## **Making Clothes For Young Children:**

Making Clothes for Your Little Girl Helen Nicol Tanous, 2013-04-16 This book contains a vintage guide to designing and making clothes for young girls with information on buying material fitting and making a range of items ranging from skirts to jumpers With simple directions and helpful illustrations this timeless volume is ideal for those with little previous experience and would make for a worthy addition to family collections Contents include What is Important Planning Your Child s Wardrobe Selecting the Fabric How Much Material to Buy Let s Make it Fit The Hard to Fit Child The Basic Patterns Long Gathered Sleeve Skirts Circle Skirt Preparing your Patterns How Long Will it Take Assembling the Garment etc Many vintage books such as this are becoming increasingly scarce and expensive We are republishing this volume now in an affordable high quality edition complete with a specially commissioned new introduction on dressmaking and tailoring Making, Selling and Wearing Boys' Clothes in Late-Victorian England Clare Rose, 2016-12-05 There has been a great deal of recent interest in masculine clothing examining both its production and consumption and the ways in which it was used to create individual identities and to build businesses from 1850 onwards Drawing upon a wide range of sources this book studies the interaction between producers and consumers at a key period in the development of the ready made clothing industry It also shows that many innovations in advertising clothing usually considered to have been developed in America had earlier British precedents To counter the lack of documentary evidence that has hitherto hampered research into the dress practices of non elite groups this book utilises thousands of unpublished visual documents These include hundreds of manufacturers designs which underline an unexpected degree of investment by manufacturers in boys clothing and which was matched by heavy investment in advertising with thousands of images of boys clothing for shop catalogues in the Stationers Hall copyright archive Another key source is the archives of Dr Barnardo s Homes This extraordinary collection contains over 15 000 documented photographs of boys entering between 1875 and 1900 allowing us to look beyond official polarization of raggedness and respectability used by charities and social reformers of all stripes and to establish the clothing that was actually worn by a large sample of boys A close analysis of 1 800 images reveals that even when families were impoverished they strove to present their boys in ways that reflected their position in the family group and in society By drawing on these visual sources and linking the design and retailing of boys clothing with social cultural and economic issues this book shows that an understanding of the production and consumption of the boys clothing is central to debates on the growth of the consumer society the development of mass market fashion and concepts of childhood and masculinity Sewing Clothes Kids Love Nancy Langdon, Nancy J. *The Big House after Slavery* Amy Feely Morsman, 2010-10-13 The Big House after Slavery examines the economic

social and political challenges that Virginia planter families faced following Confederate defeat and emancipation Amy Feely Morsman addresses how men and women of the planter class responded to postwar problems and how their adaptations to life without slavery altered their marital relationships and their conceptions of gender roles Unable to afford many servants in the new free labor economy many of Virginia's former masters put themselves to work on their plantations and their wives had to expand their responsibilities as well taking on the tasks of cooking and cleaning in addition to working in the garden the henhouse and the dairy Laboring in these ways and struggling to maintain their standing as elites contributed to an identity crisis among Virginia planters It also led them to practice mutuality within their own marriages and to reconsider what proper Southern womanhood and manhood meant in the new postwar order Using newspapers periodicals organization records and numerous letters from Virginia plantation families Morsman captures how these frustrated elites made sense of embarrassing postwar changes in the private but also in the public spheres they inhabited Morsman suggests that the planters' adaptations may have been carried forward by their adult children away from the crumbling plantations and into the urban households of the New South
