Reinventing Juvenile Justice:

Reinventing Juvenile Justice Barry Krisberg, James F. Austin, 1993-04-28 Recipient of the 1993 American Society of Criminology's August Vollmer Award for distinguished contribution to the profession of criminology Youth violence continues to rise at an alarming rate in a civilization that is being characterized as the most violent in history Global economic transformations weakened family school and church structures and an inefficient juvenile justice system only add to the doomsday projections for troubled youngsters who see little in the way of preventive advocacy Reinventing Juvenile Justice presents an honest albeit painful view of the current status of justice for young offenders Could it be that the celebrated children's court has outlived its usefulness This central question is raised by the authors in exploring whether the juvenile court can or should survive in the years ahead With no core constituency in the political arena the pressure to handle more children in adult courts and correctional facilities will only increase and the challenge of needed reform will go unmet Among some of the other issues discussed are juvenile justice laws and court procedures influences on probation petition and detention decisions and the influence of gender and race on taking youth into custody Students and caring professionals will find the invaluable material in this book of tremendous assistance in addressing a generation of young people on whom our world's future depends This book is informative not least about developments in the U S A and is easy to read Youth and Policy The authors have substantial reputations in the field and are well qualified to make recommendations This book compares favorably with books offering different assessments and solutions Choice The book has great market potential as a juvenile justice text and supplemental text It is very readable and well organized It will also have a broad appeal in the practitioner community Youth correction workers probation officers juvenile and family court judges prosecutors public defenders child advocates and youth service workers will find this to be a useful book Ira M Schwartz Professor and Director The Center for the Study of Youth Policy University of Michigan Ann Arbor

Reinventing Juvenile Justice Barry Krisberg, James Austin, 1993-04-28 A painful view of the current state of juvenile justice in the United States is presented in this volume which asks whether the children's court has outlived its usefulness As pressure builds to handle more children in adult courts and to consign them to adult prisons the authors explore alternatives to the custodial treatment of juveniles and suggest how the juvenile justice system can and should be reformed

Juvenile Justice Preston Elrod, R. Scott Ryder, 2013-07 The juvenile justice system is a multifaceted entity that continually changes under the influence of decisions policies and laws The all new Fourth Edition of Juvenile Justice A Social Historical and Legal Perspective offers readers a clear and comprehensive look at exactly what it is and how it works Reader friendly and up to date this text unravels the complexities of the juvenile justice system by exploring the history theory and components of the juvenile justice process and how they relate

Juvenile Justice, 1993 **Juvenile Justice**, 1993 **Juvenile Justice** Richard Lawrence, Craig Hemmens, 2008-03-13 Juvenile Justice combines a text with carefully selected accompanying readings The readings will have

a policy orientation giving them a real world applied character The book contains extensive coverage of the juvenile justice system focusing on law enforcement court and correctional responses to juvenile offending with an overview of the causes of delinquency This unique approach of combining a text and a reader will provide students with an understanding of the juvenile justice system and an introduction to some of the best original research articles by experts in the field

Victim Assistance in the Juvenile Justice System National Organization for Victim Assistance (U.S.),1996

Juvenile Justice: A Social, Historical, and Legal Perspective Preston Elrod,R. Scott Ryder,2020-02-20 Juvenile Justice A Social Historical and Legal Perspective Fifth Edition guides students in developing a sound and balanced understanding of juvenile justice and the social legal and historical context that shapes juvenile justice practice Throughout the text there are FYIs Myths v Reality Comparative Focus and Interviews that highlight important facts dispel common myths compare practices in the United States with those of other countries and allow readers to hear from present and former juvenile justice practitioners Each chapter also contains critical thinking questions intended to help students examine key issues raised in the chapter and a discussion of important legal issues related to chapter content Every new print copy includes an access code to the Navigate Companion Website that features interactive and informative learning resources to gauge understanding and help students study more effectively

