No Vacancies in Hell Daniel Mark Epstein, 1973 These arresting and memorable poems are filled with love and history Not general love and history for the author is a poet of the particular and he writes of quite individual loves and of episodes of quite local history

Constellations Daniel Mark Epstein, 2025-10-20 Daniel Mark Epstein s poetry has been in the public eye for nearly sixty years since the magazine publication of the poems in his groundbreaking first book No Vacancies in Hell 1973 Critics praise the erotic and spiritual lyricism of his poetry as well as its power in capturing crucial moments of American history in dramatic monologues including prize winning portraits of a yellow fever epidemic and Henry Adams s tragic marriage Of The Traveler s Calendar 2002 Booklist commented Biographies of Nat King Cole and Edna St Vincent Millay have won Epstein greater renown but his best writing is his mythically and historically haunted poetry The critic Adam Kirsch called Dawn to Twilight 2015 a selection of Epstein s lyric poems a testament to the achievement of a major American poet Constellations collects for the first time the nine books of poems published by a modern master of lyric dramatic and narrative poetry A stirring selection of new work includes the sonnet sequence Cruel April Poems from the Pandemic which inspired a 2020 short film featuring Tyne Daly

Hellrazed? Kevin Miller, 2017-11-15 In September 2012 the feature length documentary Hellbound was released in theaters across North America Joining a growing chorus of voices that were questioning the traditional view of hell as a place of eternal conscious torment the film asked a handful of burning questions Does hell exist If so who goes there and why More importantly what do our views about hell say about us and our understanding of God And how do our beliefs about these issues affect the kind of

world we create the kind of people we become Five years later the debate over hell is far from settled but the landscape in which such questions are being asked has changed radically Hence filmmaker Kevin Miller decided it was time to go back to some of the people who appear in Hellbound and others he met along the way to get their input on how the debate has shifted and how it s remained the same The result is a plethora of voices offering all sorts of perspectives some highly academic some polemic some intensely personal and all bound to impact how readers think and feel about this issue A Literary Potpourri Erna Kaluza,(with a chapter by Les Kaluza),2020 Merriam Press Autobiography A collection of the author s stories poetry and musings about life **Contemporary American Poetry** Lloyd M.
