Boyer Lewis,2001 Each summer between 1790 and 1860 hundreds and eventually thousands of southern men and women left the diseases and boredom of their plantation homes and journeyed to the healthful and entertaining Virginia Springs While some came in search of a cure most traveled over the mountains to enjoy the fashionable society and participate in an array of social activities At the springs visitors as well as their slaves interacted with one another and engaged in behavior quite different from the picture presented by most historians In the leisurely and pleasure

filled environment of the springs plantation society's hierarchies became at once more relaxed and more contested its rituals and rules sometimes changed and reformed and its gender divisions often softened and blurred In Ladies and Gentlemen on Display Charlene Boyer Lewis argues that the Virginia Springs provided a theater of sorts where contests for power between men and women fashionables and evangelicals blacks and whites old and young and even northerners and southerners played out away from the traditional roles of the plantation In their pursuit of health and pleasure white southerners created a truly regional community at the springs At this edge of the South elite southern society shaped itself defining what it meant to be a Southerner and redefining social roles and relations George Washington's Beautiful Nelly Patricia Brady,1996-02 From the vantage of Washington's adopted daughter Eleanor Parke Custis Lewis correspondence with childhood friend Elizabeth Bordley Gibson this book records the experiences of the first first family the social and political gossip of the republic's elite circle and the difficulties of motherhood and marriage **President Washington's Diaries, 1791 to 1799** George Washington,1921 Continues the account of his southern tour with a trip to Georgetown and conference with L'Enfant on the selection of sites for the public buildings of the Federal City diary at Mount Vernon Jan 2 1798 to Dec 13 1799 **The Diary of George Washington, from 1789 to 1791** George Washington,1860 *The Pennsylvania Magazine of History and Biography*,1895 Daughters of the American Revolution Magazine,1927 *History of the George Washington Bicentennial Celebration ...* United States George Washington Bicentennial Commission,1932 **Diaries, 1748-1799** George Washington,1925 **Reading the Man** Elizabeth Brown Pryor,2007-05-03 Pryor's biography helps part with a lot of stupid out there about Lee chiefly that he was somehow anti slavery Ta Nehisi Coates theatlantic com An unorthodox critical and engaging biography Boston Globe Winner of The Lincoln Prize Robert E Lee is remembered by history as a tragic figure stoic and brave but distant and enigmatic Using dozens of previously unpublished letters as departure points Pryor produces a stunning personal account of Lee's military ability shedding new light on every aspect of the complex and contradictory general's life story Explained for the first time in the context of the young United States's tumultuous societal developments Lee's actions reveal a man forced to play a leading role in the formation of the nation at the cost of his private happiness
