## **Regime Shift Comparative Dynamics Of The Japanese Political Economy Cornell Studies In Political Economy:**

*Regime Shift* T. J. Pempel, 1998-12-15 The Liberal Democratic Party which dominated postwar Japan lost power in the early 1990s During that same period Japan's once stellar economy suffered stagnation and collapse Now a well known commentator on contemporary Japan traces the political dynamics of the country to determine the reasons for these changes and the extent to which its political and economic systems have been permanently altered T J Pempel contrasts the political economy of Japan during two decades the 1960s when the nation experienced conservative political dominance and high growth and the early 1990s when the bubble economy collapsed and electoral politics changed The different dynamics of the two periods indicate a regime shift in which the present political economy deviates profoundly from earlier forms This shift has involved a transformation in socioeconomic alliances political and economic institutions and public policy profile rendering Japanese politics far less predictable than in the past Pempel weighs the Japanese case against comparative data from the United States Great Britain Sweden and Italy to show how unusual Japan's political economy had been in the 1960s Regime Shift suggests that Japan's present troubles are deeply rooted in the economy's earlier success It is a much anticipated work that offers an original framework for understanding the critical changes that have affected political and economic institutions in Japan

**The Political Economy of the Japanese Financial Big Bang** Tetsuro Toya, 2006-04-06 In 1996 the Japanese government introduced a policy package initiating massive deregulation and liberalization in the nation's financial sector referred to as Japan's financial Big Bang This book argues that the emergence of the Big Bang Initiative poses numerous challenges to conventional interpretations of Japanese politics and represents a clear case of institutional change in Japanese finance Whereas many observers stress continuity in Japanese politics this book argues that the emergence in the 1990s of performance failures and scandals attributed to the bureaucracy as well as the increase in the likelihood of a change in government in this period led policymaking patterns surrounding the Big Bang to differ radically from those dominating public policymaking in the past These developments led to change in the nature of the alliance between the ruling Liberal Democratic Party LDP and the Ministry of Finance MOF to a shift in priorities within the MOF and to a heightened role for the public in policymaking The result was that the MOF long perceived as entrenched and seeking to maximize tangible tokens of organizational power became more than willing to launch the Big Bang despite the fact that these reforms would strip the ministry of many of its regulatory tools and sever the ministry's close ties with the financial sector The book also argues that these new developments prevented financial industry actors from forestalling these reforms as they had done in the past with other reforms similarly threatening the viability of weaker firms The findings reveal that not only politicians but also bureaucrats and interest groups have reasons to pursue public support to enhance their respective political influence Consequently well organized groups do not always prevail over the unorganized public

The China Model and Global Political Economy Ming Wan, 2014-01-10 Since the beginning of China's phenomenal rise in the

international system our knowledge of the country has grown rapidly But those who have debated the China issue in policy circles mostly focus on the implications of China's rise often without a firm understanding of why the country is rising in the first place Using an analytical framework which links China's domestic political economy order and the global system this book helps us to understand China's rise and the China model more clearly Indeed unlike most other works that study the China model as a domestic political economy issue it adopts an explicit international comparative perspective comparing the Chinese model to others such as the Washington Consensus and the Japan model This comparison allows us to break down different components of the China model and to show that while the Chinese Communist Party leadership part of the model is unique other components such as export led growth strategy or packaged aid programs are not By focusing on the root cause of China's rise namely the loop between the evolving China model and an evolving global governance structure this book reveals the degree of compatibility between the country's profit driven domestic political economy system and the post war global economic order and in turn how and why China has been able to rise in the global system The China Model and Global Political Economy makes a key contribution to theories of international relations state development and modernization and as such will appeal to students and scholars of Chinese politics Chinese foreign policy international political economy development studies and international relations

*Japan and China in the World Political Economy* Saadia Pekkanen, Kellee Tsai, 2006-06-01 Two powers in East Asia today stand to define the region's economic and commercial future Japan which rose in a spectacular industrial burst to become at present the world's second largest economy and China which is rapidly advancing towards a market economy under the watchful eye of the world While much has been made of Japan and China's particular economic institutions and developmental paths few works analyze them in a comparative framework Including contributions from leading academics the text focuses on the period from the 1980s to the onset of the 2000s reviewing the experiences of Japan and China across the areas of development trade investment finance and technology Drawing on a combination of official documents economic statistics case studies and original fieldwork this book will give political scientists political economists business concerns and policy analysts a firmer grasp of the role Japan and China stand to play in the world political economy

