Regional Security in the Middle East Zeev Maoz,1997 Middle Eastern politics of the 1990s have been characterized by a drive towards peace the success of which will depend on the negotiating process This volume discuss the challenges and provide some practical advice on how to avoid failure *Regional Security in the Middle East* Pinar Bilgin,2004-09-09 This is an accessible yet critical analysis of regional security in the Middle East Using a non realist approach Bilgin provides a comprehensive study of the past present and future of security in the region She also considers the question of identity formation explaining how and why various regional representations came into being and explor **Regional Security in the Middle East** ,1997 *Regional Security in the Middle East* Zeev Maoz,2013-06-17 Middle Eastern politics of the 1990s have been characterized by a drive towards peace Whether this is successful or not will depend on the negotiating process These articles discuss the challenges and provide some practical advice on how risks of failure could be avoided

**Regional Security in the Middle East , Special Issue on Regional Security in the Middle East** Zeev Maoz,1997 **Building Regional Security in the Middle East** Emily B. Landau,Tamar Malz,Zeev Maoz,2004-11-23 Discussions on regional security were initiated in the Middle East in 1992 as part of the Middle East peace process The collapse of the Oslo process and other regional developments in the latter half of the 1990s have diminished hopes that the initial gains made in this direction might further develop as violence has again become the primary mode of effecting political changes in the region On the backdrop of this somewhat dismal current reality in the Middle East the rationale for this volume is that research into regional security structures should nevertheless be pursued When looking at the long term process of creating regional security setbacks are not unlikely The articles that make up this collection focus on the problems that have been encountered and possible directions for getting regional efforts back on track A special issue of the Journal of Strategic Studies *Regional Security Dialogue in the Middle East* Chen Kane,Egle Murauskaite,2014-07-25 At this time of considerable political turmoil in the Middle East there is a pressing need to explore alternative frameworks for regional security The book discusses the Helsinki Process as one potentially relevant historical model to learn from The Helsinki Process began in a divided Europe in the early 1970s and over 40 years achieved major successes in promoting cooperation between the Warsaw Pact and NATO member states on social human rights security and political issues In this volume established Middle East experts former diplomats and emerging scholars assess the regional realities from a broad range of perspectives and with the current momentum for reform across the Middle East chart a path towards a comprehensive mechanism that could promote long term regional security Providing a gamut of views on regional threat perception and suggesting ways forward for regional peace this book is essential reading for students and scholars with an interest in Politics the Middle East and Conflict Studies Geopolitics, Geography and Strategy Colin S. Gray,Geoffrey Sloan,2014-01-14 Geopolitical conditions influence all strategic behaviour even when cooperation among different kinds of

military power is expected as the norm action has to be planned and executed in specific physical environments The geographical world cannot be avoided and it happens to be organized into land sea air and space and possibly the electromagnetic spectrum including cyberspace Although the meaning of geography for strategy is a perpetual historical theme explicit theory on the subject is only one hundred years old Ideas about the implication of geographical especially spatial relationships for political power which is to say geopolitics flourished early in the twentieth century Divided into theory and practice sections this volume covers the big names such as Mackinder Mahan and Haushofer as well as looking back at the vital influence of weather and geography on naval power in the long age of sail sixteenth to nineteenth centuries It also looks forward to the consequences of the revival of geopolitics in post Soviet Russia and the new space based field of astropolitics
