Ninan,2014-06-11 This is a study on Reincarnation and Resurrection in various religions and cultures through history **Resurrection Or Reincarnation** Décio Martins De Medeiros,2024-11-08 This book studies how those who believe in Reincarnation or Resurrection align at every step of the journey of this life toward the destination *Reincarnation Versus Resurrection* Shirley West,1988 *Artificial Intelligence, Reincarnation, and Resurrection* Ernest M. Valea,2021-04-29 This book explores old and new hopes that have emerged in the human quest to defeat death On the one hand it answers questions such as Are we just physical machines of great complexity with the brain as the hardware on which consciousness operates as its software If so can we speculate on ways in which the mind could be uploaded to a machine and no longer suffer the frailty of this biological body And could an android robot or a mindfile in a computer simulation be conscious On the other hand the book examines the hope of survival through reincarnation according to the teachings of Eastern religions and New Age thought All these topics are discussed from the perspectives of Christian theology and the philosophy of mind This dual investigation will help Christians formulate a coherent response to old and new challenges to their faith **Encyclopedia of Reincarnation and Karma** Norman C. McClelland,2018-10-15 Featuring over 1 200 topical entries arranged alphabetically this encyclopedia provides diverse and detailed coverage of the related subjects of reincarnation and karma Its in depth examination ranges from ancient beliefs to those of the present incorporating all relevant world cultures A series of broad thematic entries cover foundational aspects while over a thousand highly focused entries deal with various societies and organizations which support the concepts of reincarnation and karma specific religious groups sects and associations key individuals both historic and modern and