**The Changing Japanese Political System** Harumi Hori, 2006-03-20 Japan's political stability was shattered after the general election of July 1993 when the conservative Liberal Democratic Party's thirty eight year domination ended in defeat This book examines the impact the 1993 general election had on Japanese politics Although the LDP regained the position of a ruling party within a year Hori questions whether the Japanese political system has managed to maintain the same efficacy as it had prior to 1993 Using institutional analysis Hori argues that this fundamental change caused major institutional transformations a decline in the importance of LDP organisations in the decision making process of the government and the Diet weakened management of the LDP through factions and detached attitudes of LDP members to MOF bureaucrats Hori analyzes three cases one prior to and two after the 1993 election illustrating just how

ineffective the close cooperation between MOF bureaucrats LDP executives and faction leaders became

**Living Cities in Japan** André Sorensen, Carolin Funck, 2007-08-07 Over the last fifteen years local citizens movements have spread rapidly throughout Japan Created with the aim of improving the quality of the local environment and of environmental management processes such activities are widely referred to as machizukuri and represent an important development in local politics and urban management in Japan This volume examines the growth and nature of such civil society participation in local urban and environmental governance raising important questions about the changing roles of and relations between central and local government and between citizens and the state in managing shared spaces The machizukuri processes studied here can be seen as the focus of an important emerging trend toward increased civic participation in managing processes of urban change in Japan The contributors provide a comprehensive overview of the machizukuri phenomenon through examination not only of theory and history but also of case studies illustrating real changes in the institutions of place making and neighbourhood governance Living Cities in Japan will be of particular value to readers interested in social urban geographical and environmental studies

**Regionalism and Globalization in East Asia** Mark Beeson, 2017-08-24 This book examines the distinctive evolution of the political and economic relationships of East Asia It does this by placing East Asian development in the unique historical circumstances that have underpinned its rise to power over the last few decades This detailed analysis provides the basis for an assessment of a unified East Asian region

The People's Post Office Patricia L. Maclachlan, 2020-03-17 In 2001 Prime Minister Koizumi Jun ichir launched a crusade to privatize Japan's postal services The plan was hailed as a necessary structural reform but many bemoaned the loss of traditional institutions and the conservative values they represented Few expected the plan to succeed given the staunch opposition of diverse parties but four years later it appeared that Koizumi had transformed not only the post office but also the very institutional and ideological foundations of Japanese finance and politics By all accounts it was one of the most astonishing political achievements in postwar Japanese history Patricia L Maclachlan analyzes the interplay among the institutions interest groups and leaders involved in the system's evolution from the early Meiji period until 2010 Exploring the postal system's remarkable range of economic social and cultural functions and its institutional relationship to the Japanese state this study shows how the post office came to play a leading role in the country's political development It also looks into the future to assess the resilience of Koizumi's reforms and consider the significance of lingering opposition to the privatization of one of Japan's most enduring social and political sanctuaries

*Reconstituting the Global Liberal Order* Kanishka Jayasuriya, 2006-02-01 The events of September 11 2001 were a significant watershed in the emerging global order However the nature and consequences of this changing global order remain unclear This book argues that this new order is as much the result of issues relating to the evolving methods and forms of governance as of the new role and position of the United States in the world system Using an innovative framework derived from the work of Carl Schmitt Kanishka Jayasuriya

explores the nexus between domestic political and constitutional structures and the global order and examines how the post war framework of international liberalism is crumbling under the new pressures of globalization As well as looking at the implications of 9 11 for the global order this new study relates the events of 9 11 to the deep transformations of the post war global order emphasizes the importance of the rise of the new regulatory state examines the new politics of fear in liberal democracies including the US UK and Australia studies the appropriation of the language of the left by conservative forces explores the illiberal outcomes of actions undertaken in the name of liberalism This unique and timely study will be of great interest to students and researchers of international political economy globalization and international political theory

**The Oxford Handbook of Japanese Politics** Robert Pekkanen, Saadia M. Pekkanen, 2021-10-25 Book Abstract and Keywords The study of Japanese politics has flourished over the past several decades This Handbook provides a state of the field overview for students and researchers of Japanese The volume also serves to introduce Japanese politics to readers less familiar with Japan In addition the volume has a theme of evaluating Japan s democracy Taken as a whole the volume provides a positive evaluation of the state of Japan s democracy The volume is divided into two parts roughly corresponding to domestic Japanese politics and Japan s international politics Within the domestic politics part there are four distinct sections Domestic Political Actors and Institutions covering the Japanese Constitution electoral systems prime minister Diet bureaucracy judiciary and local government Political Parties and Coalitions covering the Liberal Democratic Party coalition government K meit and the political opposition Policymaking and the Public covering the policymaking process public opinion civil society and populism and Political Economy and Social Policy covering industrial energy social welfare agricultural monetary and immigration policies as well as social inequality In the international relations part there are four sections International Relations Frameworks covering grand strategy international organizations and international status International Political Economy covering trade finance foreign direct investment the environment economic regionalism and the linkage between security and economics International Security covering remilitarization global and regional security multilateralism nuclear nonproliferation naval power space security and cybersecurity and Foreign Relations covering Japan s relations with the United States China South Korea ASEAN India the European Union and Russia Keywords international relations comparative politics democracy international order alliances space security elections Liberal Democratic Party multilateralism remilitarization international organizations populism civil society coalitions political parties trade finance monetary policy foreign direct investment cybersecurity Corporatism and Korean Capitalism Dennis L. McNamara, 2012-10-02 Corporatism and Korean Capitalism employs corporatist theory to examine the Korean experience of state business ties It includes theoretical chapters on Asian and Korean corporatism case studies of agriculture industry and industrial relations and an introduction to comparative corporatism It helps to push the study of Korean political and economic change from description on to theoretical analysis This volume will challenge researchers and students of Asian

