Marriage Sacrament Of Hope And Challenge:

Marriage William P. Roberts, 1983 *Christian Marriage and Family* Michael G. Lawler, William P. Roberts, 1996 A definite shift in the Catholic Church's understanding of marriage took place at Vatican Council II Rather than perceiving marriage as a contract whose primary purpose was the procreation of children the council spoke of marriage as an intimate partnership of life and love Then recapturing an earlier tradition it went on to describe the family as a domestic church In this book seven theologians who have lectured and written extensively on marriage probe the rich theology of marriage and family that emerged from Vatican II and explore some of the implications that flow from this theology Part One reflects on the sacramentality of marriage and on the family as a church of the home Part Two examines the pastoral implications this has for marital and family ministry and spirituality BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved The Liturgy That Does Justice James L. Empereur, Christopher G. Kiesling, 2006-02-09 Fr Jake Empereur S J vicar and liturgist at the San Fernando Cathedral in San Antonio Texas was for many years a professor of systematic and liturgical theology at the Jesuit School of Theology at Berkeley and the Graduate Theological Union During that time he founded the Institute for Spirituality and Worship a nine month renewal program which has trained people from all around the world He was also the founding editor of Modern Liturgy Magazine that still continues today under the name of Ministry and Liturgy At Berkeley he was very much involved in the area of theology and the arts He also taught courses in the enneagram and spiritual direction In 1994 he moved to San Antonio Texas to work in Hispanic ministry at the San Fernando Cathedral and to be the cathedral liturgist There he continues his work in teaching and writing while being engaged as a full time parish priest He is the author of several books and articles in the field of liturgy and sacraments His latest books are *The Enneagram and Spiritual Direction* and *Spiritual Direction and the Gay Person* His latest book with the title of *La Vida Sacra Hispanic Sacramental Theology* should appear in 2006 Christopher G Kiesling is also the author of *The Spirit and Practice of the Liturgy*, *The Future of the Christian Sunday*, and *Celibacy Prayer and Friendship*

Tanye, 2010 Ethnocentrism is one of the greatest obstacles to peace on the African continent Taking the Church as Family of God as a model of evangelization this work explores means of inculturating the Gospel message in African cultures in order to transform them make them blossom and enable Africans to live as authentic Christians in their cultures It examines the values of African extended families and the prospects of interreligious dialogue as means through which the various religious bodies can effectively work together to overcome ethnocentrism and its evil effects and thus establish a wholesome African society where every human person is at home irrespective of family orientation or tribal background

Divorce and Remarriage William P. Roberts, 1990 The University of Dayton sponsored a national symposium to discuss

the topic Divorce and Remarriage Religious and Psychological Perspectives This book contains the major papers presented at that symposium This book will aid those interested in learning more about some of the complex issues relating to divorce and remarriage Educators marriage tribunal personnel and those engaged in family life ministry to the separated and divorced will find this book especially useful Clinical Handbook of Pastoral Counseling Robert J. Wicks, Richard D. Parsons, Donald Capps, 1993 Vol 2 Richard J Wicks and Richard D Parsons editors Vol 2 3 lack edition statement Includes bibliographical references and indexes *The Grace of the Rosary* David P. Reid, From Trent to Vatican II Raymond F. Bulman, Frederick J. Parrella, 2006-05-25 The second Vatican Council was convened by Pope John XXIII between 1962 and 1965 It marked a fundamental shift toward the modern Church and its far reaching innovations replaced or radically changed many of the practices rules and attitudes that had dominated Catholic life and culture since the Council of Trent in the sixteenth century In this book a distinguished team of historians and theologians offers an impartial investigation of the relationship between Vatican II and Trent by examining such issues as Eucharistic theology liturgical change clerical reform the laity the role of women marriage confession devotion to Mary and interfaith understanding As the first book to present such a comprehensive study of the connection between the two great Councils this is an invaluable resource for students theologians and church historians as well as for bishops clergy and religious educators Thorny Issues William P. Roberts, 2000 The author focuses on the seven issues indicated above the meaning of such controversial issues as sexual integrity divorce and remarriage homosexual orientation mandatory priestly celibacy the priestly ordination of women abortion and the papacy The author s purpose is not to rehash all the old arguments on the diverse sides of these topics It is to strive to reflect on each of the topics in their broader theological pastoral and spiritual context **Hope Against Hope** Leonard Bowman, 2001-04-29 A conflict of hope is causing tensions in Church and society Hope Against Hope describes two common forms of hope Apocalyptic hope stresses conflict and looks forward to Doomsday Cosmic hope stresses reconciliation and looks forward to universal harmony Reflecting on this conflict Hope Against Hope draws on the Bible and on everyday wisdom to highlight the strengths and deficiencies of both common forms of hope Then it leads toward a good hope that balances the good in both and goes beyond them to their root This way focuses on the great surprise of the New Testament the resurrection Then it finds the power of the resurrection at work surprisingly in the simplest human relationships From that simple insight comes a promising direction for the future and a clear moral compass **Sacraments & Sacramentality** Bernard J. Cooke, 1994 Identifies sacramentality as the essence of life how life s meaning reveals and makes present the saving love of God For the author the totality of Jesus mission is the root of each Christian s ability and calling to transform and sanctify the human experience of living **Horizons** , 1984 The Living Church , 1954 **Once More with Love** Bobbi Coyle-Hennessey, Bobbi Doyle-Hennessey, 1993 Understanding that second marriages fail at an even more alarming rate than first marriages this practical down to earth book offers useful strategies for coping with the problems and

issues of remarriage Focusing on communication and conflict resolution skills it also presents resources to help deepen and enrich relationships Includes worksheets

