Warning! This Product Contains Nuttiness Sam Venable, 2013-12-01 As seen through the eyes of Sam Venable the world is indeed bizarre and filled with nuttiness The archives of the Knoxville News Sentinel offer ample evidence that Venable is a bit of the former and has made a career out of drawing attention to the latter For his latest book Venable has gathered and organized 139 of his newspaper columns his biggest collection yet to create a trove of wit and wisdom In the spirit of The Emperor's New Clothes he points a finger at human nature the environment civil rights and wrongs and an eclectic mix of other targets drawing our attention to the foibles failings and just plain absurdities that

surround us all As a native son and treasured institution in East Tennessee Venable has earned the right to poke fun at its local history habits and happenings He takes full loving advantage of this license in essays such as How to Tawl Good Shall We Gather with a Reptile and The Good the Bad the Kudzu He takes on the government in a section titled A Two Ring Circus with Elephants and Donkeys and in another called Still Waiting for Y2K he offers up A Lesson in Dollars and Sense and Blowing the Budget for Bowser Some have called him a modern day Mark Twain others the Dave Barry of Knoxville but while there may be some similarities Sam Venable is wonderfully unique He sees and sees through the pervasive silliness and stupidity in our world It evokes wonder in him and with many a deft turn of phrase he interprets that wonder for us Warning This Product Contains Nuttiness will make you smile certainly but it will also make you think and sometimes even touch your heart
