Reinhold Niebuhr And Christian Realism:

Reinhold Niebuhr and Christian Realism Robin W. Lovin, 1995-01-26 A new and penetrating assessment of the work of the twentieth century's best known public theologian **Christian Realism and Political Problems** Reinhold Niebuhr, 1953 Donated by Sydney Harris Christian Realism and the New Realities Robin W. Lovin, 2008-04-14 Robin W. Lovin argues that the integration of religion and public life will benefit society more than their separation *The Future of Christian Realism* Dallas Gingles, Joshua Mauldin, Rebekah L. Miles, 2023-04-15 In the world's most developed democracies anxiety about the future of democracy is palpable. The tension between moral aspiration and moral despair has reached a point of crisis. Christian realism arose during a similar time of crisis when Reinhold Niebuhr used the insights of the Christian tradition to interpret the clash between democracy and totalitarianism. Beginning with Robin Lovin's account of Christian realism as a nuanced blend of theological, moral, and political realisms, *The Future of Christian Realism* addresses fundamental topics in theology, ethics, and politics. The contributors come from different traditions, span five continents, and together present a case for the continuing relevance of Christian realism. By paying close attention to many of the most pressing moral challenges facing societies today, the authors illustrate and evaluate the enduring relevance of Christian realism.

Reinhold Niebuhr in Theory and Practice Peter B. Josephson, R. Ward Holder, 2018-12-05 American public life is gripped by a tumult that it has not experienced in at least half a century. Resentment, distrust, despair, fear, envy, and outrage are the passions of the day. Yet it was not long ago that political scientists and theologians could speak of a Niebuhr renaissance marked by an appreciation of moral paradox, ethical nuance, and a recognition of the irony of American history. American political leaders from Barack Obama and Hillary Clinton to George Bush and John McCain referenced Reinhold Niebuhr as an important influence on their political understandings. Columnists like David Brooks commented on the political condition of contemporary America, and scholars from Gary Dorrien and Daniel Rice to Richard Crouter developed academic accounts of Niebuhr's political realism. From an insistence on political purity to a wariness of international institutions and the claims of expertise to a rejection of whole categories of public goods, it would be difficult to find a more significant shift from the principles that shaped statecraft and public policy during Niebuhr's prime to those that are foundational in the age of Trump.

Reinhold Niebuhr in Theory and Practice: Christian Realism and Democracy in America in the Twenty-First Century explains the collapse of the Niebuhrian renaissance in public life and the ascendance of the children of light and the children of darkness in the 2016 election. Our focus is Niebuhr himself and what the encounter between his own theology and his practical political experience might reveal in our contemporary situation. Niebuhr tells us that he does not offer precise policy prescriptions. But Niebuhr was a prolific author, and his works offer insights both into what realistic and Christian public policies would look like and perhaps more importantly into how citizens should think for themselves about the political challenges of our times. Our aim then is to reassert the possibility of a distinctly Niebuhrian public intellectualism and a

distinctly Niebuhrian political practice in the wake of the 2016 election **Reinhold Niebuhr and Contemporary Politics**