A People of Hope John L. Allen, Jr., Timothy M. Dolan, 2013-07-09 One of the world's most respected religion journalists profiles New York's Archbishop Timothy Dolan one of the country's and possibly the world's most important Catholic leaders through lengthy exclusive interviews Unique among the current leadership of the Catholic Church Archbishop Dolan shares his insightful perspective in this series of conversations on the present and future of Catholicism In these pages Dolan shares a perspective which is typically not part of the information an average person would know through today's media This omission often leaves outsiders with a terribly flawed grasp of what's actually happening in the Church Legitimate stories on for example abuse and Church authority can't be dissolved by reactive conspiracy theories about how the media is out to get the Catholic Church That said if these scandals are all there is to the Catholic Church why would anyone bother being Catholic It may not be surprising that there are an estimated 22 million ex-Catholics out there yet it is revealing that even more people have chosen to remain with the Church Tens of millions of Americans and hundreds of millions more around the world still turn to the Church for inspiration for its sacramental life for its experience of community and service In every diocese in America you can find parishes that are flourishing The faith represented there is not an exaggerated religious frenzy that feeds an uncritical view of the Church Catholics are nothing if not sober realists about the humanity of their institutions and leaders They see the Church not as a debating society or a multinational enterprise but a family with all the flaws and dysfunction but also all the joy and life of families everywhere This is why Archbishop Dolan is such an important part of the Church's emerging landscape In A People of Hope Dolan is seen at his best capturing an upbeat hopeful affirming Catholicism that's the untold story about the Church today As readers spend time with Dolan here they may find that his love for people and zest for friendship is what's truly fundamental about the man not a PR device calculated to conceal some other agenda Dolan can and does draw lines in the sand when he believes that core matters of Catholic identity are at stake He's well aware that we live in a deeply secular world in the West in which powerful pressures both subtle and overt seek to blur the counter-cultural message of Catholicism on many fronts One key to Dolan's character however is that changing hearts not knocking heads is always his first instinct John Allen draws out a picture of future trends by exploring where Dolan wants to lead and how will a Church that increasingly bears his imprint look and feel To understand this what's really necessary is to get inside his head and then let him speak for himself To that end Allen frames questions in a way that allows Dolan to expand on the topic himself as much as possible The result is a book more with Dolan than a book about him which is indeed the best way to understand the man At the end one can agree or disagree with Dolan's outlook but one may at least be better equipped to understand why thoughtful modern women and men might still believe there's something worth considering in the Catholic message Whatever the future may have in store for Dolan staying in New York until he dies being called to Rome to work in a senior Vatican post or something else

entirely he will be a force in the Catholic Church both nationally and internationally for some time to come and it s well worth trying to discern what that might mean **A Sacramental Life** Bernard J. Cooke,Michael Horace Barnes,William P. Roberts,2003 The authors of this volume have explored diverse aspects of Bernard s major theological focus drawn from them and directly and indirectly addressed them in a variety of topics BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **When Expecting Doesn't Happen: Turning Infertility into a Journey of Hope** MARIE MEANEY,2023-01-27 When a couple faces infertility the intense suffering can be hard to bear and to convey to others In When Expecting Doesn t Happen Dr Marie Meaney offers hope and encouragement to couples and advice for those who wish to support them With firsthand knowledge Meaney helps couples navigate the experience of infertility and unpacks Catholic teaching on reproductive technologies Outlining which licit approaches can be taken and the dead ends offered by reproductive technologies which undermine the dignity of the couple and their potential children When Expecting Doesn t Happen contains both practical and spiritual wisdom to guide couples toward deep peace and authentic fulfillment **Studies in Formative Spirituality** ,1986 Witness to Hope George Weigel,2009-10-13 This definitive biography of Pope John Paul II explores his historic influence on the world stage Magnificent A tremendous achievement Washington Post As head of the Catholic Church from 1978 until his death in 2005 John Paul II was one of the world s most transformational figures With unprecedented cooperation from the Pope as well as the people who knew and worked with him throughout his life George Weigel offers a groundbreaking portrait of him as a man a thinker and a leader whose religious convictions defined a new approach to world politics and changed the course of history The Pope played a crucial yet underexplored role in some of the most momentous events of his time including the collapse of European communism the quest for peace in the Middle East and the democratic transformation of Latin America With an updated preface this edition of Witness to Hope explains how this man from a far country did all of that and much more and what both his accomplishments and the unfinished business of his pontificate mean for the future of the Church and the world