studies economics and politics to extend and refine their understanding of both corporatism and Korea Moreover this book offers a guide to policymakers confounded by the curious mix of collusion and competition in Korean political economy

*Japan Decides 2014* Robert J. Pekkanen, Ethan Scheiner, Steven R. Reed, 2016-01-26 Collecting original and high quality analysis by top scholars from Japan the United States Australia and Europe this volume analyzes the results of the 2014 election examining each of the major political parties central policy issues campaign practices and considers how the results were used as a mandate for massive policy reform

**Japan's New Party System** Ronald J Hrebenar, 2019-08-15 The authors of this book have joined together for a third time to produce a book on Japanese political parties and elections The first two books under the title of The Japanese Party System were also published by Westview Press in 1986 and 1992 This book Japan's New Party System has a different purpose than the previous volumes The first two books had as their task the presentation of a vast amount of material on the various parties of the 1955 1993 party system Since 1955 Japanese politics and parties had been rather uneventful and predictable consequently many Japanese political scientists preferred to study other nations Decade after decade the Liberal Democratic Party LDP ruled Japan while the permanent opposition party the Japan Socialist Party JSP revolved around it but could never even come close to replacing it in power on the national level All of this changed in 1993 after the LDP split new parties emerged and formed a non LDP government and a new party system began This book is about the Second Party System and how Japanese politics has changed from the old LDP dominated First Party System

Internalizing Globalization Susanne Soederberg, Georg Menz, Philip G. Cerny, 2005-11-16 This book explores how a wide range of countries attempt to cope with the challenges of globalization While the internalization of globalization proceeds in significantly different ways there is a broad process of convergence taking place around the politics of neoliberalism and a more market oriented version of capitalism The book examines how distinct social structures political cultures patterns of party and interest group politics classes public policies liberal democratic and authoritarian institutions and the discourses that frame them are being reshaped by political actors Chapters cover national experiences from Europe and North America to Asia and Latin America Chile Mexico and Peru

Japanese Politics and Government Alisa Gaunder, 2023-02-27 The revised 2nd edition of this successful textbook explores Japanese politics in the postwar era from theoretical and comparative perspectives After providing historical context it offers an in depth exploration of postwar political institutions political reform in the 1990s the policymaking process and the politics of economic growth and stagnation By delving into Japan's international relations the book sheds light on Japan's security and foreign policies and Japan's role in Asia The textbook concludes by addressing what has changed since party alternation in 2009 the triple disaster in March 2011 and the global Covid pandemic Themes and questions addressed throughout the text include How and why did Japan modernize so successfully when so many other countries fell prey to colonialism and authoritarianism What explains the Japanese economic miracle and its subsequent economic stagnation What accounts for Japan's successful

democratization In the international realm why has Japan achieved economic superpower status without achieving political superpower status What is the future trajectory of Japanese politics Connecting Japan to larger themes in comparative politics and linking Japan's history institutions policymaking process and international relations to experiences and structures in other countries this book is essential reading for students of Japanese or Asian Politics *Changes by Competition* Hyeong-ki Kwon, 2021-02-11 By tracing the evolution of South Korean state led capitalism and comparing it with other economies this book critiques prevalent theories including neoliberalism the developmental state and institutionalism and proposes a theoretical alternative focusing on endogenous changes through elites competition within and outside the state Unlike the arguments of neoliberals this volume asserts that the state can still play an active role in reconstituting the national economy through globalization The Korean state successfully fosters economic growth by nurturing industrial commons through globalization rather than by adopting a neoliberal free market system This volume asserts that the Korean economy has successfully grown over the past 50 years because it has moved toward a new version of state led developmentalism In order to better account for the evolution of state led developmentalism this book proposes changes by competition within as well as outside the state in order to bring about changes in developmentalism and the ability to adjust to new contexts Unlike prevalent accounts of developmental state theory *Changes by Competition* argues that the state is neither unitary nor cohesive but a locus of competition *Public Administration in East Asia* Evan M. Berman, 2017-09-25 Written by leading experts *Public Administration in East Asia* Mainland China Japan South Korea Taiwan examines the inner workings of governments in East Asia in particular its public administration and related public policy processes It focuses on the apparatus of government the agencies their values context and policies within which they operate Organized in parallel sections the book covers the history public policy processes organization HRM ethics corruption intergovernmental relations performance management and e government It discusses each of these topics separately for Mainland China Japan South Korea and Taiwan providing an unusual and important comparative perspective The book includes essential knowledge and facts discussions of emerging issues and useful resources for further reading It addresses questions such as What is the history of public administration in East Asia How are decisions made What is the role of Confucianism in shaping public administration How does the developmental path affect public administration Why is performance management emphasized What is the state of citizen participation How are ethical underpinnings of the civil service different from the West Why are intergovernmental relations an essential issue in East Asia What are the politics behind world class achievements in IT What is the nature of civil service reform What is the nature of efforts to combat government corruption You can find many books on trade policy and politics that sometimes give good insight into the operation of government agencies You can also find a few edited books that contain single chapters on countries in the Asia Pacific region What is missing however is a single resource that provides an overview with depth on matters solely about public administration This state of the art resource