Juvenile Justice Donald J. Shoemaker,Timothy W. Wolfe,2016-01-18 Authoritative current and easy to use this book is an outstanding resource for readers looking to gain an accurate and thorough understanding of American juvenile justice Juvenile delinquency has been of interest to the general public and academic scholars for many decades and it has been an ongoing societal problem for the same amount of time Delinquency covers a range of behaviors from minor offenses such as trespassing or vandalism to the more serious crimes often associated with gangs that include murder Juvenile Justice A Reference Handbook puts juvenile justice under the microscope surveying its long history and key issues exploring the myriad of problems and controversies tied to the juvenile justice system and explains how policymakers and legal professionals have tried to solve these vexing issues The book first presents historical and contemporary discussions of juvenile justice especially in the United States The next chapters address problems controversies and possible solutions for juvenile justice present insightful diverse perspectives from leading experts and profile important figures in the juvenile justice system and the field of crime and delinquency The book also contains data and primary documents that show who gets processed through the juvenile justice system and for what kinds of criminal acts

Handbook of Youth and Justice Susan O. White,2013-11-11 When approached by Plenum to put together a volume of social science research on the topic of youth and justice I found the interdisciplinary challenge of such a project intriguing Having spent 2 years as Director of the Law and Social Science Program at the National Science Foundation I was well aware of the rich diversity of research that could fit within that topic I also knew that excellent research on youth and justice was coming from different communities of researchers who often were isolated from each other in their respective disciplines as psychologists sociologists

criminologists or policy analysts I saw this project as an opportunity to break down some of this isolation by introducing these researchers and their work to each other and to the broader community of social scientists interested in law and justice. There was another gap or set of gaps to be bridged as well. The juvenile justice system and the criminal justice system differ in significant ways and the civil justice system which is a major venue for issues of youth and justice is yet another separate world. Few researchers are likely to know the whole picture. For example, a focus on juvenile justice often ignores the extent to which civil justice proceedings shape the lives of young people through divorce, custody, adoption, family preservation policies, and other actions, and vice versa. *Juvenile Justice* James Burfeind, Dawn Jeglum Bartusch, Dusten R.

Hollist, 2018-09-03 This book provides a comprehensive and thought provoking introduction to the juvenile justice system in the United States. It begins by tracing the historical origins of the legal concept of juvenile delinquency and the institutional responses that developed and analyzes the problem of delinquency including its patterns, correlates, and causes. With this essential foundation, the greater part of the book examines the full range of efforts to respond to delinquency through both informal and formal mechanisms of juvenile justice. Core coverage includes: The history and transformation of juvenile justice; The nature and causes of delinquency; Policing juveniles; Juvenile court processes; Juvenile probation and community based corrections; Residential placement and aftercare programs; Delinquency prevention; Linking systems of care. This book is designed as a core text for courses on juvenile justice. Each chapter begins with a compelling case study and learning objectives that draw attention to the topics discussed. Each chapter ends with one or two readings that introduce readers to the literature on juvenile justice. In addition, critical thinking questions invite analysis of the material covered in the chapter. A companion website offers an array of resources for students and instructors. For students, this includes chapter overviews, flashcards of key terms, and useful website links. The instructor site is password protected and offers a complete set of PowerPoint slides and an extensive test bank for each chapter, all prepared by the authors. **Special Issue: Reinventing**

Juvenile Justice National Council on Crime and Delinquency, 1993 **Crime** Philip Bean, 2003 **Juvenile Justice** Laura L. Finley, 2007-08-30 Throughout U.S. history, attitudes toward young people have vacillated between fear of and fear for. These attitudes impact social programs for youth, including the system of juvenile justice. Attitudes are shaped by the socio-political and cultural climate of the times and can be traced back to colonial times. However, changing mores and values often create confusion and conflict, resulting in ineffective strategies for preventing and responding to juvenile delinquency. Tracing the history of juvenile justice back to the pre-colonial era through the present day, Finley sheds light on just how we arrived where we are in terms of juvenile justice. She connects the competing attitudes about young people to the social, economic, and political changes of a given era and offers recommendations for establishing more effective and more humane policies toward juveniles in the justice system. Early America is known for its harsh treatment of young people, most notably the stubborn child laws which authorized use of the death penalty for children who defied their parents. Yet even then, many

