Ozturk,2024-10-30 Many books in the sales and marketing world deal with making the offer more attractive How to make it more effective how to turn a 10 sale into 12 But this book will also show you how to break the resistance It will shed light not only on what is said but also on the inner world of customers who have not seen the light It will focus on the reasons for the sales files that you have lost without an answer and had to close When the people who are addressed by this book read it they will realize that an ocean larger than the successes and gains they have achieved as a result of the activities they have done is flowing through their hands on the other side because of the things they did not do or could not do While many sales or marketing books ask why the customer buys we will ask why he/she doesn't You will become more skilled in your job when you see that there are now chances to seize in the areas that were left in the shadows apart from the parts that were shown to you      The Moral Psychology of Regret Anna Gotlib,2019-10-21 What kind of an emotion is regret What difference does it

make whether how and why we experience it and how does this experience shape our current and future thoughts decisions goals Under what conditions is regret appropriate Is it always one kind of experience or does it vary based on who is doing the regretting and why How is regret different from other backward looking emotions In The Moral Psychology of Regret scholars from several disciplines including philosophy gender studies disability studies law and neuroscience come together to address these and other questions related to this ubiquitous emotion that so many of us seem to dread And while regret has been somewhat under theorized as a subject worthy of serious and careful attention this volume is offered with the intent of expanding the discourse on regret as an emotion of great moral significance that underwrites how we understand ourselves and each other      **The Parliamentary Debates (official Report)**.
