Congress,1998      Midrashic Women Judith R. Baskin,2015-05-01 While most gender based analyses of rabbinic Judaism concentrate on the status of women in the halakhah the rabbinic legal tradition Judith R Baskin turns her attention to the construction of women in the aggadic midrash a collection of expansions of the biblical text rabbinic ruminations and homiletical discourses that constitutes the non legal component of rabbinic literature Examining rabbinic convictions of female alterity competing narratives of creation and justifications of female disadvantages as well as aggadic understandings of the ideal wife the dilemma of infertility and women among women and as individuals she shows that rabbinic Judaism a tradition formed by men for a male community deeply valued the essential contributions of wives and mothers while also

consciously constructing women as other and lesser than men Recent feminist scholarship has illuminated many aspects of the significance of gender in biblical and halakhic texts but there has been little previous study of how aggadic literature portrays females and the feminine Such representations Baskin argues often offer a more nuanced and complex view of women and their actual lives than the rigorous proscriptions of legal discourse     *Resources in Education* ,1997     *The Holy Bible* ,1856     **Literary News** ,1894     **Literary News** Frederick Leypoldt,1895     *The New York Times Index* ,1928     *The Smart Set* George Jean Nathan, Henry Louis Mencken,1926     **How To Make Maximum Money With Minimum Customers** Craig Garber,2011-05 If you are passionate about marketing selling or making money in business then this is the most exciting and important book you will ever read the strategies inside are easy to use even if you feel awkward when it comes to selling and marketing and everything is delivered in plain and simple English Back cover     Field & Stream ,1975-12 FIELD STREAM America s largest outdoor sports magazine celebrates the outdoor experience with great stories compelling photography and sound advice while honoring the traditions hunters and fishermen have passed down for generations
