south eastern United States show that older women both engage in generative behaviours in prison and also wish to do so upon their release As prisoners continue to age the US finds itself at a crossroads on prison reform with potential decarceration beginning with older prisoners The COVID 19 pandemic has led many to consider how to thrive under difficult circumstances and in stressing the resilience of older incarcerated women this book envisions what this could look like

Germaine de Staël, George Sand, and the Victorian Woman Artist Linda M. Lewis, 2003 By examining literary portraits of the woman as artist Linda M Lewis traces the matrilineal inheritance of four Victorian novelists and poets George Eliot Elizabeth Barrett Browning Geraldine Jewsbury and Mrs Humphry Ward She argues that while the male Romantic artist saw himself as god and hero the woman of genius lacked a guiding myth until Germaine de Stael and George Sand created one The protagonists of Stael's *Corinne* and Sand's *Consuelo* combine attributes of the goddess Athena the Virgin Mary Virgil's Sibyl and Dante's Beatrice Lewis illustrates how the resulting *Corinne Consuelo* effect is exhibited in scores of English artist as heroine narratives particularly in the works of these four prominent writers who most consciously and elaborately allude to the French literary matriarchs Exploring a connection between French and English literature and providing fresh insight Germaine de Stael George Sand and the Victorian Woman Artist makes a major contribution to our understanding of nineteenth century feminism Jacket

Tangled Hearts Caroline Corvin, 1900 A standalone romance in the *Tangled In Time* interconnected series Two loves two lives One heart shattered Can a love from another time heal the pain of the present Young doctor Layla Angell is living the dream Winning the perfect position in a busy hospital emergency room allows her to reconnect with the friends who've always been there for her through her struggle But it also thrusts the man she's always loved as more than a friend back into her life and she must once again confront the knowledge he doesn't see her in that way William Leroux is following the path expected by his formidable family Not that it's a problem after all becoming a neurosurgeon has always been his goal too But when life throws him a curve ball his priorities must change Not only is his career under threat time might be running out for him He put aside his feelings for Layla in pursuit of that career Has he now left it too late Six years in the future Finn McGill born to be the spare not the heir is the only one stepping up to rescue his Scottish noble family and their crumbling castle home from ruin Turning his passion for music into a plan that might save both offers hope But he never expected it could also deliver love back into his life Not when he's still damaged from the last time he fell so hard When he stumbles across Layla Finn instantly knows she's the sort of woman worth risking his fragile heart for if he can bring himself to trust his instincts Caught in a time twisted love triangle Layla's connection to two men across two parallel lives offers a second chance at happiness beyond tragedy if she can learn to accept the impossible This is a new adult romance novel with elements of found family and the enduring power of friendships Told from multiple points of view over parallel timelines the story has two romantic arcs the first a teenage friends to new adult lovers the second British nobility meets normal person with an instant connection between two people who are soulmates destined to find each other

in different lives The third in the Tangled in Time series it can also be read as a satisfying standalone *Tailoring Treatment to Attachment Patterns* Karen Pando-Mars, Diana Fosha, 2025-03-11 Harnessing the power of attachment to transform psychotherapy Research shows that attachment patterns our patterns of relating to others which develop in early childhood affect far more aspects of our lives than was previously thought Given how crucial these patterns are to how every patient relates to the world and to their own selves how can therapists harness attachment to provide more effective therapy Using AEDP psychotherapy theory and methodology as a foundation the authors present an innovative approach that tailors treatment to attachment patterns allowing psychotherapists to help patients heal relational trauma Here readers will find attachment pattern specific clinical interventions to help them translate attachment theory into transformative clinical practice Case examples are used throughout to illustrate how to handle the unique challenges that psychotherapists encounter with each attachment pattern while engaging commentary discusses how the attachment informed experiential relational process leads to healing attachment trauma and facilitating security resilience and well being **Oxford**