people held more nurturing attitudes toward youth Thus originated the mixed messages in the U S regarding juvenile delinquency and the hodgepodge of approaches that follow The establishment of the juvenile justice system founded on the concept of *parens patriae* or the state as parent would seem to have settled the debate over how juvenile offenders should be treated In reality however there remains much controversy over how best to handle juvenile offenders especially those who commit the most serious offenses While some still maintain juveniles are developmentally different and should be treated in ways consistent with these differences others are dismayed at what they feel to be a system that is too lenient and that leads to higher juvenile crime rates and more serious offenses With the advent of three strikes laws curfew laws boot camps and referring juveniles to adult courts and subsequently assigning them to adult prisons many question just how we got to this place in juvenile justice Here Finley offers the history behind the controversial goals and development of the juvenile justice system providing detailed descriptions of the major trends in juvenile justice Addressing the most current aspects of the controversy she also sheds light on issues of race social class and gender Offering recommendations for addressing the weaknesses and confusion in the system Finley offers a unique and compelling perspective on controversial subject

Handbook of Juvenile Justice Barbara Sims, Pamela Preston, 2006-05-05 Too often professionals in public policy or criminal justice must scramble to find additional reading on juvenile law and justice or on juvenile delinquency topics because most references and textbooks provide inadequate coverage of many issues of importance The *Handbook of Juvenile Justice Theory and Practice* responds to this need by providing *The Oxford Handbook of Juvenile Crime and Juvenile Justice* Barry C. Feld, Donna M. Bishop, 2012-01-12 State of the art critical reviews of recent scholarship on the causes of juvenile delinquency juvenile justice system responses and public policies to prevent and reduce youth crime are brought together in a single volume authored by leading scholars and researchers in neuropsychology developmental and social psychology sociology history criminology criminal justice and law **Juvenile Justice Sourcebook** Albert R. Roberts, 2004-07-22 Several million reported and unreported delinquent acts take place each year In fact according to the U S Department of Justice and the U S Bureau of Justice Statistics juvenile delinquency acting out and oppositional behavior illegal drugs guns and youth violence are pervasive throughout American society *Juvenile Justice Sourcebook* is the first comprehensive volume devoted exclusively to the biopsychosocial assessment police and juvenile court processing and institutional and community based treatment and rehabilitation of juvenile offenders The overriding objective of this sourcebook is to trace the tremendous progress achieved toward resolving juvenile justice issues dilemmas and controversies while providing futuristic visions for the juvenile justice field Each chapter authored by preeminent expert practitioners and researchers explores topics ranging from innovative counseling and multisystemic programs to restorative justice to rehabilitation programs such as aggression replacement training wilderness programs family treatment substance abuse treatment restitution and aftercare This volume grounded in history and exhaustive research presents the latest evidence based policies programs and

innovative treatment alternatives Examining the entire juvenile justice system including juvenile law policies practices and research the Juvenile Justice Sourcebook will be invaluable to all juvenile justice practitioners policy analysts researchers and students *Juvenile Delinquency: An Integrated Approach* James Burfeind, Dawn Jeglum Bartusch, 2010-02-26

Juvenile Delinquency Kirk Heilbrun, Naomi E. Sevin Goldstein, Richard E. Redding, 2005-03-17 Summarizing the evidence available on juvenile delinquency prevention assessment and intervention this work surveys critical issues in understanding and treating delinquency and anti social behaviour *The Encyclopedia of Crime and Punishment* Wesley G. Jennings, George E. Higgins, Mildred M. Maldonado-Molina, David N. Khey, 2016-01-19 The Encyclopedia of Crime and Punishment provides the most comprehensive reference for a vast number of topics relevant to crime and punishment with a unique focus on the multi interdisciplinary and international aspects of these topics and historical perspectives on crime and punishment around the world Named as one of Choice's Outstanding Academic Titles of 2016 Comprising nearly 300 entries this invaluable reference resource serves as the most up to date and wide ranging resource on crime and punishment Offers a global perspective from an international team of leading scholars including coverage of the strong and rapidly growing body of work on criminology in Europe Asia and other areas Acknowledges the overlap of criminology and criminal justice with a number of disciplines such as sociology psychology epidemiology history economics and public health and law Entry topics are organized around 12 core substantive areas international aspects multi interdisciplinary aspects crime types corrections policing law and justice research methods criminological theory correlates of crime organizations and institutions U S victimology and special populations Organized authored and Edited by leading scholars all of whom come to the project with exemplary track records and international standing 3 Volumes www.crimeandpunishmentencyclopedia.com
