Donaldson, 2009-07-22 F Scott Fitzgerald and Ernest Hemingway might have been contemporaries but our understanding of their work often rests on simple differences Hemingway wrestled with war fraternity and the violence of nature Fitzgerald satirized money and class and the never ending pursuit of a material tomorrow Through the provocative arguments of Scott Donaldson however the affinities between these two authors become brilliantly clear The result is a reorientation of how we read twentieth century American literature Known for his penetrating studies of Fitzgerald and Hemingway Donaldson traces the creative genius of these authors and the surprising overlaps among their works Fitzgerald and Hemingway both wrote fiction out of their experiences rather than about them Therefore Donaldson pursues both biography and criticism in these essays with a deep commitment to close reading He traces the influence of celebrity culture on the legacies of both writers matches an analysis of Hemingway's Spanish Civil War writings to a treatment of Fitzgerald's left leaning tendencies and contrasts the averted gaze in Hemingway's fiction with the role of possessions in *The Great Gatsby* He devotes several essays to four novels *Gatsby* *Tender Is the Night* *The Sun Also Rises* and *A Farewell to Arms* and others to lesser known short stories Based on years of research in the Fitzgerald and Hemingway archives and brimming with Donaldson's trademark wit and insight this irresistible anthology moves the study of American literature in bold new directions

The Making of a Bestseller

Arthur T. Vanderbilt, 1999-01-01 Writer F Scott Fitzgerald's career itself is a metaphor for the vagaries of book publishing If Fitzgerald would have had his way we would today refer to *The Great Gatsby* as either *Gold Hatted Gatsby* *Trimalchio in West Egg* or *The High Bouncing Lover* A few years before *Gatsby* Fitzgerald had become a literary sensation at the age of 23 Helen Hooven Santmyer a contemporary of Fitzgerald's would not have a successful novel published until she was 88 and living in a nursing home In this book the author explores that mysterious place in publishing where art and commerce can either clash mesh or both Along the way a wide range of authors from the literary greats to today's commercial superstars editors agents and publishers share their thoughts insights and experiences What inspires writers John Steinbeck for example wrote every novel as if it were his last as if death were imminent Why are some books successful and appreciated while others fall into oblivion The answers are often elusive never absolute but the stories and anecdotes are always fascinating

Scott Fitzgerald on Authorship Francis Scott Fitzgerald, 1996 In a substantial introduction to the volume Matthew J. Bruccoli positions Fitzgerald as a case history for the profession of authorship approach to American literary history formulated by William Charvat Bruccoli notes that more is known about the professional life of Fitzgerald than about that of any other major American author and drawing on that wealth of information he challenges familiar myths about Fitzgerald's squandering of fortunes and literary genius Bruccoli exposes the error of segregating

Inhaltsangabe Abstract Paris has traditionally called to the American heart beginning with the arrival of Benjamin Franklin in 1776 in an effort to win the support of France for the colonies War of Independence Franklin would remain in Paris for nine years returning to Philadelphia in 1785 Then in the first great period of American literature before 1860 literary pioneers such as Washington Irving James Fenimore Cooper Henry Wadsworth Longfellow Ralph Waldo Emerson and Nathaniel Hawthorne were all to spend time in the French capital Henry James toward the close of the nineteenth century was the first to create the image of a talented literary artist who was ready to forswear his citizenship From his adopted home in England he traveled widely through Italy and France living in Paris for two years There he became close friends with another literary expatriate Edith Wharton who made Paris her permanent home Between them they gave the term expatriate a high literary polish at the turn of the century and their prestige was undeniable They were the in cosmopolitans sought out by traveling Americans commented on in the press the favored guests of scholars as well as men and women of affairs This thesis investigates the mass expatriation of Americans to Paris during the 1920s and then focuses on selected works by two of the expatriates Ernest Hemingway's *The Sun Also Rises* 1926 and F Scott Fitzgerald's *The Great Gatsby* 1925 The specific emphasis is on disillusionment with the American lifestyle as reflected in these novels The two books have been chosen because both are prominent examples of the literary criticism that Americans were directing at their homeland from abroad throughout the twenties In a first step necessary historical background regarding the nature of the American lifestyle is provided in chapter two This information is included in order to facilitate a better understanding of what Hemingway and Fitzgerald were actually disillusioned with Furthermore that lifestyle was a primary motivating factor behind the expatriation of many United States citizens Attention is given to the extraordinary nature of the American migration to Paris in the twenties as the sheer volume of exiles set it apart from any expatriation movement before or since in American history Moreover a vast majority of the participants were writers artists or intellectuals a fact which suggests the United States

during *University of Virginia Magazine* ,1925 F. Scott Fitzgerald A. Hook,2002-08-05 Often seen as a mirroring the contemporary movement of American history itself Scott Fitzgerald s literary life was a roller coaster ride from early success in the 1920s to apparent oblivion by the end of the 1930s This study attempts to account for such a problematic career by focusing on Fitzgerald s struggle to sustain a perilous balancing act between his commitment to a totally involving life on the one hand and his parallel commitment to the serious business of art on the other
