Office of Applied Studies, 1998      *Joining Forces on Solid-Waste Management* DIANE Publishing Company, 1996-06 An introduction to regionalization a process whereby neighboring cities towns counties pool resources to address local challenges Through regionalization rural small communities are able to accomplish together what is difficult to do individually Explains the key advantages potential problems with regionalization necessary planning activities Five successful case studies are provided to show the concept s effectiveness Includes resource guide For leaders of small communities having trouble with solid waste management in their area      **The Index of Leading Cultural Indicators** William J. Bennett, 2011-08-03 For decades Americans have turned to the Commerce Department s Index of Leading Economic Indicators to spot trends in the economy The Index of Leading Cultural Indicators brings a similar kind of empirical analysis to the moral social and behavioral condition of American society from 1960 to the present a vivid clearly accessible portrait in numbers of who and where we are as a nation First published in 1994 and now completely updated and considerably expanded it draws from a wide array of government sources and academic studies to offer comprehensive chapters on crime the family youth behavior education popular culture and religion as well as new chapters on civic

participation international comparisons and decade by decade comparisons For each topic covered there are statistical and numerical breakdowns tables and graphs ranking of states and a Factual Overview interpreting the data The Index of Leading Cultural Indicators should serve as the starting point of any discussion about America s moral and cultural condition William J Bennett s provocative introduction provides the essential context and perspective for the data he s collected offering an assessment of the problems besetting modern America Some have gotten better most notably crime and welfare rates leading him to conclude that politics and public engagement in social issues can make more of a difference than he once thought But there is much else of a worrying nature and Bennett pulls no punches in identifying pathologies and laying out the challenges we face No one who cares about American society and a whole range of social issues can afford to be without this essential volume a statistical snapshot an invaluable sourcebook and a call to action