Richard Harries, Stephen Platten, 2010-03-25 A timely collaborative re evaluation of Reinhold Niebuhr's work that reflects on his notable contribution to Christian social ethics the Christian doctrine of humanity and the engagement of Christian thought with contemporary politics Religion and the Liberal State in Niebuhr's Christian Realism Christoph Rohde, 2021-09-02 This book intends to analyze Reinhold Niebuhr's understanding of the state in his Christian Realism Although his overall notion was thoroughly analyzed in different disciplines and respects this specific focus can be diagnosed as a lacuna The task of this book is to develop a hypothesis in terms of under what political social organizational or intellectual context Niebuhr made use of what definition of the state When did he support the extension of state power e g in war times during economic crisis and when did he criticize tendencies toward autocratic structures inside Western style democracies *Christian Realism and Political Problems*, by Reinhold Niebuhr Reinhold Niebuhr, 1953 **Reinhold Niebuhr in the 1960s** Ronald H. Stone, 2019-04-01 The Civil Rights Movement The Cuban Missile Crisis The assassination of a president and a senator both from the same family Praise turns into protest hope into disenchantment as democracy's new day goes up in flames The 1960's was an era born in hope and ends in deep conflict During this era Reinhold Niebuhr once dubbed America's theologian retires from Union Seminary in New York Though little has been published about him in this decade much of Niebuhr's life and work are as much shaped and transformed by this era as his work shapes and transforms the discourse in theology ethics and the politics of the age Ronald H Stone a former student turned colleague of Niebuhr brilliantly introduces readers to the Niebuhr of the 1960's In his analysis of Niebuhr he shows a theologian whose work sometimes turns less theological and becomes more secular in his writing with a view toward speaking to a less religious more secular world around him Stone's delightful book introduces readers to never before seen letters between the author and Reinhold and Ursula Niebuhr Stone points the way for theologians ethicists politicians and those otherwise seeking justice and peace into the conflicted world today *Rainhorudo Niba Kurisuchan Riarizumu Ando Sosharu Eshikkusu* Lovin Robin W., Yim, Sung Bihn, 2015-01 **Reinhold Niebuhr** Robin W. Lovin, 2007-09-01 Abingdon Pillars of Theology is a series for the college and seminary classroom designed to help students grasp the basic and necessary facts influence and significance of major theologians Written by major scholars these books will outline the context methodology organizing principles primary contributions and major writings of people who have shaped theology as we know it today Reinhold Niebuhr understood the tensions and complexities of the Christian Life His approach became to theology became known as Christian realism Through his life and work we can see the importance of paying attention to what is really happening and the witness we can make when we look at events with a wisdom shaped by a biblical understanding of history and human nature An excerpt from the Circuit Rider review In the face of recession and a troubled economy global warming and environmental peril war and the AIDS pandemic contemporary Christians would be well served to ponder again the work

and witness of Reinhold Niebuhr His work urges Christians and the church to define and claim our voice in the public arena Faithful and prophetic witness rooted and grounded in true Christian hope are needed now more than ever We are grateful to Prof Lovin for this important contribution to the life of thoughtful faith and faithful living Click here to read the entire review

Revisoning Christian Realism Eric Motley, 2001 **Reinhold Niebuhr and the Issues of Our Time** Richard Harries, 1986 In the realm of public affairs Reinhold Niebuhr has been the most influential theologian of our century Although Niebuhr died in 1971 the issues he confronted war and peace revolution and nuclear weapons intervention and monetarism continued to dominate the 1980 s and many feel the increasing lack of what Richard Harries calls a Niebuhrian dimension to the debates In this book a distinguished group of academic writers discuss current issues both intellectual and practical and ask what light Niebuhr can shed on them The result is a thought provoking and stimulating collection of essays *Christian Realism of Reinhold Niebuhr & Public International Legal Order* Louis Obioha Eke, 1993

Reinhold Niebuhr Richard Crouter, 2010-07-08 A primer on the current Niebuhr revival of the political left and right this book traces the significance of Reinhold Niebuhr s thought for secular as well as deeply Christian minds Placed in the context of religious and cultural history Niebuhr s theological views deepen and challenge contemporary expertise on issues of war peace economic and personal security While rejecting cynical pessimism and naive optimism Niebuhr s Christian realism reinvigorates age old teachings of the Bible St Paul Augustine and Kierkegaard His thought enriches present day debates between science and religion and between atheists agnostics and believers To live with Niebuhr s legacy is to combine critical acumen with humble self awareness It is to pursue a larger common good for him God given that is shared among individuals nations and the world community [The Christian Realists](#) Eric Patterson, 2003-06-26 The Christian Realists investigates the contributions to practical and theoretical politics by a variety of mid twentieth century thinkers such as Reinhold Niebuhr John Foster Dulles and Herbert Butterfield In a period of international conflict and

uncertainty caused by the rise of Nazism and Communism and the advent of nuclear weapons these individuals argued for a Christian and a realistic approach to social and political problems It is significant that for about a quarter century these men were listened to on Capitol Hill in Westminster on university campuses in newspapers as well as throughout the Western religious establishment This volume provides chapters devoted to the thought of specific Christian realists Niebuhr Dulles Martin Wight John C Bennett and others The book also includes a chapter on Niebuhr s influence on his secular disciples such as Hans Morgenthau and Arthur Schlesinger Jr and a chapter on the Catholic social thinker John Courtney Murray
