## **Regionalnye Elity V Rf Modeli Povedeniia I Politicheskie Orientatsii:**

*The Politics of Inequality in Russia* Thomas F. Remington, 2011-04-29 This book investigates the relationship between the character of political regimes in Russia's subnational regions and the structure of earnings and income. Based on extensive data from Russian official sources and surveys conducted by the World Bank, the book shows that income inequality is higher in more pluralistic regions. It argues that the relationship between firms and government differs between more democratic and more authoritarian regional regimes. In more democratic regions, business firms and government have more cooperative relations, restraining the power of government over business and encouraging business to invest more, pay more, and report more of their wages. Average wages are higher in more democratic regions, and poverty is lower, but wage and income inequality are also higher. The book argues that the rising inequality in postcommunist Russia reflects the inability of a weak state to carry out a redistributive social policy.

*Democracy, Civic Culture and Small Business in Russia's Regions* Molly O'Neal, 2015-08-20 This book adopts a novel analytical approach to understanding how Russia's stalled democratisation is related to the incomplete liberalisation of the economy. Based on extensive original comparative study of Russia's regions, the book explores the precise channels of interaction that create the mutuality of property rights, entrepreneurship, rule of law, norms of citizenship, and liberal democracy. It demonstrates that the extent of democratisation varies across regions and that this variation is connected to the extent of liberalisation of the economy. Moreover, it argues that the key factor in producing this linkage is the relative prominence of small business owners and their supporters in articulating their interests vis-à-vis regional and local administrations, especially through the institutionalisation of networks and business associations. The book develops its key theses by means of detailed analysis of the experiences of four case study regions. Overall, the book provides a major contribution to understanding the path of democratisation in Russia.

### **Power and Policy in Putin's Russia**

Richard Sakwa, 2013-09-13 The volume provides a retrospective analysis of Putin's eight years as president between 2000 and 2008. An international group of leading specialists examine Putin's leadership in an informed and balanced manner. The authors are drawn from Russia itself as well as from Europe, America, and Australasia. Coverage includes general analysis of the Putin presidency, the ideology underlying the thinking of the regime, issues of institutional development, including coverage of parties, parliament, and elections, developments in the federal system, corruption, and changes in the configuration of the elite. The impact of energy on changes in political economy provides the background to an assessment of Russia's re-emergence as a great power in international affairs, accompanied by analysis of the difficulties in Russia's relations with its former Soviet neighbours and the European Union. The authors examine the interaction between power and policy and draw some conclusions about the dynamics of Putin's system of government and thus of the fate of Russia. This book was published as a special issue of *Europe Asia Studies*.

---

In today's digital age, the availability of Regionalnye Elity V Rf Modeli Povedeniia I Politicheskie Orientatsii books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Regionalnye Elity V Rf Modeli Povedeniia I Politicheskie Orientatsii books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Regionalnye Elity V Rf Modeli Povedeniia I Politicheskie Orientatsii books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Regionalnye Elity V Rf Modeli Povedeniia I Politicheskie Orientatsii versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Regionalnye Elity V Rf Modeli Povedeniia I Politicheskie Orientatsii books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Regionalnye Elity V Rf Modeli Povedeniia I Politicheskie Orientatsii books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks.
