Tadpole Hunter Arnold Cooke, 2023-08-15 This book describes the history of amphibian conservation and research in Britain It is packed with unique insights from the author who in the late 1960s was probably Britain's first professional amphibian conservationist At that time the situation for amphibians was extremely serious after three decades of population decline Up to the 1990s Arnold Cooke was directly involved in understanding and trying to remedy the situation via research legislation and active conservation He initiated long term monitoring surveillance and studies that continued well into this century This research developed and utilised simple monitoring techniques such as counting breeding newts at night or toads dead on roads The resulting datasets also proved of value in determining whether breeding behaviour was affected by climate change This personal overview charts in detail how amphibian conservation developed from a relatively low knowledge base with few individuals involved to an abundance of information available for the many groups of people now active in the field It includes published unpublished and no longer readily accessible material to emphasise how contemporary knowledge attitudes and resources affected what was done and what happened as a result Various policies strategies laws and other initiatives have helped stop or slow declines but the future is still uncertain The book will appeal to

a broad readership from naturalists to professional herpetologists Furthermore this story will have relevance for amphibian conservation in other countries in light of their more recent widespread declines It is also of interest to those wanting to know more about the development of wildlife conservation in Britain *Fodor's New York City 2025* Fodor's Travel Guides,2024-11-05 Whether you want to explore the High Line see a Broadway show or grab a slice of pizza in Brooklyn the local Fodor s travel experts in New York City are here to help Fodor s New York City 2025 guidebook is packed with maps carefully curated recommendations and everything else you need to simplify your trip planning process and make the most of your time This new edition has been fully redesigned with an easy to read layout fresh information and beautiful color photos Fodor s New York City 2025 travel guide includes AN ILLUSTRATED ULTIMATE EXPERIENCES GUIDE to the top things to see and do MULTIPLE ITINERARIES to effectively organize your days and maximize your time MORE THAN 30 DETAILED MAPS and a FREE PULL OUT MAP to help you navigate confidently COLOR PHOTOS throughout to spark your wanderlust HONEST RECOMMENDATIONS FROM LOCALS on the best sights restaurants hotels nightlife shopping performing arts activities and more PHOTO FILLED BEST OF FEATURES on New York City s Best Art Museums Free Things to Do in New York City New York City s Best Cocktail Bars Under the Radar Things to Do in New York City and more TRIP PLANNING TOOLS AND PRACTICAL TIPS including when to go getting around beating the crowds and saving time and money HISTORICAL AND CULTURAL INSIGHTS providing rich context on the local people politics art architecture cuisine music geography and more SPECIAL FEATURES on Gateway to the New World the Statue of Liberty and Ellis Island The American Museum of Natural History and What to Eat and Drink in New York City LOCAL WRITERS to help you find the under the radar gems UP TO DATE COVERAGE ON Manhattan Brooklyn Queens the Bronx and Staten Island as well as top attractions like the Metropolitan Museum of Art Times Square Central Park Empire State Building Museum of Modern Art Brooklyn Bridge Statue of Liberty American Museum of Natural History Central Park 9 11 Memorial Museum Bryant Park Rockefeller Center The High Line Hudson Yards and much more Planning on visiting more of the Northeast Check out Fodor s Boston Fodor s Philadelphia Fodor s Washington DC and Fodor s New England Important note for digital editions The digital edition of this guide does not contain all the images or text included in the physical edition ABOUT FODOR S AUTHORS Each Fodor s Travel Guide is researched and written by local experts Fodor s has been offering expert advice for all tastes and budgets for over 80 years For more travel inspiration you can sign up for our travel newsletter at [fodors.com/newsletter/signup](https://fodors.com/newsletter/signup) or follow us FodorsTravel on Facebook Instagram and Twitter We invite you to join our friendly community of travel experts at [fodors.com/community](https://fodors.com/community) to ask any other questions and share your experience with us **Canadian Books in Print.
