community of Reiki practitioners from different traditions and backgrounds that journey alongside her and recognize as she does the simplicity wonder and beauty of God's universal gift for our time The healing stories are too numerous to count but she does include specific testimonials within her training manual that speak for the thousands of others who have been healed through the doorway of Reiki In this way Eileen's Level I and II training manual becomes a living testimony as she thoroughly covers all the information required to be a successful and competent Reiki practitioner Written with inspiration and clarity Eileen takes the reader on an amazing journey into the dynamic world of the inner self Like a fresh current of air she presents her material in an appealing and easily digestible manner The uniqueness of Eileen's Reiki training manual lies in her ability to weave the Christ conscious healing dimension into it just as an alchemist would when producing gold In this way Eileen shows how the revered eastern practice of Reiki discovered by Dr Mikao Usui a Japanese Buddhist in the early 20th century can blend perfectly with a Christian heritage of healing where the one enhances the other At the same time she shows how this simple profound method of healing transcends cultural and religious boundaries in a way that makes this universal gift of Life Force Energy accessible to anyone Often people who encounter Reiki for the first time experience an inner bliss and harmony which leads them to explore the gift more fully Others go away from the treatment or training feeling restored refreshed and renewed Reiki the universal Life Force Energy of God is not a new invention or modern day fad Its roots are planted deep in ancient history In the Old Testament Life Force Energy was spoken about eloquently and has been pulsating through the whole of creation from the beginning of time Even science and the world of medicine are looking at this complementary form of healing called Reiki with fresh new eyes Its worldwide impact can no longer go unnoticed

Burdett, 2014-03-17 Life has no particular ceremony for choosing people to be thrust into the open public arena whether favourable or not. Many times this happens with or without any actual input by that unsuspecting human being. Frank E. Burdett is one such person. He volunteered and joined the New Zealand Army to fight the Terrorists in the jungles of Malaysia. In one single night his life changed forever when a man-eating tiger chose him as its next victim. Frank was attacked, mauled and dragged backwards along the rough and uneven jungle floor. This experience is related in his book *Sons of the Brave*. Frank was diagnosed with terminal metastasized melanoma cancer. In July 2010 he was given 6 months to live after surgery and radiation treatment for cancer of both lungs, liver and bowel, but he then decided to undertake an alternative medical treatment and has been to date four years free of any cancer. He was encouraged to write his story by a leading oncologist in Brisbane in order to help other cancer victims. That book is entitled *I Survived Metastacised Melanoma Cancer*. *The Purple Tree* was written during his recovery period and allowed him to freely research his material through friends, neighbours and well-meaning Australians. It has taken a long time to bring to light this interesting story about life in the Outback.