brings together the fragments of existing knowledge on East Asian economies filling the need for a comprehensive compendium that showcases the public administration practices in the region and East Asia's innovative approaches to governance and its many challenges

**Japan's International Relations** Glenn D. Hook, Julie Gilson, Christopher W. Hughes, Hugo Dobson, 2005 This text examines the position of Japan in terms of its political economic and security role in the three core regions of the global political economy the United States East Asia and Europe as well as in the key global institutions

**Routledge Handbook of Democratization in East Asia** Tun-jen Cheng, Yun-han Chu, 2017-09-01 This handbook provides a comprehensive analysis of the dynamics and prospects of democratization in East Asia A team of leading experts in the field offers discussion at both the country and regional level including analysis of democratic attitudes and movements in China Japan South Korea and Taiwan Evaluating all the key components of regime evolution from citizen politics to democratic institutions the sections covered include Regional Trends and Country Overviews Institutions Elections and Political Parties Democratic Citizenship Democratic Governance The Political Economy of Democratization Examining the challenges that East Asian emerging democracies still face today as well as the prospects of the region's authoritarian regimes the Routledge Handbook of Democratization in East Asia will be useful for students and scholars of East Asian Politics Comparative Politics and Asian Studies

Dictionary of the Modern Politics of Japan Prof J A A Stockwin, J. A. A. Stockwin, 2003-08-27 An accessible work of reference bringing together information and authoritative analysis on all aspects of the politics of Japan and the Japanese political system

Eventually, you will unconditionally discover a new experience and skill by spending more cash. yet when? reach you take on that you require to get those every needs like having significantly cash? ## **Regime Shift Comparative Dynamics Of The Japanese Political Economy Cornell Studies In Political Economy Introduction**

Regime Shift Comparative Dynamics Of The Japanese Political Economy Cornell Studies In Political Economy Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Regime Shift Comparative Dynamics Of The Japanese Political Economy Cornell Studies In Political Economy Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Regime Shift Comparative Dynamics Of The Japanese Political Economy Cornell Studies In Political Economy : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Regime Shift Comparative Dynamics Of The Japanese Political Economy Cornell Studies In Political Economy : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Regime Shift Comparative Dynamics Of The Japanese Political Economy Cornell Studies In Political Economy Offers a diverse range of free eBooks across various genres. Regime Shift Comparative Dynamics Of The Japanese Political Economy Cornell Studies In Political Economy Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Regime Shift Comparative Dynamics Of The Japanese Political Economy Cornell Studies In Political Economy Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Regime Shift Comparative Dynamics Of The Japanese Political Economy Cornell Studies In Political Economy, especially related to Regime Shift Comparative Dynamics Of The Japanese Political Economy Cornell Studies In Political Economy, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Regime Shift Comparative Dynamics Of The Japanese Political Economy Cornell Studies In Political Economy, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Regime Shift Comparative Dynamics Of The Japanese Political Economy Cornell Studies In Political Economy books or magazines might include. Look for these in online stores or libraries. Remember that while Regime Shift Comparative Dynamics Of The Japanese Political Economy Cornell Studies In Political Economy, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Regime Shift Comparative Dynamics Of The Japanese Political Economy Cornell Studies In Political Economy eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods

for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Regime Shift Comparative Dynamics Of The Japanese Political Economy Cornell Studies In Political Economy full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Regime Shift Comparative Dynamics Of The Japanese Political Economy Cornell Studies In Political Economy eBooks, including some popular titles.

### **FAQs About Regime Shift Comparative Dynamics Of The Japanese Political Economy Cornell Studies In Political Economy Books**

1. Where can I buy Regime Shift Comparative Dynamics Of The Japanese Political Economy Cornell Studies In Political Economy books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Regime Shift Comparative Dynamics Of The Japanese Political Economy Cornell Studies In Political Economy book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
