Markert,2023-08-18 At least since the rise of the Nashville sound in the 1950s Tennessee's capital city has attracted numerous books and articles offering insight into the celebrity machine known as Music City But behind the artist in the limelight are a host of support personnel and contributors who shape the artist's music Of these myriad occupations within the music industry only two have received significant attention executives at the major labels and elite songwriters who have forged a path to the top of the charts In *Making Music in Music City* sociologist John Markert compiles and assesses more than one hundred interviews with industry professionals whose roles have been less often examined producers publishers songwriters management studio musicians and more The book naturally pivots around the country music industry but also discusses Nashville's role in other forms of modern music such as rock Christian and rap Markert's in depth interviews with key music professionals provide a fresh perspective on the roles of critical players in Nashville's music industry This book sheds light not only on the complexities of the industry and the occupational changes taking place but on the critical role of those who work behind the scenes to shape the music that ultimately reaches the public Through firsthand accounts *Making Music in Music City* analyzes just what it takes to create produce and disseminate the Nashville sound *Making Music and Enriching Lives* Bonnie Blanchard,Cynthia Blanchard Acree,2007-06-22 Addresses comprehensive across the board issues that affect the teachers students and musicians This book shows specifics not only about how to teach music but also about how to motivate and inspire students of any age *Making Music in Los Angeles* Catherine Parsons Smith,2007-10-16 A social history of music in Los Angeles from the 1880s to 1940 this title ventures into an often neglected period to discover that during America's Progressive Era LA was a centre for making music long before it became a major metropolis **Music Business Essentials** Mark Cabaniss,2018-10-22 Today's music business is more challenging than ever but music's availability and the consumption of this powerful force offer unprecedented opportunities for those with the desire to succeed *Music Business Essentials A Guide for Aspiring Professionals* takes musicians and beginning business students on a journey full of vital nuts and bolts knowledge as well as practical wisdom from a veteran industry professional Although the dynamic music industry is always changing Mark Cabaniss's concise and encouraging yet realistic approach reveals unchanging principles to guide readers towards successful and fulfilling careers in music From band dynamics and touring to songwriting and publishing and from branding and promotion to record labels and revenue streams Cabaniss covers the entire music machine from the talent to the tax returns *Music Business Essentials* is an easy to read introduction that will prove an invaluable handbook for reference time and again It is ideal for college students high school students and anyone interested in a career in music **Making Music Your Business** David Ellefson,1997-04 Provides an inside guide to the music business including management record labels music publishing promotion touring endorsement and negotiating deals *Making Music American* E. Douglas Bomberger,2018-11-01 The year 1917 was unlike any other in American history or in the history of American music The United States entered World War I jazz burst onto the national scene and the German

musicians who dominated classical music were forced from the stage As the year progressed New Orleans natives Nick LaRocca and Freddie Keppard popularized the new genre of jazz a style that suited the frantic mood of the era African American bandleader James Reese Europe accepted the challenge of making the band of the Fifteenth New York Infantry into the best military band in the country Orchestral conductors Walter Damrosch and Karl Muck met the public demand for classical music while also responding to new calls for patriotic music Violinist Fritz Kreisler pianist Olga Samaroff and contralto Ernestine Schumann Heink gave American audiences the best of Old World musical traditions while walking a tightrope of suspicion because of their German sympathies Before the end of the year the careers of these eight musicians would be upended and music in America would never be the same Making Music American recounts the musical events of this tumultuous year month by month from New Year's Eve 1916 to New Year's Day 1918 As the story unfolds the lives of these eight musicians intersect in surprising ways illuminating the transformation of American attitudes toward music both European and American In this unsettled time no one was safe from suspicion but America's passion for music made the rewards high for those who could balance musical skill with diplomatic savvy

Direct Licensing and the Music Industry Ivan L Pitt, 2015-10-13 This book discusses the economics of the music industry in the context of the changing landscape brought about by innovation technological change and rapid digitization The ability of digital technology to reduce the transaction costs of music copyright licensing has all but destroyed the traditional media business models of incumbent Performance Rights Organizations PROs music publishers record labels and radio and television stations In a climate where streaming services are rapidly proliferating and consumers prefer subscription models over direct ownership new business models such as direct licensing are developing This book provides an overview of the economics of the traditional music industry the technology induced changes in business models and copyright law and the role of publishers copyright holders and songwriters in the emerging direct licensing model In Part One the author examines the economic aspects of direct licensing as an alternative to the traditional blanket license for copyrighted musical compositions with an emphasis on the often monopolistic nature of PROs In Part Two the author focuses on the music publisher and the role direct licensing and competition may play in the changing business models in the music industry and the potential benefits this may bring to copyright holders such as songwriters To compliment this model the author proposes a maximum statutory fixed rate for musical performances to further streamline the royalty process especially where distributors such as Google and YouTube are concerned This book adds to the growing body of literature on the economics of music licensing in the digital age It will be useful to those in the fields of economics and law as well as music executives musicians songwriters composers and other industry professionals who are interested in understanding how technology innovation and competition have reshaped the music industry
