, Making American Literature* A. Robert Lee,W. M. Verhoeven,1996 If 1776 heralds America's Birth of the Nation so too it witnesses the rise of a matching and overlapping American Literature For between the 1770s and the 1820s American writing moves on from the ancestral Puritanism of New England and Virginia though not as yet into the American Renaissance so strikingly called for by Ralph Waldo Emerson Even so the concourse of voices which arise in this period that is between and including Benjamin Franklin and James Fenimore Cooper mark both a key transitional literary generation and yet one all too easily passed over in its own imaginative right This collection of fifteen specially commissioned essays seeks to establish new bearings a revision of one of the key political and literary eras in American culture Not only are Franklin and Cooper themselves carefully re evaluated in the making of America's new literary republic but figures like Charles Brockden Brown Washington Irving Philip Freneau William Cullen

Bryant the other Alexander Hamilton and the playwrights Royall Tyler and William Dunlop Other essays take a more inclusive perspective whether American epistolary fiction a first generation of American women authored fiction the public discourse of The Federalist Papers the rise of the American periodical or the founding African American generation of Phillis Wheatley What unites all the essays is the common assumption that the making of America was as much a matter of creating its national literature as the making of American literature was a matter of shaping a national identity

The United States Catalog Mary Burnham, Carol Hurd, 1928 *Civil War America, 1850 To 1875* Richard F. Selcer, 2014-05-14 Features essays statistical data period photographs maps and documents

Making America Green and Safe Alan D. Hecht, 2018-10-01 Since history is a critical part of future planning the eight chapters of this book offer both academics and the general public a historical perspective of the evolution of science and policy actions on climate change and steps toward building a resilient and sustainable society especially at the Environmental Protection Agency EPA Reflecting the world today especially at the EPA the author who is a long time academic and government policy maker and researcher acknowledges that as David Barry once said March 22 1999 We live in troubled times but I feel good about myself about my homeland and about all nations and yes about the future of humanity And I will tell you why I am on painkillers Pain killers are not what we want for the future Given the pressures of many megatrends business and government must take bipartisan actions to move toward a resilient and sustainable world The book provides detailed insights into how best to deal with the nexus of environmental social and economic problems and how to ensure strong economic growth while protecting the environment

George W. Bush: bk. 2. July 1 to December 31, 2002 United States.
